(i) Eligibility to participate in a procurement process and to be awarded a Bank-financed contract shall be as defined under Section I of the Procurement Guidelines; accordingly, no bidder or potential bidder shall be declared ineligible for such contract for reasons other than those provided in Section I of the Procurement Guidelines. No restriction based on nationality of bidders and/or origin of goods shall apply, and foreign bidders shall be allowed to participate in NCB without application of restrictive conditions.

(ii) All invitations to prequalify or bid shall be advertised in a national newspaper of wide circulation in the Borrower's country, or on a widely used website/electronic portal with free national and international access acceptable to the Bank except for goods or non-consulting services contracts that are estimated to cost less than $300,000 equivalent each, or works contracts that are estimated to cost less than $2,000,000 each, which may be advertised in a provincial daily newspaper. Such advertisement shall be made in sufficient time for prospective bidders to obtain prequalification or bidding documents and prepare and submit their responses. In any event, a minimum of thirty (30) days shall be given to bidders between the date of such advertisement (or the date of availability of bidding documents, whichever is later) and the deadline for the submission of bids, and the advertisement and bidding documents shall specify the deadline for the submission of bids. Where pre-qualification is not used, the qualification of the bidder who is recommended for award of contract shall be assessed by post-qualification, applying the qualification criteria stated in the bidding documents.
(vi) Registration shall not be used to assess bidders’ qualifications. A bidder shall not be required to register as a condition for inspecting or purchasing bidding documents, submitting its bid or receiving contract award. A bidder determined to be the lowest evaluated responsive bidder, shall be given reasonable opportunity of registering (if required) before contract signing without any let or hindrance. Bidding shall not be restricted to any particular class of contractors, and non-classified contractors shall also be eligible to bid.

(xi) All bid evaluation criteria shall be disclosed in the bidding documents and quantified in monetary terms or expressed in the form of pass/fail requirements.

(xii) No bid may be rejected solely on the basis that the bid price exceeds any cost estimate or falls outside any margin or bracket of prices or average bids established by the Borrower or the Project Implementing Entity / Entities, as the case may be. Rejection of all bids or re-bidding shall not be allowed solely because the number of bids is less than three (3), and rejection of all bids or rebidding shall not take place without the Bank’s prior written agreement.

(xiii) Each contract shall be awarded to the lowest evaluated responsive bidder, that is, the bidder who meets the appropriate standards of capability and resources and whose bid has been determined: (A) to be substantially responsive to the bidding documents; and (B) to offer the lowest evaluated cost. The winning bidder shall not be required, as a condition of award, to undertake responsibilities for work or to assume other obligations not stipulated in the bidding documents or otherwise to modify the bid as originally submitted. No negotiations shall be permitted except with the Bank’s no-objection.
(xiv) In accordance with the Procurement Guidelines, each bidding document and contract shall include provisions stating the Bank’s policy to sanction firms or individuals found to have engaged in fraud and corruption as set forth in the Procurement Guidelines.

(xv) In accordance with the Procurement Guidelines, each bidding document and contract shall include provisions stating the Bank’s policy with respect to inspection and audit of accounts, records and other documents relating to the submission of bids and contract performance.

Such publication shall be within two (2) weeks of receiving the Bank’s no-objection to the award recommendation for contracts subject to the Bank’s prior review, and within two (2) weeks of the Borrower or the Project Implementing Entity’s award decision for contracts subject to the Bank’s post review. The bidding documents shall disclose the newspaper in which and/or the electronic means by which the information on contract award will be published.

(xix) The Borrower or the Project Implementing Entity/Entities, as the case may be, shall have in place an effective and independent protest mechanism for bidders to protest. The bidding documents shall provide the professional title and address of the official to whom such protests should be sent.
