Loan Agreement

(Trade Promotion and Quality Infrastructure Project)

between

REPUBLIC OF ARMENIA

and

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT

Dated August 6, 2014
LOAN AGREEMENT

Agreement dated August 6, 2014, between the REPUBLIC OF ARMENIA ("Borrower") and the INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT ("Bank"). The Borrower and the Bank hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — LOAN

2.01. The Bank agrees to lend to the Borrower, on the terms and conditions set forth or referred to in this Agreement, a loan in an amount equivalent to fifty million United States Dollars ($50,000,000) as such amount may be converted from time to time through a Currency Conversion in accordance with the provisions of Section 2.07 of this Agreement ("Loan"), to assist in financing the project described in Schedule 1 to this Agreement ("Project").

2.02. The Borrower may withdraw the proceeds of the Loan in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Front-end Fee payable by the Borrower shall be equal to one quarter of one percent (0.25%) of the Loan amount.

2.04. The interest payable by the Borrower for each Interest Period shall be at a rate equal to the Reference Rate for the Loan Currency plus the Variable Spread; provided, that upon a Conversion of all or any portion of the principal amount of the Loan, the interest payable by the Borrower during the Conversion Period on such amount shall be determined in accordance with the relevant provisions of Article IV of the General Conditions. Notwithstanding the foregoing, if any amount of the Withdrawn Loan Balance remains unpaid when due and such non-payment continues for a period of thirty days, then the interest payable by the Borrower shall instead be calculated as provided in Section 3.02 (e) of the General Conditions.

2.05. The Payment Dates are February 15 and August 15 in each year.

2.06. The principal amount of the Loan shall be repaid in accordance with the amortization schedule set forth in Schedule 3 to this Agreement.
2.07. (a) The Borrower may at any time request any of the following Conversions of the terms of the Loan in order to facilitate prudent debt management: (i) a change of the Loan Currency of all or any portion of the principal amount of the Loan, withdrawn or unwithdrawn, to an Approved Currency; (ii) a change of the interest rate basis applicable to: (A) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate to a Fixed Rate, or vice versa; or (B) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate based on a Reference Rate and the Variable Spread to a Variable Rate based on a Fixed Reference Rate and the Variable Spread, or vice versa; or (C) all of the principal amount of the Loan withdrawn and outstanding from a Variable Rate based on a Variable Spread to a Variable Rate based on a Fixed Spread; and (iii) the setting of limits on the Variable Rate or the Reference Rate applicable to all or any portion of the principal amount of the Loan withdrawn and outstanding by the establishment of an Interest Rate Cap or Interest Rate Collar on the Variable Rate or the Reference Rate.

(b) Any conversion requested pursuant to paragraph (a) of this Section that is accepted by the Bank shall be considered a “Conversion”, as defined in the General Conditions, and shall be effected in accordance with the provisions of Article IV of the General Conditions and of the Conversion Guidelines.

ARTICLE III — PROJECT

3.01. The Borrower declares its commitment to the objectives of the Project. To this end, the Borrower shall carry out: (a) Parts A, C and D of the Project through the MoE, while coordinating implementation of Part C with NIM, NAB and SARM; (b) Parts B.1 and B.2 through the IEPI; and (c) Part B.3 through IEPI and EIF; all in accordance with the provisions of Article V of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Borrower and the Bank shall otherwise agree, the Borrower shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE BANK

4.01. The Additional Event of Suspension consists of the following, namely that the Borrower’s legislation on trade promotion and quality systems has been amended, suspended, abrogated, repealed or waived, so as to affect materially and adversely the ability of the Borrower to carry out the Project or to perform any of its obligations under this Agreement.

ARTICLE V — EFFECTIVENESS; TERMINATION
5.01. The Effectiveness Deadline is the date one hundred and eighty (180) days after the date of this Agreement.

ARTICLE VI — REPRESENTATIVE; ADDRESSES

6.01. The Borrower’s Representative is the Minister of Finance of the Borrower.

6.02. The Borrower’s Address is:

1. The Borrower shall:

   (a) promptly after the Effectiveness Deadline, establish and maintain until the completion of the Project, a Project Steering Committee (PSC) chaired by the MoE and consisting of the representatives from all entities involved in Project implementation, with structure, functions, and responsibilities set forth in the Operational Manual, to provide oversight of the Project.

   (b) Designate a unit within the MoE as the Project Management Unit (PMU) with the responsibility of overall project coordination, safeguards compliance, monitoring and evaluation of Project activities, and reporting to the Bank and the PSC on Project implementation. The Borrower shall ensure that the PMU has, at all times adequate capacity and resources to fulfill its responsibilities with respect to Project implementation. To this end, the PMU shall hire and thereafter maintain, at all times during Project implementation or as agreed with the Bank: (i) a social and environmental safeguards specialist, (ii) a monitoring & evaluation specialist, (iii) an IT expert, (iv) an engineer, and (v) a translator; all of whose qualifications, experience, and terms of reference shall be acceptable to the Bank.

   (c) Designate the FFPMC as the unit with the responsibility for the fiduciary aspects of the Project (including financial management and procurement) and ensure that FFPMC has, at all times adequate staff and resources to fulfill its responsibilities with respect to Project implementation, including the hiring of independent auditors for the verification of appropriate disbursement against EEPs and DLIs, in addition to the general Project audit.

   (d) Carry out a mid-term review jointly with the Bank at the end of the second year of Project implementation to review DLIs and EEPs compliance, and revise them if deemed necessary.

2. Project Operational Manual:

   The Borrower shall prepare, in accordance with terms of reference acceptable to the Bank, and furnish to the Bank: (a) a Project Operational Manual (POM) for general activities of the Project and shall include: (i) details on flow of funds, (ii) detailed implementation of activities including administrative, procurement, financial management, accounting, safeguards, monitoring and (iii) evaluation procedures and arrangements for the Project; (b) a Grant Implementation Manual containing the requirements, criteria, and decision making processes for the selection of the Exporter...
Development Grants; and (c) a PPPs Implementation Manual which shall set forth a selection process, eligibility and procedures for PPP Initiatives.

3. The Borrower shall carry out the Project in accordance with the POM, the Grant Implementation Manual and the PPP Implementation Manual; and shall not assign, amend, abrogate, or waive, or permit to be assigned, amended, abrogated, or waived, the aforementioned manuals, or any provision thereof, without the prior written agreement of the Bank.

4. Notwithstanding the foregoing, in the event of any inconsistency between the provisions of the POM, the Grant Implementation Manual and the PPP Implementation Manual and those of the Loan Agreement, the provisions of the Loan Agreement shall prevail.

B. Anti-Corruption

The Borrower shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Exporter Development Grants

1. The Borrower shall: (a) appraise, review, approve, and monitor the Grants; and (b) make Grants to selected Beneficiaries all in accordance with the provisions of this Section I.C and eligibility criteria and procedures set forth in the Grant Implementation Manual.

2. Except as the Bank may otherwise agree in writing, no proposed Grant shall be eligible for financing under Part B.2 of the Project unless the Borrower has determined that the Grant satisfies the following eligibility criteria and such additional criteria as may be specified in the Grant Implementation Manual:

   (a) the activities to be supported by the Grant are economically, financially and technically feasible, environmentally sound and relate to knowledge and marketing activities;

   (b) the proposed Grant satisfies the eligibility criteria for safeguards specified in the Grant Implementation Manual, the activities do not include any land acquisition or resettlement, and is in compliance with the provisions of the Project ESMF and RPF and Bank’s safeguard policies; and

   (d) if, on the basis of the environmental and social screening conducted for the Grant proposal, an EMP and/or RAP shall be required, such EMP and RAP shall have been prepared pursuant to the ESMF and RPF and shall have been approved by the Bank.

3. The Borrower shall make available Grants to Beneficiaries from the proceeds of the Loan, under a Grant Agreement between FFPMC, IEPI, and the respective Beneficiary on terms and conditions approved by the Bank and outlined in the Grant Implementation Manual, which shall include the following:
(a) The Grant shall be made on a non-reimbursable basis.

(b) The Borrower shall obtain rights adequate to protect its interests and those of the Bank, including the right to: (i) suspend or terminate the right of the Beneficiary to use the proceeds of the Grant, or (ii) obtain a refund of all or any part of the amount of the Grant then withdrawn, upon the Beneficiary’s failure to perform any of its obligations under the Grant Agreement.

(c) The Beneficiary shall be required to contribute to the activities related to the Grant in cash or in kind, in accordance with the Grant Implementation Manual.

(d) The Borrower shall require each Beneficiary to:

(i) carry out its Grant activities, with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Bank, including in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Borrower;

(ii) provide, promptly as needed, the resources required for the purpose of implementing Grant activities;

(iii) procure the goods, works and services to be financed out of the Grant in accordance with methods as described in the Grant Implementation Manual;

(iv) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Bank, the progress of the Grant activities and the achievement of its objectives;

(v) (A) maintain a financial management system and prepare financial statements in accordance with the Borrower’s accounting standards, as acceptable to the Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Grant; and (B) at the Bank’s or the Borrower’s request, have such financial statements audited by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank, and promptly furnish the statements as so audited to the Borrower and the Bank;

(vi) enable the Borrower and the Bank to inspect the implementation of the corresponding Grant activities, their operation and any relevant records and documents; and

(vii) prepare and furnish to the Borrower and the Bank all such information as the Borrower or the Bank shall reasonably request relating to the foregoing.
4. IEPI shall exercise its rights under each Grant Agreement in such manner as to protect the interests of the Borrower and the Bank and to accomplish the purposes of the Loan. Except as the Bank shall otherwise agree, the Borrower shall not assign, amend, abrogate or waive any Grant Agreement or any of their provisions.

D. PPP Initiatives

1. The Borrower shall select eligible PPP initiatives based on the eligibility criteria set forth in the PPP Implementation Manual, through a selection committee to be established by EIF and IEPI.

2. The Borrower shall make available financing for a selected PPP Initiative under a tripartite agreement between the FFPMC, the EIF or IEPI and a selected firm or consortium (the PPP Agreement) on terms and conditions approved by the Bank and outlined in the PPP Implementation Manual, which shall include the following:

   (a) The selected firm or consortium to benefit from the initiative shall be required to contribute to the activities related to the PPP Initiative in cash or in kind, in accordance with the PPP Implementation Manual.

   (b) The Borrower shall obtain rights adequate to protect its interests and those of the Bank, including the right to suspend or terminate the right of the selected firm or consortium to use the proceeds of the PPP Initiative in case of its failure to perform any of its obligations under the PPP Agreement.

   (c) The Borrower shall require the selected firm or consortium to:

      (i) carry out the PPP Initiative with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Bank,

      (ii) enable the Borrower and the Bank to inspect the implementation of the corresponding PPP Initiative, their operation and any relevant records and documents; and

      (iii) prepare and furnish to the Borrower and the Bank all such information as the Borrower or the Bank shall reasonably request relating to the foregoing.

3. The Borrower, through the FFPMC and EIF or IEPI, shall exercise its rights under each PPP Agreement in such manner as to protect the interests of the Borrower and the Bank and to accomplish the purposes of the Loan. Except as the Bank shall otherwise agree, the Borrower shall not assign, amend, abrogate or waive any PPP Agreement or any of their provisions.
E. Safeguards

1. The Borrower shall ensure that the Project is carried out in accordance with the Environmental and Social Management Framework (ESMF), Resettlement Policy Framework (RPF), site-specific Environmental Management Plans (EMPs), and Resettlement Action Plans (RAPs) as the case may be.

2. The Borrower shall ensure that said EMPs and RAPs, if needed, will be prepared, in a manner satisfactory to the Bank and in accordance with the Manuals and the ESMF and RPF, and construction activities shall commence only until respective EMPs and RAPs are prepared and implemented.

Section II. Project Monitoring Reporting and Evaluation

A. Project Reports

1. (a) The Borrower shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 5.08 of the General Conditions and on the basis of indicators acceptable to the Bank. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Bank not later than one month after the end of the period covered by such report.

(b) For purposes of reporting the achievements of the DLIs, the PMU at MoE will be responsible for reporting documentation on: (i) compliance with the agreed activities/targets for the DLIs, and (ii) the actual amount of EEPs incurred, (according to the information provided by the MoE’s Department of Budgeting and Financing), in such a manner that disbursements can be made by June each year, upon validation performed by independent auditors for activities/targets met during the previous year.

B. Financial Management, Financial Reports and Audits

1. The Borrower shall maintain a financial management system in accordance with the provisions of Section 5.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Borrower shall prepare and furnish to the Bank not later than forty five days after the end of each calendar semester, interim unaudited financial reports for the Project covering the semester, in form and substance satisfactory to the Bank.

3. The Borrower shall have its Financial Statements audited in accordance with the provisions of Section 5.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Borrower. The audited Financial Statements for each such period shall be furnished to the Bank not later than six (6) months after the end of such period.
4. The Borrower shall have validated the actual level of Eligible Expenditures by an independent auditor acceptable to the Bank on the terms of reference agreed with the Bank. Each validation of the actual Eligible Expenditures shall cover the period of one fiscal year of the Borrower. The auditor’s validation report for each such period, which will be required for the disbursement of respective funds under the DLI scheme, shall be furnished to the Bank not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Bank of particular contracts refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods, Works and Non-consulting Services. The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan:

For purposes of this Schedule:

(i) The Term "Training" means expenditures incurred by the Borrower for costs associated with training, workshops and/or study tours, as agreed upon between the Borrower and the Bank;

(ii) The Term "Incremental Operating Costs" means expenditures incurred by the Borrower, the PMU, FFFMC, IEPI, and EIF, in connection with Project implementation, which includes: vehicle rental, cost of fuel, insurance, operation, and maintenance of vehicles, minor office equipment, office supplies, utilities, communication and media advertisement costs, printing and publications (electronic and/or paper), maintenance costs, training, meetings and in-country travel costs, translation, and salaries, including health benefits, but excluding salaries for civil servants, and other expenditures that may be agreed with the Bank during Project implementation.

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:
(a) For payments made prior to the date of this Agreement, except that withdrawals up to an aggregate amount not to exceed two million Dollars (USD 2,000,000) may be made for payments made up to twelve months prior to the date of the signature of this Agreement for Eligible Expenditures under Category 1.

(b) For payments under Category (2), (3) and (4) pertaining to Part B of the Project, unless the new IEPI has been established, and all processes required under the Borrower’s laws and regulations for IEPI’s operation have been completed, and the agency has appropriate mandate, staff and other resources in place with operational capacity satisfactory to the Bank.

(c) For payments made for Eligible Expenditures under Category (1) unless evidence has been furnished to the Bank of compliance with (i) the Disbursement-Linked Indicators and the respective validation carried out by independent auditors, as referred to in Schedule 4 to this Agreement as applicable to the Eligible Expenditures Programs, and (ii) the pertinent conditions/provisions set forth in the additional instructions referred to in Section IV.A.1. of this Schedule.

(d) For payments under Category (3) and (4), unless the Borrower has adopted, in accordance with Section I. B. of Schedule 2 of this Agreement, the Grant Implementation Manual and the PPPs Implementation Manual, respectively, acceptable to the Bank.

2. If, at any time, the Bank determines that any portion of the amounts disbursed by the Borrower under Category (1) was made: (a) for expenditures which are not eligible under the EEPs; or (b) not in compliance with the provisions of this Section B; the Borrower shall promptly refund any such amount to the Bank as the Bank shall specify by notice to the Borrower.

3. Notwithstanding the foregoing, for purposes of Category (1), if one or more of the DLIs provided for in the disbursement conditions above have not been achieved by their due dates, as agreed with the Bank, the Bank at its sole discretion may:

a) At a later date, if an when the Bank is satisfied that the respective DLI have been achieved, authorize the withdrawal of the Loan proceeds so withheld; or

b) At any time, by notice to the Borrower: (i) cancel the corresponding amount of the Loan withheld or (ii) reallocate said amounts to other DLIs.

4. The Closing Date is June 30, 2020.
SCHEDULE 3

Amortization Schedule

1. The following table sets forth the Principal Payment Dates of the Loan and the percentage of the total principal amount of the Loan payable on each Principal Payment Date ("Installment Share"). If the proceeds of the Loan have been fully withdrawn as of the first Principal Payment Date, the principal amount of the Loan repayable by the Borrower on each Principal Payment Date shall be determined by the Bank by multiplying: (a) Withdrawn Loan Balance as of the first Principal Payment Date; by (b) the Installment Share for each Principal Payment Date, such repayable amount to be adjusted, as necessary, to deduct any amounts referred to in paragraph 4 of this Schedule, to which a Currency Conversion applies.

2. If the proceeds of the Loan have not been fully withdrawn as of the first Principal Payment Date, the principal amount of the Loan repayable by the Borrower on each Principal Payment Date shall be determined as follows:

   (a) To the extent that any proceeds of the Loan have been withdrawn as of the first Principal Payment Date, the Borrower shall repay the Withdrawn Loan Balance as of such date in accordance with paragraph 1 of this Schedule.

   (b) Any amount withdrawn after the first Principal Payment Date shall be repaid on each Principal Payment Date falling after the date of such withdrawal in amounts determined by the Bank by multiplying the amount of each such withdrawal by a fraction, the numerator of which is the original Installment Share specified in the table in paragraph 1 of this Schedule for said Principal Payment Date ("Original Installment Share") and the denominator of which is the sum of all remaining Original Installment Shares for Principal Payment Dates falling on or after such date, such amounts repayable to be adjusted, as necessary, to deduct any amounts referred to in paragraph 4 of this Schedule, to which a Currency Conversion applies.

3. (a) Amounts of the Loan withdrawn within two calendar months prior to any Principal Payment Date shall, for the purposes solely of calculating the principal amounts payable on any Principal Payment Date, be treated as withdrawn and outstanding on the second Principal Payment Date following the date of withdrawal and shall be repayable on each Principal Payment Date commencing with the second Principal Payment Date following the date of withdrawal.
(b) Notwithstanding the provisions of sub-paragraph (a) of this paragraph, if at any
time the Bank adopts a due date billing system under which invoices are issued
on or after the respective Principal Payment Date, the provisions of such sub-
paragraph shall no longer apply to any withdrawals made after the adoption of
such billing system.

4. Notwithstanding the provisions of paragraphs 1 and 2 of this Schedule, upon a Currency
Conversion of all or any portion of the Withdrawn Loan Balance to an Approved
Currency, the amount so converted in the Approved Currency that is repayable on any
Principal Payment Date occurring during the Conversion Period, shall be determined by
the Bank by multiplying such amount in its currency of denomination immediately prior
to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in
the Approved Currency payable by the Bank under the Currency Hedge Transaction
relating to the Conversion; or (ii) if the Bank so determines in accordance with the
Conversion Guidelines, the exchange rate component of the Screen Rate.

5. If the Withdrawn Loan Balance is denominated in more than one Loan Currency, the
provisions of this Schedule shall apply separately to the amount denominated in each
Loan Currency, so as to produce a separate amortization schedule for each such amount.
