REPUBLIC OF CAMEROON

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated January 29, 2010
FINANCING AGREEMENT

AGREEMENT dated January 29, 2010, entered into between REPUBLIC OF CAMEROON ("Recipient") and INTERNATIONAL DEVELOPMENT ASSOCIATION ("Association"). The Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a credit in an amount equivalent to six million four hundred thousand Special Drawing Rights (SDR 6,400,000) (variously, "Credit" and "Financing") to assist in financing the project described in Schedule I to this Agreement ("Project").

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance shall be equal to three-fourths of one percent (3/4 of 1%) per annum.

2.05. The Payment Dates are January 1st and July 1st in each year.

2.06. The principal amount of the Credit shall be repaid in accordance with the repayment schedule set forth in Schedule 3 to this Agreement.
2.07. The Payment Currency is the Euro.

ARTICLE III — PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project and the Program. To this end, the Recipient shall carry out the Project in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE ASSOCIATION

4.01. The Additional Event of Suspension consists of the following:

(a) As a result of events which have occurred after the date of this Agreement, an extraordinary situation has arisen which makes it improbable that the Program can be carried out.

4.02. The Additional Event of Acceleration consists of the following:

(a) The event specified in Section 4.01 of this Agreement occurs.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Conditions of Effectiveness consist of the following:

(a) The Recipient has established the Steering Committee, the Project Coordination Unit and the CAB Technical Committee, each with functions, members and resources satisfactory to the Association.

(b) The Recipient has established a computerized information system for the financial management of the Project in the Project Coordination Unit, in a manner satisfactory to the Association.

(c) The Recipient has adopted a Project Implementation Manual in form and substance satisfactory to the Association.
5.02. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

5.03. For purposes of Section 8.05 (b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for payment obligations) shall terminate is twenty years after the date of this Agreement.
ARTICLE VI — REPRESENTATIVE; ADDRESSES

SCHEDULE 1

Project Description

The objective of the Project is to contribute to increase the geographical reach and usage of regional broadband network services and reduce their prices.

The Project constitutes part of the first phase of the Program, and consists of the following parts:

Part 1: Enabling Environment

Implementation of a program, including technical advisory services, training and equipments, to support:

(a) the modernization and harmonization of the national legal, regulatory and institutional frameworks for electronic communication services and the development of an information communication technology (ICT) legislation;

(b) the capacity strengthening of key public sector stakeholders, including to support the development of regulatory tools, the increase of ICT access in remote areas, the design of spectrum management and monitoring framework and bidding documents;

(c) the promotion of a pro-competitive environment and restructuring of incumbent operators, including through further liberalization of the sector, the promotion and establishment of public private partnerships, and the definition and implementation of restructuring options and privatization of incumbent operators;

(d) the establishment and equipment of national and regional internet exchange points; and

(e) the structuring and start-up activities required for the establishment of regional networks interconnected to the existing fiber-optic network laid along the Chad-Cameroon oil pipeline, including environmental and social management assessments and plans.

Part 2: e-Government and flagship ICT applications

Implementation of a program, including technical advisory services, training and equipments, to support:
(a) the design and implementation of a management policy for the "cm" domain name;

(b) the design and development of a policy of on-line local content in the cultural and touristic areas, which relies on the history of the Recipient;

(c) the identification of a governmental web portal strategy, to federate all online public services, inform citizens on essential administrative procedures, the state of the administration and the needs of citizens and companies, and design and develop the Government's intranet.

Part 3: Project Management

Support to the national entities involved in the implementation and coordination of the Project, including communication campaigns.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

The Recipient shall, throughout the implementation of the Project, maintain the following implementation and coordination arrangements:

(1) **Ministry of Post and Telecommunications**

The Ministry of Post and Telecommunications shall be responsible for the overall coordination, implementation and supervision of the Project.

(2) **Steering Committee**

(a) The Recipient shall establish and thereafter maintain a steering committee (the “Steering Committee”) headed by the Recipient’s Minister responsible for telecommunications or its representative, with functions and membership satisfactory to the Association.

(b) Without limitation to the provisions of paragraph (a) above, the Steering Committee shall provide guidance on coordination of cross-sectoral activities, review progress in Project implementation, ensure consistency of the Project with the national ICT policy, approve annual work programs and budgets.

(c) Without limitation to the provisions of paragraph (a) above, the Steering Committee shall include representatives of the Recipient’s Ministry of Finance, Ministry of Economy, Programming and Regional Development, Telecommunication Regulatory Agency, National ICT Agency, other entities involved in the implementation of the Project, and the Project Coordinator.
(3) Project Coordination Unit

a) The Recipient shall establish and thereafter maintain a coordination unit (the “Project Coordination Unit”) within the Ministry of Post and Telecommunications, with terms of reference satisfactory to the Association.

b) Without limitation to the provisions of paragraph (a) above, the Project Coordination Unit shall be responsible for the day-to-day implementation and coordination of the Project activities with the support of the CAB Technical Committee, and fiduciary management of the Project (including through the preparation and implementation of annual work programs and budgets).

c) Without limitation to the provisions of paragraph (a) above, the Project Coordination Unit shall include a Project Coordinator, a procurement specialist, a financial manager, an accountant, an internal auditor, and on an as-needed basis an environmental and social management specialist and a technical expert on backbone issues.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Project Staff and Manual

(a) The Recipient shall maintain, throughout the implementation of the Project, sufficient resources and staff with experience and qualification satisfactory to the Association, for the performance of its obligations under this Agreement and the achievement of the objectives of the Project.

(b) The Recipient shall ensure that, throughout the implementation of the Project, the Project shall be carried out in accordance with the provisions of the Project Implementation Manual.

(c) Unless the Recipient and the Association shall otherwise agree, the Recipient shall not amend modify or waive any provision of the Project Implementation Manual which, in the opinion of the Association, could have a material adverse effect to the implementation of the Project or the achievement of its objective.
(d) Notwithstanding the foregoing, in the event of any inconsistency between the provisions of the Project Implementation Manual and this Agreement, the provisions of this Agreement shall prevail.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

(i) On the Closing Date, the number of internet users per 100 inhabitants is 4.5.

(ii) On the Closing Date, the total tele-density (active fixed and mobile subscribers per 100 inhabitants) is 70.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than September 15, 2016.

3. Thirty (30) months after the Effective Date, or such later date as may be agreed upon by the Recipient and the Association, the Recipient shall, in conjunction with the Association, carry out a mid-term review of the Project (the “Mid-term Review”), covering the progress achieved in the implementation of the Project. The Recipient shall prepare, under terms of reference satisfactory to the Association, and furnish to the Association not less than three (3) months prior to the beginning of the Mid-term Review, or on such later date agreed upon with the Association in writing, a report integrating the results of the monitoring and evaluation activities performed pursuant to this Agreement, on the progress achieved in the carrying out of the Project during the period preceding the date of such report, and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objective of the Project during the period following such date. Following the Mid-term Review, the
Recipient shall act promptly and diligently in order to take, or cause to be taken, any corrective action deemed necessary by the Association to remedy any shortcoming noted in the carrying out of the Project in furtherance of the objectives of the Project.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without prejudice to the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

4. No later than four (4) months after the Effective Date, the Recipient shall have recruited an external independent auditor selected in accordance with the provisions of Section III of this Schedule, for the purpose of, inter alia, carrying out the financial audits referred to in Paragraph 3 above.

Section III. Procurement

A. General

1. Goods and Works. All goods and Works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.
2. **Consultants’ Services.** All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods and Works**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods and Works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and Works. The Procurement Plan shall specify the circumstances under which such methods may be used:

<table>
<thead>
<tr>
<th>Procurement Method</th>

</tbody>
</table>

The procedures to be followed for National Competitive Bidding shall be those set forth in the Recipient’s Procurement Code of September 24, 2004 as revised from time to time in a manner deemed acceptable to the Association, subject, however, to the modifications described in the following paragraphs required for compliance with the Procurement Guidelines.
(i) Each bidding document and contract financed out of the proceeds of the Financing shall provide that the bidders, suppliers, contractors and subcontractors shall permit the Association, at its request, to inspect their accounts and records related to bid submission and performance of the contract, and to have said accounts audited by auditors appointed by the Association; and the deliberate and material violation of such provision may amount to obstructive practice as defined in the Procurement Guidelines;

(ii) The invitation to bid shall be advertised in national newspapers with wide circulation;

(iii) The bid evaluation, qualification of bidders and contract award criteria shall be clearly indicated in the bidding documents;

(iv) The bidders shall be given adequate response time (at least four weeks from the date of the invitation to bid or the date of availability of a bidding document, whichever is later) to prepare and submit their bids;

(v) The contracts shall be awarded for the lowest qualified bid;

(vi) The eligible bidders, including foreign bidders, shall not be precluded from participating; and

(vii) No preference margin shall be granted to domestic contractors and domestically manufactured goods.

C. Particular Methods of Procurement of Consultants' Services

1. Quality- and Cost-based Selection. Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. Other Methods of Procurement of Consultants' Services. The following table specifies methods of procurement, other than Quality and Cost-based Selection, which may be used for consultants' services. The Procurement Plan shall specify the circumstances under which such methods may be used.

3. **Training.** Training shall be carried out on the basis of annual programs and budgets, which shall have been approved by the Association, and which shall, *inter alia*, identify: (a) particulars of the training envisaged; (b) the personnel to be trained; (c) the selection method of the institution or individuals conducting such training; (d) the institution conducting such training if identified; (e) the purpose and justification for such training; (f) the location and duration of the proposed training; and (g) the estimate of the cost of such training.

D. **Review by the Association of Procurement Decisions**

The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.

**Section IV. Withdrawal of the Proceeds of the Financing**

A. **General**

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.
2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Financing ("Category"), the allocations of the amounts of the Financing to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

<td>700,000</td>
<td>Amount payable pursuant to Section 2.07 of the General Conditions</td>
</tr>
</tbody>
</table>

TOTAL AMOUNT: 6,400,000

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made for payments made prior to the date of this Agreement.

2. The Closing Date is March 15, 2016.

Section V. Other Commitments

1. (i) expenditures for the operation of the Steering Committee, the CAB Technical Committee, and the ad hoc procurement commission to be established within the Ministry of Posts and Telecommunications for the purpose of the Project, including the fees paid to their members, (ii) the Project communication expenditures, excluding consultants’ services, and (iii) the fees paid to the Project Coordinator, are not Eligible Expenditures for a financing by the Credit. If said expenditures are incurred for the implementation of the Project, they shall be financed from other funds of the Recipient.
2. The Recipient shall open an account (the “Project Account”) in a commercial bank acceptable to the Association, under terms and conditions satisfactory to the Association.

3. The Recipient shall deposit on the Project Account an aggregate amount of 244,000,000 CFA Francs as Recipient’s counterpart funds, on an as needed basis for the financing of non Eligible Expenditures referred to in Paragraph 1 above.
