Re: IDA Credit No. 5671-BF
(Regional Trade Facilitation and Competitiveness Development Policy Credit)
Section 5.01 of the General Conditions
Financial and Economic Data

Dear Sirs:

In connection with the Financing Agreement (Financing Agreement) of this date between
Burkina Faso (the Member Country) and the International Development Association (the
Association) providing for the above-captioned financing (the Financing), and the General
Conditions (the General Conditions) made applicable to the Financing Agreement, I am writing on
behalf of the Member Country to set forth the following:

1. We understand and agree that, for purposes of Section 5.01 of the General Conditions, the
Member Country is required by the Association:

   (a) to report “long-term external debt” (as defined in the World Bank’s Debtor
       Reporting System Manual, dated January 2000 (DRSM)), in accordance with the DRSM, and in
       particular, to notify the Association of new “loan commitments” (as defined in the DRSM) not later
       than 30 days after the end of the quarter during which the debt is incurred, and to notify the
       Association of “transactions under loans” (as defined in the DRSM) once a year, not later than
       March 31 of the year following the year covered by the report; and

   (b) to: (i) notify the Association at least three months prior to incurring any non-
       concessional long-term external debt, of its intention to incur such debt, together with the proposed
       terms of such debt; and (ii) afford the Association a reasonable opportunity to exchange views with
       the Member Country on the matter. For purposes of this paragraph, “non-concessional long-term
       external debt” means any long-term external debt (as defined in the DRSM), but excluding private
debt (as so defined), with an estimated grant element (GE) calculated in the manner published from
time to time by the Association (see, www.worldbank.org/ida under “reports”) of less than (i) 35%
or (ii) the GE for determining concessionality established by the International Monetary Fund in
any Extended Credit Facility arrangement, Standby Credit Facility or Policy Support Instrument
with the Member Country in effect at the time of such notice, whichever is higher.
2. We represent that no defaults exist in respect of any external debt (as defined in the DRSM). It is our understanding that, in making the Financing, the Association may rely on the representations set forth or referred to in this letter.

3. Please confirm your agreement to the foregoing by having a duly authorized representative of the Association sign in the space provided below.

Very truly yours,

BURKINA FASO
