respectively, in form and substance acceptable to the Association, for the implementation of specified activities, as further detailed in the Project Implementation Manual, to be carried out under Parts A(a), A(b) and B of the Project.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Project Implementation Manual

1. The Recipient shall carry out the Project in accordance with the Project Implementation Manual and except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate, or waive the Project Implementation Manual, or any provision thereof.

2. In the event of any conflict between the provisions of the Project Implementation Manual and those of this Agreement, the provisions of this Agreement shall prevail.

D. Sub-projects

1. The Recipient shall make matching grants to Producer Organizations for Sub-projects ("Matching Grants") in accordance with eligibility criteria and procedures set forth in the Project Implementation Manual and acceptable to the Association, which shall include the following:

   (a) no proposed Sub-project shall be eligible for financing under a Matching Grant to a Producer Organization unless the Recipient shall have determined on the basis of an appraisal carried out in accordance with guidelines acceptable to the Association and elaborated in the Project Implementation Manual, that:

   (i) the proposed Sub-project: (A) is designed to enhance productive partnerships between the Producer Organization and agribusiness entities and increase crop yield, production and quality of applicable agricultural products; (B) is technically feasible and economically and financially viable; and (C) if, pursuant to the ESMF, RPF or IPPF, one or more Supplemental Safeguard Instruments for the Sub-project are required, such Supplemental Safeguard Instruments have been prepared and approved by the Association in accordance with the provisions of paragraph (c) of this Section I.D.1 and all measures required to be taken in accordance with Section I.F. of Schedule 2 to this Agreement prior
to commencement of the activities covered by the Safeguard Instruments have been taken; and

(ii) the proposed Producer Organization: (A) is a legal entity established and operating as a cooperative under the laws of the Recipient with the organization, management, technical capacity and financial resources necessary to carry out the proposed Sub-project; (B) has prepared a satisfactory business plan, including financing plan and budget and a satisfactory implementation plan and has established a comprehensive record keeping system; (C) has entered into a productive partnership with an agribusiness entity for the purpose of implementing the Sub-project; (D) has commenced negotiations with an approved FI for the purpose of financing up to 40% of the total estimated cost of the Sub-project; and (E) has demonstrated the capacity, and has committed, to finance at least 10% of the total estimated cost of the Sub-project out of its own resources;

(b) the maximum amount: (i) of all Matching Grants to a single Producer Organization shall not exceed the equivalent of eight million dollars ($8,000,000); and (ii) of each Matching Grant for a Sub-project shall not exceed the lesser of: (A) the equivalent of eight million dollars ($8,000,000); and (B) 50% of the total estimated cost of the Sub-project; and

(c) each Matching Grant for a Sub-project requiring a Safeguard Instrument shall be subject to the Association’s prior written approval and shall only be eligible for financing under the Financing if and to the extent approved by Association.

2. The Recipient shall make each Matching Grant under a Matching Grant Agreement with the respective Producer Organization on terms and conditions approved by the Association, which shall include the following:

(a) the Matching Grant shall be made on a non-reimbursable grant basis;

(b) the Recipient shall obtain rights adequate to protect its interests and those of the Association, including the right to:

(i) suspend or terminate the right of the Producer Organization to use the proceeds of the Matching Grant, or obtain a refund of all or any part of the amount of the Matching Grant then withdrawn, upon the Producer Organization’s failure to perform any of its obligations under the Matching Grant Agreement; and
require each Producer Organization to:

(A) carry out its Sub-project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, including in accordance with the provisions of the ESMF, RPF or IPPF (and any Safeguard Instrument required for the Sub-project pursuant to the ESMF, RPF or IPPF), and the Anti-Corruption Guidelines applicable to recipients of Financing proceeds other than the Recipient;

(B) provide, promptly as needed, the resources required for the purpose;

(C) procure the goods and services to be financed out of the Matching Grant in accordance with the provisions of Section III of this Schedule;

(D) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Association, the progress of the Sub-project and the achievement of its objectives;

(E) (1) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect its operations, including the operations, resources and expenditures related to the Sub-project; and (2) at the Association’s or the Recipient’s request, have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the statements as so audited to the Recipient and the Association, and permit the Association to make such statements as so audited available to the public, along with the Matching Grant Agreement;

(F) maintain a satisfactory record keeping and filing system and enable the Recipient and the Association to inspect the Sub-project, its operation and any relevant records and documents; and
(G) prepare and furnish to the Recipient and the Association all such information as the Recipient or the Association shall reasonably request relating to the foregoing; and

(c) the Recipient shall exercise its rights and carry out its obligations under each Matching Grant Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any Matching Grant Agreement or any of its provisions.

E. Annual Work Plans and Budgets

1. Not later than September 1 in each calendar year (or one month after the Effective Date for the first year of Project implementation), the Recipient shall prepare or cause to be prepared for the purpose of forwarding to the Association, a draft annual work plan and budget for the Project (including Training and Operating Costs) for the subsequent calendar year of Project implementation, of such scope and detail as the Association shall have reasonably requested.

2. The Recipient shall afford the Association a reasonable opportunity to review such draft annual work plan and budget, and thereafter shall carry out (or cause to be carried out) such annual work plan and budget during such subsequent calendar year as shall have been approved by the Association ("Annual Work Plan and Budget"). Only those activities that are included in an Annual Work Plan and Budget shall be eligible for financing out of the proceeds of the Financing.

3. Any Training proposed to be included in an Annual Work Plan and Budget, shall include, inter alia: (a) particulars of the Training envisaged; (b) the criteria for selection of the personnel to be trained, and such personnel if known; (c) the selection method of the institution or individuals conducting such Training; (d) the institution conducting such Training if identified; (e) the purpose and justification for such Training; (f) the location and duration of the proposed training; and (g) the estimate of the cost of such Training.

4. Annual Work Plans and Budgets may be revised as needed during Project implementation subject to the Association's prior written approval.

F. Safeguards

1. The Recipient shall implement the Project in accordance with the relevant Safeguards Instruments, and shall, to that end:

   (a) if any activity under the Project would require the adoption of any Supplemental Safeguard Instrument:
(i) prepare: (A) such Supplemental Safeguard Instrument in accordance with the applicable ESMF, RPF or IPPF; (B) furnish such Supplemental Safeguard Instrument to the Association for review and approval; and (C) thereafter adopt such Supplemental Safeguard Instrument prior to implementation of the activity; and

(ii) thereafter take such measures as shall be necessary or appropriate to ensure full compliance with the requirements of such Supplemental Safeguard Instrument; and

(b) if any activity under the Project would involve Affected Persons, ensure that no displacement (including restriction of access to legally designated parks and protected areas) shall occur before resettlement measures under a Supplemental Safeguard Instrument prepared in accordance with the RPF including, in the case of displacement, full payment to Affected Persons of compensation and of other assistance required for relocation, have been taken.

2. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall, for each Supplemental Safeguard Instrument, regularly collect, compile and furnish to the Association reports in form and substance satisfactory to the Association, on the status of compliance with each Supplemental Safeguard Instrument, as part of the Project Reports, giving details of:

(a) measures taken in furtherance of such Supplemental Safeguard Instrument;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Supplemental Safeguard Instrument; and

(c) remedial measures taken or required to be taken to address such conditions.

3. In the event that any provision of the Safeguards Instruments shall conflict with any provision under this Agreement, the provisions of this Agreement shall prevail.

4. The Recipient shall ensure that:

(a) all terms of reference for any technical assistance and studies to be carried out under the Project are consistent with the Association’s environmental and social safeguard policies; and

(b) in any Project activity that may support the drafting of regulatory instruments for the purpose of community development planning or other land related reforms, due attention will be given to said policies.
G. Third Party Verification

The Recipient shall, in accordance with Section III of this Schedule 2, recruit, no later than four (4) months after the Effective Date and thereafter maintain, throughout Project implementation, third-party verification agents, with qualifications, experience, and terms of reference satisfactory to the Association, for purposes of the technical third-party verification of the Sub-projects to be carried out under Part A(b) of the Project.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators acceptable to the Association. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish (or cause to be prepared and furnished) to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

4. In furtherance of the provisions of this Section II.B of Schedule 2 to this Agreement, not later than three (3) months after the Effective Date, the Recipient shall install for the purposes of the project, a computerized financial and accounting system with consolidation and decentralized modules within the National Coordination Unit and the RCUs, in a manner satisfactory to the Association.
5. In order to ensure the timely carrying out of the audits referred to in Section II. B.3, the Recipient shall recruit, in accordance with the provisions of Section III of this Schedule 2, not later than six (6) months after the Effective Date, an external auditor with qualifications, experience and term of reference acceptable to the Association.

Section III.
