Excellency:

I refer to the Finance Agreement between the International Development Association (the “Association”) the Republic of Liberia (“Recipient”) for the above-referenced project dated September 17, 2014. The Agreement provides that the World Bank may issue additional instructions regarding the withdrawal of the proceeds of financing IDA H9910 – LR (“Financing”). This letter (“Disbursement Letter”), as revised from time to time, constitutes the additional instructions.

This letter is the First Amendment to the disbursement letter dated September 17, 2014 making the following change:

Funds from the Designated Account may be transferred to Transactions Accounts, opened in an acceptable Commercial Bank, to meet eligible expenditures, provided that transactions and balance in these accounts are included in all project financial reports.

All other provisions in the original disbursement letter remain the same.
