account of Project implementation, including office equipment and supplies, vehicle
operation and maintenance, communication and insurance costs, office administration

3. Notwithstanding the provisions of paragraph 1 above, no withdrawals shall be
made in respect of:

   (a) payments made for expenditures prior to the date of this Agreement; and

   (b) payments made for expenditures covered by disbursement category 1 set
forth in the table in paragraph 1 of this Schedule in respect of an Eligible Mancomunidad,
unless the respective: (i) Mancomunidad Framework Agreement has been entered into by
the parties thereto; (ii) UTI for such Eligible Mancomunidad has been properly staffed as
provided in Section 3.07 (b) of this Agreement; and (iii) financial management
arrangements referred to in Section 4.01 (a) of this Agreement for such Eligible
Mancomunidad have been established and become operational.

4. The Bank may require withdrawals from the GEF Trust Fund Grant Account to
be made on the basis of statements of expenditure for expenditures for: (i) goods, works
and services under Off-Grid Electrification Subprojects and SHS Subprograms; (ii)
training; and (iii) operating costs, all under such terms and conditions as the Bank shall
specify by notice to the Recipient.

to be made on the basis of reports to be submitted to the Bank in form and substance
satisfactory to the Bank, such reports to include the FMR and any other information as
the Bank shall specify by notice to the Recipient (Report-based Disbursements). In the
case of the first such request submitted to the Bank before any withdrawal has been made
from the GEF Trust Fund Grant Account, the Recipient shall submit to the Bank only a statement with the projected sources and applications of funds for the Project for the three-month period following the date of such request.

B. Special Account

1. The Recipient may open and maintain in Dollars a special deposit account in its Central Bank, on terms and conditions satisfactory to the Bank.

2. After the Bank has received evidence satisfactory to it that the Special Account has been opened, withdrawals from the GEF Trust Fund Grant Account of amounts to be deposited into the Special Account shall be made as follows:

   (a) if the Recipient is not making Report-based Disbursements, withdrawals shall be made in accordance with the provisions of Annex A to this Schedule 1; and

   (b) if the Recipient is making Report-based Disbursements, withdrawals shall be made in accordance with the provisions of Annex B to this Schedule 1.

3. Payments out of the Special Account shall be made exclusively for Eligible Expenditures. For each payment made by the Recipient out of the Special Account, the Recipient shall, at such time as the Bank shall reasonably request, furnish to the Bank such documents and other evidence showing that such payment was made exclusively for Eligible Expenditures.

4. Notwithstanding the provisions of Part B.2 of this Schedule, the Bank shall not be required to make further deposits into the Special Account:

   (a) if the Bank, at any time, is not satisfied that the reports referred to in Part A.5 of this Schedule 1 adequately provide the information required for Report-based Disbursements;

   (b) if the Bank determines at any time that all further withdrawals for payment of Eligible Expenditures should be made by the Recipient directly from the GEF Trust Fund Grant Account; or

   (c) if the Recipient shall have failed to furnish to the Bank, within the period of time specified in Section 4.01 (b) (ii) of this Agreement, any of the audit reports required to be furnished to the Bank pursuant to said Section in respect of the audit of: (A) the records and accounts for the Special Account; or (B) the records and accounts reflecting expenditures with respect to which withdrawals were Report-based Disbursements or were made on the basis of statements of expenditure, as the case may be.
5. The Bank shall not be required to make further deposits into the Special Account in accordance with the provisions of Part B.2 of this Schedule if, at any time, the Bank shall have notified the Recipient of its intention to suspend in whole or in part the right of the Recipient to make withdrawals from the GEF Trust Fund Grant Account pursuant to Section 6.02 of the General Conditions. Upon such notification, the Bank shall determine, in its sole discretion, whether further deposits into the Special Account may be made and what procedures should be followed for making such deposits, and shall notify the Recipient of its determination.

6. (a) If the Bank determines at any time that any payment out of the Special Account was made for an expenditure which is not an Eligible Expenditure, or was not justified by the evidence furnished to the Bank, the Recipient shall, promptly upon notice from the Bank, provide such additional evidence as the Bank may request, or deposit into the Special Account (or, if the Bank shall so request, refund to the Bank) an amount equal to the amount of such payment. Unless the Bank shall otherwise agree, no further deposit by the Bank into the Special Account shall be made until the Recipient has provided such evidence or made such deposit or refund, as the case may be.

(b) If the Bank determines at any time that any amount outstanding in the Special Account will not be required to cover payments for Eligible Expenditures during the six-month period following such determination, the Recipient shall, promptly upon notice from the Bank, refund to the Bank such outstanding amount.

(c) The Recipient may, upon notice to the Bank, refund to the Bank all or any portion of the funds on deposit in the Special Account.
