SCHEDULE 1

Project Description

The objective of the Project is to strengthen the Participating Institutions to produce more employable and high quality engineers, and prepare more post-graduate students to reduce faculty shortage.

The Project is part of a long-term program of the Recipient designed in pursuance of the Recipient’s National Policy on Education (NPE - 1986 as revised in 1992) whose objective is to improve the quality of technical/engineering education including, inter alia, through: (i) creating an environment in which engineering education institutions can achieve and sustain academic excellence; (ii) supporting competitively selected institutions to achieve higher levels of academic and research and development performance, and (iii) supporting improvements in the education system management.

The Project consists of the following parts, subject to such modifications thereof as the Recipient and the Association may agree upon from time to time to achieve such objective:

Part A: Improving Quality of Education in Participating Institutions

The carrying out of Institutional Development Subprojects selected according to the criteria and procedures set forth in the Project Implementation Plan and comprising, inter alia the following activities:

1. Strengthening Participating Institutions with a view to improving learning outcomes and employability of graduates, and scaling-up post-graduate education, demand-driven research and development and innovation, through, inter alia:

   (a) faculty and staff development;

   (b) enhancing interaction with the Recipient’s productive sectors;

   (c) improving institutional governance, and management and administrative practices that are conducive to academic autonomy;

   (d) implementing relevant institutional reforms;

   (e) improving teaching, training and learning facilities;

   (f) providing academic support to weak students;
(g) increasing enrolment in post-graduate programs, and enhancing research and consultancy activities;

(h) modernizing libraries and other means to access knowledge resources;

(i) enhancing research and development;

(j) developing research interest among degree students;

(k) sharing resources through collaborative arrangements;

(l) modernizing and expanding laboratories; and

(m) establishing inter-disciplinary centers of excellence that conduct applicable thematic research and development in collaboration with industry and other knowledge users, converting research results into applicable technologies and projects, and enhancing collaborative activities with national and international institutions.

2. Faculty development for effective teaching through the provision of pedagogical training to faculty.

Part B: Improving Education System Management

1. Strengthening the education sector’s capacity through, *inter alia*: (a) the establishment of quality assurance practices and the promotion of effective governance in Participating States; (b) the establishment of a task force responsible for strategic planning of technical education in Participating States; (c) the establishment of curriculum development cells and the enhancement of management practices in universities affiliated with Project institutions; (d) the sharing of best practices with non-Participating Institutions; and (e) the organizing of professional development programs for policy planners and administrators.

2. Improving the education system’s management, monitoring and evaluation capacity of Participating States, Participating Institutions and the IT through, *inter alia*: (a) the establishment and operation of Project management units at the national and State levels; (b) the establishment of an education management information system; (c) the carrying out of stakeholder satisfaction surveys, performance and fiduciary audits, and impact assessment studies; and (d) the carrying out of implementation and impact reviews of Institutional Development Subprojects.
Section I. Implementation Arrangements

A. Institutional Arrangements:

At the Central Level

1. Without limitation upon the provisions of Section 3.01 of this Agreement, the Recipient, through MHRD, shall:

   (a) cause each Participating State, through the State-Sponsored Participating Institution; and

   (b) cause each Centrally-Sponsored Participating Institution;

   to carry out the Project in accordance with the Project Implementation Plan. In case of any conflict between the terms of the Project Implementation Plan and those of this Agreement, the terms of this Agreement shall prevail.

2. The Recipient, through MHRD, shall:

   (a) maintain a project implementation plan, satisfactory to the Association, containing, *inter alia*, specific provisions on detailed arrangements for the carrying out of the Project, including:

      (i) the procurement, financial management and disbursement requirements thereof;

      (ii) action plans for Project implementation;

      (iii) the detailed criteria for the identification and selection of the Participating States and Participating Institutions;

      (iv) the EMF, the EAP, the Procurement Plan, the Procurement Manual and the Financial Management Manual;

      (v) the agreed MHRD MOU and State MOU model drafts; and

      (vi) the Key Performance Indicators.

   (b) maintain, at all times during Project implementation, a fully operational implementation team, with functions and responsibilities agreed with the
Association, including, *inter alia*, the responsibility of said team to coordinate and monitor the carrying out of the Project;

(c) ensure that the IT is: (i) at all times during Project implementation, led by a central Project advisor and is assisted by adequate professional and administrative staff (including procurement, financial management specialists), in numbers and with experience and qualifications agreed with the Association, operating under terms of reference satisfactory to the Association; and (ii) not frequently replaced during the period of Project implementation;

(d) maintain at all times during Project implementation a National Steering Committee, with responsibilities and functions agreed with the Association, including, *inter alia*, overseeing overall Project implementation;

(e) maintain at all times during Project implementation, a National Project Directorate within MHRD’s Department of Higher Education, with responsibilities and functions agreed with the Association, including, *inter alia*, monitoring overall utilization of Project funds, participating in Project review missions and organizing the meetings of the National Steering Committee;

(f) ensure that the selection of the Participating States, the Centrally-Sponsored Participating Institutions and the State-Sponsored Participating Institutions to benefit under the Project is transparent and in accordance with the agreed eligibility criteria and selection process set forth in the PIP; and

(g) enforce the eligibility criteria for Participating States set forth in the PIP and shall only allow to participate in the Project those States which adequately demonstrate preparedness to carry out all such reforms as are required by the eligibility criteria and which meet the criteria in all respects;

3. Without limitation upon the provisions of paragraph 2 above, the Recipient, through MHRD, shall:

(a) make part of the proceeds of the Financing available to each of the Participating States and each of the Centrally-Sponsored Participating Institutions under an agreement (MOU) between MHRD and the respective Participating States and Centrally Sponsored Participating Institutions, under terms and conditions agreed with the Association, which shall include, *inter alia*, their obligation to: (a) carry out the Project in accordance with the PIP, the EMF, the EAP and the Anti-
Corruption Guidelines; (b) maintain, on behalf of the Recipient, records and accounts adequate to reflect the operations, resources and expenditures under the Project; (c) grant the Association the right to examine and audit such records and accounts; (d) refund to the Association any portion of the Financing which the Association may have found to be ineligible for funding under the Project; and (e) enable the Recipient, through MHRD, to comply with its obligations under this Agreement; and

(b) exercise its rights under the relevant MOU in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient, through MHRD, shall not assign, amend, abrogate, waive or fail to enforce any MOU or any of its provisions.

4. The Recipient agrees that no Institutional Development Subproject shall be eligible for financing out of the proceeds of the Financing unless such Subproject has been prepared in accordance with the requirements set forth in the PIP, and the respective MHRD MOU and State MOU have been duly executed.

At the State Level

5. The Recipient, through MHRD, shall cause each Participating State to:

(a) maintain, at all times during Project implementation, a fully operational project facilitation unit, with functions and responsibilities agreed with the Association, including, inter alia, the responsibility of said unit to avoid frequent staff turnover, and to facilitate and monitor the carrying out of the Project in each of the State-Sponsored Participating Institutions;

(b) enforce the eligibility criteria for the State-Sponsored Participating Institutions agreed between the Recipient and the Association, set forth in the PIP, and ensure that only institutions which meet the criteria in all material respects are considered under the Project;

(c) make part of the proceeds of the Financing available to each State-Sponsored Participating Institution under an agreement (MOU) between the Participating State and the respective State-Sponsored Participating Institution, under terms and conditions agreed with the Association, which shall include, inter alia, the State-Sponsored Participating Institutions’ obligation to: (a) carry out the Project in accordance with the PIP, the EMF, the EAP and the Anti-Corruption Guidelines; (b) maintain, on behalf of the Recipient and the Participating State, records and accounts adequate to reflect the operations, resources and
expenditures under the Project; (c) grant the Association the right to examine and audit such records and accounts; (d) refund to the Association any portion of the Financing which the Association may have found to be ineligible for funding under the Project; and (e) enable the Recipient, through MHRD, and the respective Participating State to comply with its obligations under this Agreement; and

(d) exercise its rights under the relevant MOU in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient, through MHRD, shall not assign, amend, abrogate, waive or fail to enforce any MOU or any of its provisions.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Safeguards

The Recipient, through MHRD, shall cause each Participating State and each Participating Institution to:

(a) carry out the Project in accordance with the agreed EMF and the EAP in a manner satisfactory to the Association;

(b) implement mitigation measures set forth in the EMF and the EAP in a manner satisfactory to the Association; and

(c) ensure that the environmental and social screening criteria provided for under the EMF and the EAP are updated regularly, and are at all times consistently and satisfactory applied.

Section II. Project Reporting, Monitoring and Evaluation

A. Project Reports

The Recipient, through MHRD, shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the Key Performance Indicators. Each Project Report shall cover the period of six (6) months of Project Implementation, and shall be furnished to the Association not later than three (3) months after the end of the period covered by such report.
B. Financial Management, Financial Reports and Audits

1. The Recipient, through MHRD, shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient, through MHRD, shall prepare and furnish to the Association not later than forty-five (45) days after the end of each Financial Year quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient, through MHRD, shall have the Project’s Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) Financial Year of the Recipient, commencing with the Financial Year in which the first withdrawal under the Project was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods, and modernization and expansion works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods and Works

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and modernization and expansion works shall be procured under contracts awarded on the basis of International Competitive
Bidding, subject to the additional provisions agreed upon from time to time between the Recipient and the Association.

2. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and modernization and expansion works. The Procurement Plan shall specify the circumstances under which such methods may be used:
