Effect of Partial Compliance with Disbursement Linked Indicators (as said term is defined in the Appendix to the Agreement) and the 70% Rule

2. If the Bank has:

(a) received evidence of partial compliance of the 70% rule and of the DLIs mentioned in paragraphs (b) and (c) below, then the maximum amount of the corresponding withdrawal shall be reduced by an amount equal to the highest reduction resulting from the application of paragraphs (b) or (c) below, and the amount to be advanced in respect of the EEP-HS and/or EEP-ES shall be reduced in the proportion to the percentage of non-compliance of the 70% rule or the DLI for the pertinent sector (as applicable);

(b) received evidence of partial compliance with the 70% rule that corresponds to the relevant withdrawal referred to in paragraph 1 (c) and (e) above, then the maximum amount of the corresponding withdrawal shall be reduced in proportion to the percentage of non-compliance of the 70% rule in respect of the EEP-HS and/or of the EEP-ES (see Formulae below):

[Formulae: \( \% \) of the projected EEPs disbursed / 70\% = X\%; X\% - 100\% = negative Y\%; negative Y\% multiplied by the maximum amount of the withdrawal corresponding to the relevant paragraph 1 (c) or (e) above = reduction to be taken from the maximum amount of the withdrawal corresponding to the relevant paragraph 1 (c) or (e) above]; and

(c) (i) received evidence of partial compliance with one or more DLIs that corresponds to the relevant withdrawal referred to in paragraphs 1 (c) and (e) above, then: (A) except as provided in (ii) below, the maximum amount of the corresponding withdrawal shall be reduced in proportion to the percentage of non-compliance of the corresponding DLIs (see Formulae below); (B) in respect of the relevant withdrawal referred to in paragraph 1 (c) above, the Borrower shall submit to the Bank a time-bound action plan to achieve, in a manner satisfactory to the Bank, such target or targets set forth in the pertinent DLI for the calendar year 2010; and (C) as soon as the Bank is satisfied that such action plan has been implemented, the Bank shall authorize, at the time of the fifth withdrawal referred to in paragraph 1 (e) above, the withdrawal of the amount by which the corresponding withdrawal had been reduced under this paragraph 2 (c)(i):

[Formulae : \% achievement of the relevant DLI / target \% for the relevant DLI = X\%; X\% - 100\% = negative Y\%; negative Y\% multiplied by the maximum amount of the withdrawal corresponding to the relevant paragraph 1 (c) or (e) above = reduction to be taken from the maximum amount of the withdrawal corresponding to the relevant paragraph 1 (c) or (e) above]; and

(ii) received evidence of partial compliance with one or more DLIs that corresponds to the relevant withdrawal referred to in paragraphs 1 (c) and (e) above in which the actual progress of compliance (as "actual progress of compliance" is measured by the actual incremental increase at the end of the pertinent calendar year over the Base Line for the year 2008 for any given DLI) is below 50\% of the expected progress of compliance (as "expected progress of compliance" is measured by the expected incremental increase at
the end of the pertinent calendar year over the Baseline for the year 2008), then the maximum amount of the corresponding withdrawal shall be reduced in the proportion to the difference between the actual progress of compliance and the expected progress of compliance.

The Formulae mentioned in this paragraph 2 (c) (i) above shall not apply if: (i) the incremental increase over the Baseline for the year 2008 for any given DLI is below 50% in which case the provisions in (c)(ii) above shall apply; and (ii) the target achieved by the Borrower for any given DLI is equal or below the Baseline for the year 2008 for the pertinent DLI in which case no withdrawal shall be made in respect of the corresponding DLI.

For purposes of this paragraph 2 (c), each DLI will carry the same weight.

**Rollover of Amounts not Disbursed**

3. If the Bank has reduced the withdrawal provided for in paragraph 1(c) above due to partial compliance with the 70% rule and/or the relevant DLIs, then the Bank shall authorize the unwithdrawn portion of the Loan resulting from this partial compliance to be carried forward to the fifth withdrawal referred to in paragraph 1 (e) above.

**Submission of Loan Withdrawal Applications and Definition of Eligible Expenditures**

4. Loan withdrawal applications under Category (1) of the table in Section IV.A.2 of Schedule 2 to the Agreement shall be presented to the Bank by the Borrower in accordance with the disbursement schedule referred to in paragraph 1 of this Section IV.

Eligible Expenditures under Part A of the Project are those set forth in Category (1) of the table in Section IV.A.2 of Schedule 2 to the Agreement (which consists of Personnel Expenditures). As mentioned in paragraph 1 of Section IV of this Disbursement Letter, the pertinent interim unaudited financial report shall document the Eligible Expenditures under the EEPs for the pertinent period, and include an indication of the percentage of Eligible Expenditures financed under the Loan in respect of the EEPs.

Terms and Conditions of Use of Secure Identification Credentials
in connection with Use of Electronic Means
to Process Applications
and Supporting Documentation

March 1, 2013

The World Bank (Bank)\(^1\) will provide secure identification credentials (SIDC) to permit the Borrower\(^2\) to deliver applications for withdrawal and applications for special commitments under the Agreement(s) and supporting documentation (such applications and supporting documentation together referred to in these Terms and Conditions of Use as Applications) to the Bank electronically, on the terms and conditions of use specified herein.

SIDC can be either: (a) hardware-based (Physical Token), or (b) software-based (Soft Token). The Bank reserves the right to determine which type of SIDC is most appropriate.

A. Identification of Users.

1. The Borrower will be required to identify in a completed Authorized Signatory Letter (ASL) duly delivered to and received by the Bank each person who will be authorized to deliver Applications. The Bank will provide SIDC to each person identified in the ASL (Signatory), as provided below. The Borrower shall also immediately notify the Bank if a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website (https://clientconnection.worldbank.org) prior to receipt of his/her SIDC. Registration on CC will require that the Signatory establish a CC password (CC Password). The Signatory shall not reveal his/her CC Password to anyone or store or record the CC Password in written or other form. Upon registration as a CC user, the Signatory will be assigned a unique identifying account name.

B. Initialization of SIDC.

1. Prior to initialization of SIDC by a Signatory, the Signatory will acknowledge having read, understood and agreed to be bound by these Terms and Conditions of Use.

---

\(^1\) “Bank” includes IBRD and IDA.

\(^2\) “Borrower” includes the borrower of an IBRD loan, IDA credit, or Project Preparation Facility advance and the recipient of a grant.
2. Where a Physical Token is to be used, promptly upon receipt of the Physical Token, the Signatory will access CC using his/her account name and CC Password and register his/her Physical Token and set a personal identification number (PIN) to be used in connection with the use of his/her Physical Token, after which the Physical Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Where a Soft Token is to be used, the Signatory will access CC using his/her account name and CC Password and set a personal identification number (PIN) to be used in connection with the use of his/her Soft Token, after which the Soft Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Upon initialization of the SIDC, the Signatory will be a “SIDC User”. The Bank will maintain in its database a user account (Account) for each SIDC User for purposes of managing the SIDC of the SIDC User. Neither the Borrower nor the SIDC User will have any access to the Account.

3. Prior to first use of the SIDC by the SIDC User, the Borrower shall ensure that the SIDC User has received training materials provided by the Bank in use of the SIDC.

C. Use of SIDC.

1. Use of the SIDC is strictly limited to use in the delivery of Applications by the SIDC User in the manner prescribed by the Bank in the Agreement(s) and these Terms and Conditions. Any other use of the SIDC is prohibited.

2. The Bank assumes no responsibility or liability whatsoever for any misuse of the SIDC by the SIDC User, other representatives of the Borrower, or third parties.

3. The Borrower undertakes to ensure, and represents and warrants to the Bank (such representation and warranty being expressly relied upon by the Bank in granting SIDC) that each SIDC User understands and will abide by, these Terms and Conditions of Use, including without limitation the following:

4. Security

4.1. The SIDC User shall not reveal his/her PIN to anyone or store or record the PIN in written or other form.

4.2. The SIDC User shall not allow anyone else to utilize his/her SIDC to deliver an Application to the Bank.

4.3. The SIDC User shall always logout from CC when not using the system. Failure to logout properly can create a route into the system that is unprotected.

4.4. If the SIDC User believes a third party has learned his/her PIN or has lost his/her Physical Token he/she shall immediately notify clientconnection@worldbank.org.
4.5. The Borrower shall immediately notify the Bank at clientconnection@worldbank.org of any lost, stolen or compromised SIDC, and take other reasonable steps to ensure such SIDC are disabled immediately.

5. **Reservation of Right to Disable SIDC**

5.1. The Borrower shall reserve the right to revoke the authorization of a SIDC User to use a SIDC for any reason.

5.2. The Bank reserves the right, in its sole discretion, to temporarily or permanently disable a SIDC, de-activate a SIDC User’s Account or both.

6. **Care of Physical Tokens**

6.1. Physical Tokens will remain the property of the Bank.

6.2. The Bank will physically deliver a Physical Token to each Signatory designated to receive one in a manner to be determined by and satisfactory to the Bank.

6.3. Physical Tokens contain delicate and sophisticated instrumentation and therefore should be handled with due care, and should not be immersed in liquids, exposed to extreme temperatures, crushed or bent. Also, Physical Tokens should be kept more than five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile phones, phone-enabled PDAs, smart phones and other similar devices. Physical Tokens should be carried and stored separate from any EMR device. At close range (less than 5 cm), these devices can output high levels of EMR that can interfere with the proper operation of electronic equipment, including the Physical Token.

6.4. Without derogating from these Terms and Conditions of Use, other technical instructions on the proper use and care of Physical Tokens are available at http://www.rsa.com.

7. **Replacement**

7.1. Lost, damaged, compromised (in terms of 4.5, above) or destroyed Physical Tokens will be replaced at the expense of the Borrower.

7.2. The Bank reserves the right, in its sole discretion, not to replace any Physical Token in the case of misuse, or not to reactivate a SIDC User’s Account.
