SCHEDULE 1

Project Description

The objective of the Project is to increase production and consumption of micronutrient-rich foods and utilization of community-based nutrition services in smallholder households in Project areas.

The Project consists of the following parts:

Part 1: Delivery of Multi-Sectoral Nutrition Services at Primary School and Community Levels

Carrying out of an integrated program of actions (within the agriculture, health and education sectors) designed to strengthen the availability, demand and delivery of nutrition services at the school and community levels, in particular:

(a) Supporting community sensitization, and establishment and operationalization of community based institutions ("CBI") with a view to promoting adoption and replication of improved agricultural technologies and practices for production of year-round micronutrient-rich foods by said CBI including, inter alia: (i) Parent Groups from Participating Schools and related communities; and (ii) Lead Farmers for each Parent Group and Participating Schools and related communities, all through the provision of technical advisory services, non-consulting services, Training, and Operating Costs for the purpose.

(b) Provision of Grants to Participating Schools, Parent Groups, and Lead Farmers for the design and delivery of Subprojects, as elaborated in the respective PSNAPs and DNAPs.

(c) Provision of priority agriculture extension services to Participating Schools, Lead Farmers, Parent Groups and related communities.

(d) Supporting Village Health Teams’ delivery of critical health and nutrition services to Participating Schools, Parent Groups and related communities (including at the household level), including, inter alia: (i) deworming and provision of select micronutrients for pregnant and lactating mothers, female students, and for children between the ages of 6-59 months, and monitoring of children’s growth and development; and (ii) provision of targeted training and carrying out of related community outreach and demonstration activities, all through the provision of technical advisory services, non-consulting services, Training, Operating Costs and acquisition of goods for the purpose.
Part 2: Strengthening Capacity to Deliver Nutrition Interventions

Strengthening the capacity of sectoral institutions to deliver, monitor and supervise nutrition interventions at the national, District and Sub-County levels, including *inter alia*: (a) design, development and implementation of comprehensive training programs for key stakeholders, including, among others, the District Nutrition Coordination Committee, chiefs, community development officers, agriculture extension agents, teachers and community workers; (b) training of master trainers; (c) sector-specific technical training for district, primary school and community personnel; and (d) supervision and nutrition monitoring at District level and below.

(a) Strengthening the capacities of the: (i) PCU for Project coordination, management and oversight (including procurement and financial management, monitoring and evaluation and reporting); (ii) MAAIF, MOES and MOH for management of Project activities, including monitoring and evaluation, fiduciary (procurement, financial management and audits) aspects, and reporting; and (iii) Districts and related sub-entities for implementation of Project activities, including fiduciary (procurement, financial management and audits) aspects, and reporting, all through the provision of technical advisory services, training, Operating Costs and acquisition of goods for the purpose.

(b) Supporting Project monitoring and evaluation and generation of knowledge, in particular: (i) strategic planning and cross coordination of execution of Project activities by the agriculture, health and education sectors; (ii) design and implementation of a consolidated Project reporting system; (iii) carrying out of baseline studies and surveys for impact evaluation purposes; (iv) carrying out of a mid-term review on implementation of Project activities; and (v) nutrition-specific policy analysis and operational research.
SCHEDULE 2

Project Execution

Section I. Institutional Arrangements

A. Institutional Arrangements

1. National Level Arrangements

(a) MAAIF

(i) The Recipient shall designate, at all times during the implementation of the Project, the MAAIF to be responsible for prompt and efficient oversight and implementation of activities under the Project, and shall take all actions, including the provision of funding, personnel and other resources, necessary to enable said MAAIF to perform said functions.

(ii) To this end, the Recipient shall establish and maintain, at all times during the implementation of the Project, a PCU within MAAIF, with functions, staffing and resources satisfactory to the World Bank for the purpose of ensuring day to day coordination, implementation and communication of Project activities and results, including being responsible for: (A) fiduciary elements of Project implementation (financial management and procurement); (B) ensuring compliance with environmental and social safeguards; (C) preparing Annual Work Plans and Budgets and ensuring their implementation; (D) consolidating periodic progress reports; (E) monitoring and evaluation of Project activities; and (F) liaising with other implementing institutions on issues related to Project implementation, all in accordance with the Project Implementation Manual.

(b) Inter-Ministerial Project Steering Committee

Without limitation upon the provisions of paragraph (a) immediately above, the Recipient shall establish and thereafter maintain, at all times during the implementation of the Project, the Inter-Ministerial Project Steering Committee, with a composition, mandate, terms of reference, and resources satisfactory to the World Bank, to be responsible for, inter alia, providing cross-sectoral coordination, strategic planning and facilitation of Project activities and results.

(c) Inter-Ministerial Project Implementation Committee
Without limitation upon the provisions of paragraphs (a) and (b) immediately above, the Recipient shall establish and thereafter maintain, at all times during the implementation of the Project, the Inter-Ministerial Project Implementation Committee, with a composition, mandate, terms of reference, and resources satisfactory to the World Bank, to be responsible for, *inter alia*, overall coordination and management of the Project, and reviewing and endorsing proposed annual work plans and budgets.

2. **District Level Arrangements**

Without limitation upon the provisions of paragraph 1 immediately above, the Recipient shall establish and thereafter maintain, at all times during the implementation of the Project, a District Nutrition Coordination Committee in each Participating District, with a composition, mandate, terms of reference, and resources satisfactory to the World Bank, to be responsible for, *inter alia*, developing and overseeing the implementation of its DNAP.

3. **Participating School Level Arrangements**

The Recipient shall, through each Participating School, establish and thereafter maintain, at all times during the implementation of the Project, a School Nutrition Committee, with a composition, mandate, terms of reference, and resources satisfactory to the World Bank, to be responsible for, *inter alia*, developing and implementing its PSNAP.

4. **Community Level Arrangements**

The Recipient shall, through the relevant Chief Administrative Officer, establish and thereafter maintain, at all times during the implementation of the Project, a Parent Group for each Participating School, with a composition, mandate, terms of reference, and resources satisfactory to the World Bank, to be responsible for, *inter alia*, selecting Lead Farmers and implementing other Project activities at the community level.

**B. Project Implementation Manual**

1. The Recipient shall prepare, in accordance with terms of reference acceptable to the World Bank and furnish to the World Bank for review, a Project implementation manual, which shall include provisions on the following matters: (a) capacity building activities for sustained achievement of the Project’s objectives; (b) arrangements on financial management, setting forth the detailed policies and procedures for the national, District, and community levels; (c) institutional administration, coordination and day to day execution of Project activities; (d) monitoring and evaluation; (e) reporting; (g) information,
education and communication of Project activities; (h) the eligibility criteria and procedures for the selection and approval of Participating Districts, Participating Schools, Parent Groups and Lead Farmers, respectively; (i) guidelines for carrying out of Subprojects under Part 1(b) of the Project; (j) guidelines for assessing potential environmental and social impacts of the Project and designing appropriate mitigation, management, and monitoring measures in respect of said impacts; (k) guidelines for the procurement, transportation, storage, use and application of pesticides, including with respect to environmental, health and safety aspects, and disposal of associated wastes at national, District and community levels; and (l) such other technical and organizational arrangements and procedures as shall all be required for the Project.

2. The Recipient shall afford the World Bank a reasonable opportunity to exchange views with the Recipient on said Project implementation manual, and thereafter, shall adopt such Project implementation manual, as shall have been approved by the World Bank (“Project Implementation Manual”).

3. The Recipient shall ensure that the Project is carried out in accordance with the Project Implementation Manual; provided, however, that in case of any conflict between the provisions of the Project Implementation Manual and the provisions of this Agreement, the provisions of this Agreement shall prevail.

4. Except as the World Bank shall otherwise agree, the Recipient shall not amend, abrogate or waive any provision of the Project Implementation Manual.

C. Annual Work Plan and Budget

1. The Recipient shall prepare and furnish to the World Bank not later than September 30 of each Fiscal Year during the implementation of the Project, a work plan and budget containing all activities (including Subprojects) proposed to be included in the Project (including Safeguard Instruments applicable to said activities in accordance with the provisions of Section 1.D of this Schedule 2) during the following Fiscal Year, and a proposed financing plan for expenditures required for such activities, setting forth the proposed amounts and sources of financing.

2. Each such proposed work plan and budget shall specify any Training activities that may be required under the Project, including: (a) the type of Training; (b) the purpose of the Training; (c) the personnel to be trained; (d) the institution or individual who will conduct the Training; (e) the location and duration of the Training; and (f) the cost of the Training.

3. The Recipient shall afford the World Bank a reasonable opportunity to exchange views with the Recipient on each such proposed work plan and budget and thereafter ensure that the Project is implemented with due diligence during said
following Fiscal Year in accordance with such work plan and budget as shall have been approved by the World Bank ("Annual Work Plan and Budget").

4. The Recipient shall not make or allow to be made any change to the approved Annual Work Plan and Budget without prior approval in writing by the World Bank.

D. Safeguards

1. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Management Framework and Safeguard Instruments. To this end, the Recipient shall ensure that the following actions are taken in a manner acceptable to the World Bank: if any Project activity would, pursuant to the ESMF:

   (a) require the carrying out of an Environmental and Social Impact Assessment the Recipient shall ensure that an ESIA for such activity is:
       (i) carried out, in accordance with the requirements of the ESMF and furnished to the World Bank for review and approval; and (ii) disclosed as required by the ESMF and approved by the World Bank;

   (b) require the preparation of an Environmental and Social Management Plan, the Recipient shall ensure that such ESMP is prepared in accordance with the ESMF and furnished to the World Bank for review and approval, and is disclosed as required by the ESMF and approved by the World Bank; and

   (c) require the preparation of a Pest Management Plan, the Recipient shall ensure that such PMP is prepared in accordance with the ESMF and furnished to the World Bank for review and approval, and is disclosed as required by the ESMF and approved by the World Bank.

2. Without limitation upon its other reporting obligations under this Agreement and under Section 4.08 of the General Conditions, the Recipient shall include in the Project Reports referred to in Section II.A of this Schedule 2, adequate information on the implementation of the ESMF and Safeguard Instruments, giving details of:
   (a) measures taken in furtherance of such ESMF and Safeguard Instruments;
   (b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such ESMF and Safeguard Instruments; and (c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of such ESMF and Safeguard Instruments.
3. The Recipient shall not amend, suspend, or waive, or permit to be amended, suspended or waived, the ESMF or Safeguard Instruments or any provision thereof without the prior written approval of the World Bank.

4. In the event of a conflict between the provisions of the ESMF or Safeguard Instruments and the provisions of this Agreement, the provisions of this Agreement shall prevail.

E. Subprojects under Part 1(b) of the Project

1. Each Subproject shall be eligible for financing under a Grant upon the Recipient’s determination, on the basis of an appraisal conducted in accordance with the criteria, guidelines and procedures set forth in the Project Implementation Manual, that the Subproject satisfies the eligibility criteria specified in the Project Implementation Manual, which criteria shall, inter alia, include the following:

   (a) the Subproject shall be appraised on the basis of an environmental and social assessment and other guidelines acceptable to the World Bank (and shall be accompanied by appropriate Safeguard Instruments, if required pursuant to the ESMF);

   (b) the Subproject shall be designed to avoid any involuntary resettlement of persons or loss of their income or productive capacity;

   (c) the Subproject shall be included in the relevant approved DNAP;

   (d) the Subproject and the associated Safeguard Instruments, if any, shall be approved by the Recipient and the World Bank, unless with respect to the World Bank’s approval, the World Bank has notified the Recipient in writing that its prior approval is not required; and

   (e) the Subproject shall be included in the Annual Work Plan and Budget.

2. The Recipient shall, through Participating Districts, make each Grant to a Participating School, Parent Group, or Lead Farmer on terms and conditions approved by the World Bank, as the same may be elaborated upon in the Project Implementation Manual.
