SCHEDULE 1

Program Description

The objective of the Program is to increase the volume of added-value products commercialized in Selected Agri-food Value Chains in the Program Area.

The Program consists of the following activities:

Part 1. Increasing Market Efficiency and Integration

Provision of support for the following activities:

(a) strengthening the Borrower’s Interprofessions through the preparation and implementation of their respective business plans, including the preparation and execution of pertinent intra-branch agreements (Accords Interprofessionnels);

(b) supporting the integration of small and medium producers in Selected Agri-food Value Chains and markets through the following activities, including: (i) the revision of the Borrower’s Law No. 04-12 on Agricultural Aggregation dated July 17, 2012 to allow for direct sales of fruit and vegetables from aggregation investments to supermarkets and other modern commercialization platforms; (ii) incentives for investments in value-addition and aggregation in the Selected Agri-food Value Chains under the FDA’s universal support system; and (iii) the piloting of a new support mechanism to support small and medium producers interested in entering into commercial partnerships with buyers, in Selected-Agri-food Value Chains;

(c) modernizing the management of wholesale markets, through, inter alia, the construction and operationalization of a new wholesale market; and

(d) improving access to information through, inter alia: (i) the modernization of the existing Asaar market information platform; (ii) the strengthening of the Borrower’s relevant market price analysis unit(s), and (iii) the development of new ICT tools to increase producers and enterprises’ access to information.

Part 2. Improved Added-value of Agri-food Products

Provision of support for the following activities:

(a) Improving food safety through, inter alia: (i) the carrying out of a census of agri-food enterprises and the provision of advisory services to private operators regarding compliance with food safety requirements and ONSSA’s approval/authorization criteria and processes; (ii) the strengthening of the capacity of ONSSA to carry out its mandate through the carrying out of the activities described in the POM; (iii) the carrying out of awareness campaigns to inform consumers about food safety; (iv) the establishment of an input register for citrus in the Sousse region; and (v) the implementation of the Borrower’s Mediterranean fruit fly control program through, inter alia, the creation of a new facility for the
production of sterile *ceratitis* males and the expansion of the areas covered by releases of sterile males;

(b) promoting quality standards and certification systems through: (i) the provision of technical support to, inter alia: (A) certify new products under Distinctive Signs of Origin and Quality ("SDOQ") schemes; (B) assist producers to adopt good practices required to obtain organic certification; and (C) strengthen the capacity of producers of organic and SDOQ-certified products to implement good hygiene practices and value adding techniques; (ii) the establishment of FDA financial support to producers for the certification cost of organic and SDOQ products; and (iii) the carrying out of awareness campaigns to raise the knowledge among producers and consumers of quality standards and organic and SDOQ products certification systems, including olive oil;

(c) strengthening business development and technical support services for the agri-food sector, through, inter alia, the carrying out of the design, establishment and operation of agri-food innovation centers, including the provision of technical and business development advisory services and training;

(d) financing innovation through the establishment and financing of a competitive innovation grant mechanism in support of innovation by producers and enterprises in the agri-food sector; and

(e) strengthening the capacity of the Borrower’s relevant entities for the implementation, monitoring and evaluation of the Program, including by enhancing the Borrower’s existing monitoring and evaluation system(s).
SCHEDULE 2

Program Execution

Section I. Implementation Arrangements

A. Program Institutions

1. The Borrower shall be responsible for the overall implementation, monitoring and evaluation of the Program. To this end, the Borrower, through MAPMDREF, shall:

   (a) maintain, throughout Program implementation, a Steering Committee, composed of representatives of the entities and institutions participating in the implementation, monitoring and evaluation of the Program, responsible for strategic oversight and guidance under the Program, all under terms and conditions acceptable to the Bank and described in the POM; and

   (b) maintain, through Program implementation, a Program Management Unit ("PMU"), responsible for the monitoring of day-to-day implementation of the Program, including the preparation of the Program’s annual progress reports, preparation of pertinent financial statements, and staffed with adequate professional, fiduciary, administrative and technical personnel (including a social and environmental specialist), with qualifications, experience and terms of employment acceptable to the Bank, all as described in the POM.

B. Other Program Implementation Arrangements

1. Prior to the carrying out of any activity under Part 1 (c) of the Program (including any related DLRs), the Borrower shall, together with the relevant Borrower’s national and subnational authorities, including Rabat Région Aménagement, enter into a Convention de Partenariat under terms and conditions set forth in the POM, including the Borrower’s obligation to ensure that Rabat Région Aménagement: (a) assists the Borrower in the implementation of the activities under Part 1(c) of the Program which fall within its administrative jurisdiction, including the construction works and oversight of the wholesale market; and (b) complies with the pertinent provisions of the POM (including the pertinent actions under the Program Action Plan and the Anti-corruption Guidelines).

2. The Borrower shall exercise its rights and carry out its obligations under the Convention de Partenariat in such manner as to protect the interests of the Borrower and the Bank and to accomplish the purposes of the Loan.

3. In case of any conflict between the provisions of the Convention de Partenariat or those of this Agreement, the provisions of this Agreement shall prevail.

Program Operational Manual

4. The Borrower shall carry out the Program in accordance with the Program Operational Manual ("POM"). Except as the Bank shall otherwise agree, the Borrower shall not amend
or waive any provision of the POM. In case of any conflict between the terms of the POM and those of this Agreement, the terms of this Agreement shall prevail.

Program Action Plan

5. The Borrower shall carry out the Program Action Plan, or cause the Program Action Plan to be carried out, in accordance with the schedule set out in said Program Action Plan and in a manner acceptable to the Bank.

Section II. Excluded Activities

The Borrower shall ensure that the Program excludes any activities which:

A. in the opinion of the Bank, are likely to have significant adverse impacts that are sensitive, diverse, or unprecedented on the environment and/or affected people; or

B. involve the procurement of: (1) works, estimated to cost $75,000,000 equivalent or more per contract; (2) goods, estimated to cost $50,000,000 equivalent or more per contract; (3) non-consulting services, estimated to cost $50,000,000 equivalent or more per contract; or (4) consultants’ services, estimated to cost $20,000,000 equivalent or more per contract.

Section III. Program Monitoring, Reporting and Evaluation

A. The Borrower shall furnish to the Bank each Program Report not later than ninety (90) days after the end of each calendar year, covering the previous calendar year.

Verification Protocol

B. The Borrower shall carry out verification missions at least annually, in accordance with terms of reference set forth in the POM, through the IGA for the verification of achievement of DLR#1 through DLR#8 which are set forth in the table in Section IV.A.2 of this Schedule, and furnish to the Bank not later than sixty (60) calendar days after the verification of compliance of said DLRs, a report on the results of said verification of compliance process of such scope and in such detail as the Bank shall reasonably request.

C. Such annual verifications will be based on a review of the documentation available at the MAPMDREF and during on-site verification missions.

Section IV. Withdrawal of Loan Proceeds

A. General

I. Without limitation upon the provisions of Article II of the General Conditions and in accordance with the Disbursement and Financial Information Letter, the Borrower may withdraw the proceeds of the Loan to: (a) pay the Front-end Fee; (b) pay each Interest Rate Cap or Interest Rate Collar premium; and (c) finance the results (“Disbursement Linked Results” or “DLRs”) achieved by the Borrower, as measured against specific indicators
