1.2. Design of adaptation measures including: (a) creation of technical and engineering designs; (b) creation of environmental and social management plans; (c) organization of community participation campaigns; (d) establishment of a monitoring and evaluation system to measure the impacts of adopted measures; and (e) establishment and adoption of plans and cooperation agreements by the Participating Countries with local and regional institutions and agencies for the implementation of the respective adaptation measures.

Part 2. Implementation of Selected Adaptation Measures in Participating Countries

2.1. Coordination and implementation of selected adaptation measures in seven sites within the Participating Countries, including: (a) provision of required data by MRI for analyzing the pressures on biodiversity and land degradation from anticipated climate projections; and (b) carrying out of in-country coordination and supervision by each Participating Country on the implementation of the relevant adaptation measures in consultation with local communities.

The Recipient shall ensure that adequate provision is made for the insurance of any goods required for the Project and to be financed out of the proceeds of the Grant, against hazards incident to the acquisition, transportation and delivery of the goods to the place of their use or installation. Any indemnity for such insurance shall be payable in a freely usable currency to replace or repair such goods.
Section 2.03. *Land Acquisition.* The Recipient shall ensure that all action is taken to acquire as and when needed all land and rights to land that are required to carry out the Project and shall promptly furnish to the World Bank, upon its request, evidence satisfactory to the World Bank that such land and rights are available for the Project.

Section 2.04. *Use of Goods, Works and Services; Maintenance of Facilities.* The Recipient shall ensure that:

(a) except as the World Bank shall otherwise agree, all goods, works and services financed out of the proceeds of the Grant are used exclusively for the purposes of the Project; and

(b) all facilities relevant to the Project are at all times properly operated and maintained and all necessary repairs and renewals of such facilities are made promptly as needed.

Section 2.05. *Documents; Records.* The Recipient shall ensure that:

(a) all documents related to the Project are promptly furnished to the World Bank upon its request, in such detail as the World Bank shall reasonably request;

(b) records are maintained adequate to record the progress of the Project (including its cost and the benefits to be derived from it), to identify the goods, works and services financed out of the proceeds of the Grant and to disclose their use in the Project, and such records are furnished to the World Bank promptly upon its request;

(c) all records evidencing expenditures under the Project are retained until at least: (i) two years after the Closing Date (as defined below in Section 3.06 (c)); or (ii) if the World Bank requires audits of the Recipient’s Financial Statements pursuant to Section 2.07 (b) below, the later of: (A) one year after the World Bank has received the audited Financial Statements covering the period during which the last withdrawal from the Grant Account was made; and (B) two years after the Closing Date; and

(d) the representatives of the World Bank are able to examine all records referred to above in (b) and (c), and are provided all such information concerning such records as they may from time to time reasonably request.

Section 2.06. *Project Monitoring and Evaluation.* The Recipient shall:

(a) ensure the maintenance of policies and procedures adequate to enable it to monitor and evaluate on an ongoing basis, in accordance with indicators acceptable to the World Bank, the progress of the Project and the achievement of its objectives; and

(b) if so required in accordance with the provisions of the Grant Agreement:
(i) ensure the preparation of periodic reports ("Project Report"), in form and substance satisfactory to the World Bank, integrating the results of such monitoring and evaluation activities and setting out measures recommended by the Recipient to ensure the continued efficient and effective execution of the Project, and to achieve the Project’s objectives; each Project Report to cover the period specified in the Grant Agreement and to be furnished to the World Bank not later than the date specified for that purpose in the Grant Agreement; and (B) afford the World Bank a reasonable opportunity to exchange views with the Recipient on such report, and thereafter implement such recommended measures, taking into account the World Bank’s views on the matter; and

(ii) ensure the preparation of, and furnish to the World Bank not later than the date specified for that purpose in the Grant Agreement: (A) a report, of such scope and in such detail as the World Bank shall reasonably request, on the execution of the Project, the performance by the Recipient and the World Bank of their respective obligations under the Grant Agreement and the accomplishment of the purposes of the Grant; and (B) a plan designed to ensure the sustainability of the Project’s achievements ("Recipient’s Completion Report").

Section 2.07. Financial Management; Financial Statements; Audits. The Recipient shall ensure that:

(a) a financial management system is maintained and financial statements ("Financial Statements") are prepared in accordance with consistently applied accounting standards acceptable to the World Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Project; and

(b) if so required in accordance with the provisions of the Grant Agreement: (i) the Financial Statements are periodically audited by independent auditors acceptable to the World Bank, in accordance with consistently applied auditing standards acceptable to the World Bank; and (ii) the Financial Statements, as so audited, are furnished to the World Bank not later than the date specified in the Grant Agreement for that purpose, together with such other information concerning the audited Financial Statements and such auditors, as the World Bank may from time to time reasonably request.

Section 2.08. Cooperation and Consultation. The Recipient and the World Bank shall cooperate fully to assure that the purposes of the Grant and the objectives of the Project will be accomplished, and to this end, throughout the implementation of the Project and for a period of ten years thereafter:
(a) from time to time, at the request of either of them, exchange views on the Project, the Grant, and the performance of their respective obligations under the Grant Agreement, and furnish to the other party all such information related to such matters as it shall reasonably request; and

(b) promptly inform the other party of any condition which interferes with, or threatens to interfere with, such matters.

Section 2.09. Visits. The Recipient shall, throughout the implementation of the Project and for a period of ten years thereafter:

(a) if it is the member of the World Bank in whose territory the Project is carried out or any of such member’s political or administrative subdivisions (“Member Country”), enable the representatives of the World Bank to visit any part of its territory for purposes related to the Grant;

(b) if it is not the Member Country, take all measures required on its part to enable the World Bank to visit any part of the Member Country’s territory for purposes related to the Grant; and

(c) enable the World Bank’s representatives: (i) to visit any facilities and sites included in the Project; and (ii) to examine the goods financed out of the proceeds of the Grant, and any documents relevant to the performance of its obligations under the Grant Agreement.

ARTICLE III
Withdrawal of Grant Proceeds

Section 3.01. Grant Account; Withdrawals Generally; Currency of Withdrawals.

(a) The World Bank shall credit the amount of the Grant in the currency of denomination of the Grant to an account opened in its books in the name of the Recipient (“Grant Account”). The Recipient may from time to time request withdrawals of amounts of the Grant from the Grant Account in accordance with the provisions of the Grant Agreement and of these Standard Conditions.

(b) Withdrawals of the proceeds of the Grant from the Grant Account shall be made in the currency of denomination of the Grant. The World Bank may, at the request and acting as an agent of the Recipient, and on such terms and conditions as the World Bank shall determine, purchase with such currency withdrawn from the Grant Account such other currencies as the Recipient shall reasonably request to meet payments for Eligible Expenditures (as defined in Section 3.06). Whenever it shall be necessary for the purpose of the Grant Agreement or these Standard Conditions to determine the value of one currency in terms of another, such value shall be as reasonably determined by the World Bank.
Section 3.02. Funding Shortfall. Notwithstanding the provisions of Section 3.01, no withdrawals shall be made if, as a result of such withdrawal, the total amount of the Grant withdrawn from the Grant Account would exceed the amount available to the World Bank from resources provided to it for purposes of the Grant.

Section 3.03. Special Commitment by the World Bank. At the Recipient’s request and on such terms and conditions as the Recipient and the World Bank shall agree, the World Bank may enter into special commitments in writing to pay amounts for Eligible Expenditures notwithstanding any subsequent suspension or cancellation of an amount of the Grant (“Special Commitment”).

Section 3.04. Applications; Supporting Evidence.

(a) When the Recipient wishes to withdraw an amount from the Grant Account or to request the World Bank to enter into a Special Commitment, the Recipient shall deliver to the World Bank a written application for the purpose in such form and substance as the World Bank shall reasonably request (“Application”).

(b) The Recipient shall furnish to the World Bank: (i) evidence satisfactory to the World Bank of the authority of the person or persons authorized to sign each Application and the authenticated specimen signature of each such person; and (ii) such documents and other evidence in support of each Application as the World Bank shall specify, whether before or after the World Bank has permitted any withdrawal requested in the Application (“Supporting Evidence”).

(c) Each Application for an amount of the Grant, and its Supporting Evidence, must be sufficient in form and substance to satisfy the World Bank that the Recipient is entitled to withdraw such amount from the Grant Account, and that such amount will be used only for the purposes specified in the Grant Agreement. Applications shall be made promptly in relation to Eligible Expenditures.

(d) The World Bank shall pay the amounts withdrawn by the Recipient from the Grant Account only to, or on the order of, the Recipient.

Section 3.05. Designated Accounts.

(a) The Recipient may open and maintain one or more designated accounts into which the World Bank may, at the request of the Recipient, deposit amounts withdrawn from the Grant Account as advances for purposes of the Project (“Designated Accounts”). All Designated Accounts shall be opened in a financial institution acceptable to the World Bank, and on terms and conditions acceptable to the World Bank.
(b) Deposits into, and payments out of, any Designated Account shall be made in accordance with the Grant Agreement and these Standard Conditions and such additional instructions as the World Bank may specify from time to time by notice to the Recipient. The World Bank may, in accordance with the Grant Agreement and such instructions, cease making deposits into any such account upon notice to the Recipient. In such case, the World Bank shall notify the Recipient of the procedures to be used for subsequent withdrawals from the Grant Account.

Section 3.06. Eligible Expenditures. The Recipient shall ensure that the proceeds of the Grant are used exclusively to finance expenditures which, except as otherwise provided in the Grant Agreement, satisfy the following requirements (“Eligible Expenditures”):

(a) the payment is for the reasonable cost of goods, works or services required for the Project, to be financed out of the proceeds of the Grant and procured, all in accordance with the provisions of the Grant Agreement;

(b) the payment is not prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations; and

(c) the payment: (i) is made on or after the date specified in the Grant Agreement for that purpose; and (ii) except as the World Bank may otherwise agree, is for expenditures incurred prior to the date specified in the Grant Agreement (or such later date as the World Bank shall establish by notice to the Recipient) after which the World Bank may, by notice to the Recipient, terminate the right of the Recipient to withdraw from the Grant Account (“Closing Date”).

Section 3.07. Financing Taxes.

(a) The Grant Agreement may specify that the proceeds of the Grant may not be withdrawn to pay for taxes, imposts, levies, fees or duties of any nature (“Taxes”) levied by, or in the territory of, the Member Country on or in respect of Eligible Expenditures, or on their importation, manufacture, procurement or supply. In such case, if the amount of any such Taxes decreases or increases, the World Bank may, by notice to the Recipient, adjust the percentage of such Eligible Expenditures to be financed out of the proceeds of the Grant specified in the Grant Agreement, as required to ensure consistency with such limitation on withdrawals.

(b) In the absence of such specification, the use of any proceeds of the Grant to pay for such Taxes is nevertheless subject to the World Bank’s policy of requiring economy and efficiency in the use of the proceeds of its credits and grants. To that end, if the World Bank at any time determines that the amount of any such Tax is excessive, or that such Tax is discriminatory or otherwise unreasonable, the World Bank may, by notice to the Recipient, adjust the percentage of such Eligible Expenditures to be financed out of the proceeds of the Grant specified in the Grant Agreement, as required to ensure consistency with such policy of the World Bank.
Section 3.08. **Reallocation.** If, in the World Bank’s opinion, an amount of the Grant allocated to a category of Eligible Expenditures under the Grant Agreement will be insufficient to finance the expenditures under such category, the World Bank may, by notice to the Recipient:

(a) reallocate to such category any other amount of the Grant which in the World Bank’s opinion is not needed for other Eligible Expenditures, to the extent required to meet the estimated shortfall; and

(b) if such reallocation will not fully meet the estimated shortfall, reduce the percentage of Eligible Expenditures to be financed under such category, in order that further withdrawals for such expenditures may continue until all such expenditures have been made.

**ARTICLE IV**

**Cancellation; Suspension; Grant Refund**

Section 4.01. **Cancellation by the Recipient.** The Recipient may, by notice to the World Bank, cancel any unwithdrawn amount of the Grant, except that the Recipient may not cancel any such amount that is subject to a Special Commitment.

Section 4.02. **Suspension by the World Bank.** The World Bank may, by notice to the Recipient, suspend the right of the Recipient to make withdrawals from the Grant Account if any of the following events occurs and is continuing. Such suspension shall continue until the World Bank has notified the Recipient that such right to make withdrawals has been restored.

(a) **Interference.** If the Grant has been made to a Recipient which is not the Member Country, the Member Country has: (i) taken or permitted to be taken any action which would prevent or interfere with the execution of the Project or the performance by the Recipient of its obligations under the Grant Agreement; or (ii) failed to afford a reasonable opportunity for representatives of the World Bank to visit any part of its territory for purposes related to the Grant or the Project.

(b) **Performance Failure.** The Recipient has failed to perform any obligation under the Grant Agreement.

(c) **Cross Suspension.** IBRD or IDA has suspended in whole or in part the right of the Recipient (or of the Member Country, if the Recipient is not the Member Country) to make withdrawals under any agreement with IBRD or with IDA because of a failure by the Recipient (or by the Member Country) to perform any of its obligations under such agreement or any other agreement with IBRD or IDA.
(d) **Extraordinary Situation.** As a result of events which have occurred after the date of the Grant Agreement, an extraordinary situation has arisen which makes it improbable that the Project can be carried out or that the Recipient will be able to perform its obligations under the Grant Agreement.

(e) **Misrepresentation.** A representation made by the Recipient in or pursuant to the Grant Agreement, or any representation or statement furnished by the Recipient and intended to be relied upon by the World Bank in making the Grant, was incorrect in any material respect.

(f) **Assignment of Obligations; Disposition of Assets.** The Recipient (or any other entity responsible for implementing any part of the Project) has, without the consent of the World Bank: (i) assigned or transferred, in whole or in part, any of its obligations arising under or entered into pursuant to the Grant Agreement; or (ii) sold, leased, transferred, assigned, or otherwise disposed of any property or assets financed wholly or in part out of the proceeds of the Grant; provided, however, that the provisions of this paragraph shall not apply with respect to transactions in the ordinary course of business which, in the opinion of the World Bank: (A) do not materially and adversely affect the ability of the Recipient (or such other entity) to perform any of its obligations arising under or entered into pursuant to the Grant Agreement or to achieve the objectives of the Project; and (B) if the Grant has been made to a Recipient which is not the Member Country, do not materially and adversely affect the financial condition or operation of the Recipient (or such other entity).

(g) **Membership.** The Member Country: (i) has been suspended from membership in or ceased to be a member of IBRD or of IDA; or (ii) has ceased to be a member of the International Monetary Fund.

(h) **Condition of Recipient.** If the Grant has been made to a Recipient which is not the Member Country:

(i) Any action has been taken for the dissolution, disestablishment or suspension of operations of the Recipient (or of any other entity responsible for implementing any part of the Project).

(ii) The Recipient (or any other entity responsible for implementing any part of the Project) has ceased to exist in the same legal form as that prevailing as of the date of the Grant Agreement.

(iii) In the opinion of the World Bank, the legal character, ownership or control of the Recipient (or of any other entity responsible for implementing any part of the Project) has changed from that prevailing as of the date of the Grant Agreement so as to materially and adversely affect the ability of the Recipient (or such other entity) to perform any of its obligations arising under
or entered into pursuant to the Grant Agreement, or to achieve the objectives of the Project.

(i) **Additional Event.** Any other event specified in the Grant Agreement for the purposes of this Section has occurred (“Additional Event of Suspension”).

Section 4.03. **Cancellation by the World Bank.** The World Bank may, by notice to the Recipient, terminate the right of the Recipient to make withdrawals with respect to an unwithdrawn amount of the Grant, and cancel such amount, if any of the following events occurs with respect to such amount:

(a) **Suspension.** The right of the Recipient to make withdrawals from the Grant Account has been suspended with respect to any amount of the Grant for a continuous period of thirty days.

(b) **Amounts not Required.** The World Bank determines, after consultation with the Recipient, that an amount of the Grant will not be required to finance Eligible Expenditures.

(c) **Misprocurement; Fraud and Corruption.** The World Bank: (i) determines, with respect to any contract to be financed out of the proceeds of the Grant, that (A) the procurement of such contract is inconsistent with the procedures set forth or referred to in the Grant Agreement; or (B) corrupt, fraudulent, collusive or coercive practices were engaged in by representatives of the Recipient (or the Member Country, if the Recipient is not the Member Country, or other recipient of the Grant proceeds) during the procurement or the execution of such contract, without the Recipient (or Member Country or other such recipient) having taken timely and appropriate action satisfactory to the World Bank to remedy the situation; and (ii) establishes the amount of expenditures under such contract which would otherwise have been eligible for financing out of the proceeds of the Grant.

(d) **Closing Date.** After the Closing Date, there remains an unwithdrawn amount of the Grant.

Section 4.04. **Amounts Subject to Special Commitment Unaffected.** No cancellation or suspension by the World Bank shall apply to amounts subject to any Special Commitment, except as expressly provided in the Special Commitment.

Section 4.05. **Grant Refund**

(a) If the World Bank determines that an amount of the Grant has been used in a manner inconsistent with the provisions of the Grant Agreement or these Standard Conditions, the Recipient shall, upon notice by the World Bank to the Recipient, promptly refund such amount to the World Bank. Such inconsistent use shall include, without limitation, use of such amount to: (i) make a payment for an expenditure that is
not an Eligible Expenditure; or (ii) finance a contract during the procurement or execution of which corrupt, fraudulent, collusive or coercive practices were engaged in by representatives of the Recipient (or the Member Country, if the Recipient is not the Member Country, or other recipient of such amount of the Grant), without the Recipient (or Member Country or other such recipient) having taken timely and appropriate action satisfactory to the World Bank to remedy the situation.

(b) Except as the World Bank may otherwise determine, the World Bank shall cancel all amounts refunded pursuant to this Section.

Section 4.06. Continued Effectiveness. Notwithstanding any cancellation, suspension or refund under this Article, all the provisions of the Grant Agreement shall continue in full force and effect, except as specifically provided in these Standard Conditions.

ARTICLE V
Enforceability; Arbitration

Section 5.01. Enforceability. The rights and obligations of the Recipient and the World Bank under the Grant Agreement shall be valid and enforceable in accordance with their terms notwithstanding the law of any state or of any of its political subdivisions to the contrary. Neither the Recipient nor the World Bank shall be entitled in any proceeding under this Article to assert any claim that any provision of these Standard Conditions or of the Grant Agreement is invalid or unenforceable because of any provision of the Articles of Agreement of the World Bank.

Section 5.02. Failure to Exercise Rights. No delay in exercising, or omission to exercise, any right, power or remedy accruing to any party under the Grant Agreement upon any default shall impair any such right, power or remedy or be construed to be a waiver thereof or an acquiescence in such default. No action of such party in respect of any default, or any acquiescence by it in any default, shall affect or impair any right, power or remedy of such party in respect of any other or subsequent default.

Section 5.03. Arbitration. Any controversy between the parties to the Grant Agreement and any claim by any such party against the other arising under the Grant Agreement which has not been settled by agreement of the parties shall be submitted to arbitration by an arbitral tribunal (“Arbitral Tribunal”) as hereinafter provided.

(a) The parties to such arbitration shall be the World Bank on the one side and the Recipient on the other side.

(b) The Arbitral Tribunal shall consist of three arbitrators appointed as follows: (i) one arbitrator shall be appointed by the World Bank; (ii) a second arbitrator shall be appointed by the Recipient; and (iii) the third arbitrator (“Umpire”) shall be appointed by agreement of the parties or, if they do not agree, by the President of the
International Court of Justice or, failing appointment by said President, by the Secretary-General of the United Nations. If either side fails to appoint an arbitrator, such arbitrator shall be appointed by the Umpire. In case any arbitrator appointed in accordance with this Section resigns, dies or becomes unable to act, a successor arbitrator shall be appointed in the same manner as prescribed in this Section for the appointment of the original arbitrator and such successor shall have all the powers and duties of such original arbitrator.

(c) An arbitration proceeding may be instituted under this Section upon notice by the party instituting such proceeding to the other party. Such notice shall contain a statement setting forth the nature of the controversy or claim to be submitted to arbitration, the nature of the relief sought and the name of the arbitrator appointed by the party instituting such proceeding. Within thirty days after such notice, the other party shall notify to the party instituting the proceeding the name of the arbitrator appointed by such other party.

(d) If within sixty days after the notice instituting the arbitration proceeding, the parties have not agreed upon an Umpire, either party may request the appointment of an Umpire as provided in paragraph (b) of this Section.

(e) The Arbitral Tribunal shall convene at such time and place as shall be fixed by the Umpire. Thereafter, the Arbitral Tribunal shall determine where and when it shall sit.

(f) The Arbitral Tribunal shall decide all questions relating to its competence and shall, subject to the provisions of this Section and except as the parties shall otherwise agree, determine its procedure. All decisions of the Arbitral Tribunal shall be by majority vote.

(g) The Arbitral Tribunal shall afford to the parties a fair hearing and shall render its award in writing. Such award may be rendered by default. An award signed by a majority of the Arbitral Tribunal shall constitute the award of the Arbitral Tribunal. A signed counterpart of the award shall be transmitted to each party. Any such award rendered in accordance with the provisions of this Section shall be final and binding upon the parties to the Grant Agreement. Each party shall abide by and comply with any such award rendered by the Arbitral Tribunal in accordance with the provisions of this Section.

(h) The parties shall fix the amount of the remuneration of the arbitrators and such other persons as are required for the conduct of the arbitration proceedings. If the parties do not agree on such amount before the Arbitral Tribunal convenes, the Arbitral Tribunal shall fix such amount as shall be reasonable under the circumstances. Each party shall defray its own expenses in the arbitration proceedings. The costs of the Arbitral Tribunal shall be divided between and borne equally by the parties. Any question concerning the division of the costs of the Arbitral Tribunal or the procedure for payment of such costs shall be determined by the Arbitral Tribunal.
(i) The provisions for arbitration set forth in this Section shall be in lieu of any other procedure for the settlement of controversies between the parties to the Grant Agreement or of any claim by any such party against the other such party arising under the Grant Agreement.

(j) If, within thirty days after counterparts of the award have been delivered to the parties, the award has not been complied with, any party may: (i) enter judgment upon, or institute a proceeding to enforce, the award in any court of competent jurisdiction against any other party; (ii) enforce such judgment by execution; or (iii) pursue any other appropriate remedy against such other party for the enforcement of the award and the provisions of the Grant Agreement. Notwithstanding the foregoing, if the Recipient is the Member Country, this Section shall not authorize any entry of judgment or enforcement of the award against the Recipient except as such procedure may be available otherwise than by reason of the provisions of this Section.

(k) Service of any notice or process in connection with any proceeding under this Section or in connection with any proceeding to enforce any award rendered pursuant to this Section may be made in the manner provided in Section 7.01. The parties to the Grant Agreement waive any and all other requirements for the service of any such notice or process.

ARTICLE VI
Effectiveness; Termination

Section 6.01. Effectiveness. Unless otherwise specified in the Grant Agreement, the Grant Agreement shall become effective on the date as of which it has been executed by all parties to the Grant Agreement.

Section 6.02. Termination. The Grant Agreement and all obligations of the parties under it shall forthwith terminate when all such obligations have been fully performed.

ARTICLE VII

Section 7.01. Notices and Requests. Any notice (or request) pursuant to the Grant Agreement shall be in writing. Such notice (or request) shall be deemed to have been duly given (or made) when it has been delivered by hand or by mail, telex or facsimile (or, if permitted under the Grant Agreement, by other electronic means) to the party to which such notice (or request) is directed (“Addressee”), at the address specified in the Grant Agreement for the purpose (or at such other address as the Addressee shall have designated by notice to the party giving such notice (or making such request)) (“Address”). Deliveries made by facsimile transmission shall also be confirmed by mail.
Section 7.02. *Action on Behalf of the Recipient.* The representative designated by the Recipient in the Grant Agreement, for the purpose of this Section (or any person authorized in writing by such representative for the purpose) (“Recipient’s Representative”), may take any action required or permitted to be taken pursuant to the Grant Agreement, and execute any documents required or permitted to be executed pursuant to the Grant Agreement on behalf of the Recipient.

Section 7.03. *Evidence of Authority.* The Recipient shall furnish to the World Bank: (a) sufficient evidence of the authority of the Recipient’s Representative; and (b) the authenticated specimen signature of such representative.
