ANNEX to SCHEDULE 2

National Competitive Bidding Procedures

The procedures to be followed for the procurement of goods, non-consulting services, and works under contracts awarded on the basis of National Competitive Bidding shall be those set forth in: (a) Article 20 on Open Bidding of the Recipient’s Law on Procurement No. 43/2013/QH13 dated November 26, 2013 and related provisions necessary to effect the same; and (b) the Recipient’s Decree No. 63/2014/ND-CP dated June 26, 2014 Guiding Implementation of the Law on the Procurement (collectively, “National Procurement Laws”), subject to the provisions of Section I and Paragraphs 3.3 and 3.4 of the “Guidelines for Procurement of Goods, Works, and Non-Consulting Services under IBRD Loans and IDA Credits & Grants by World Bank Borrowers” dated January 2011 and revised July 2014 (“the Procurement Guidelines”) and the following provisions:

Conflict of Interest

1. A bidder shall not have a conflict of interest. Any bidder found to have a conflict of interest shall be ineligible for award of a contract. The provisions on conflict of interest as stated under Section I of the Procurement Guidelines shall apply.

Eligibility

2. The eligibility of bidders shall be as defined under Section I of the Procurement Guidelines; accordingly, no bidder or potential bidder shall be declared ineligible for contracts financed by the Association for reasons other than those provided in Section I of the Guidelines. Foreign bidders shall be eligible to participate in bidding under the same conditions as national bidders. In particular, no domestic preference over foreign bidders shall be granted to national bidders in bid evaluation, nor shall foreign bidders be asked or required to form joint ventures with or be subcontractors to national bidders in order to submit a bid.

3. Government-owned enterprises or institutions of the Recipient’s country are eligible to bid in the Recipient’s country only if they can establish that they: (i) are legally and financially autonomous, (ii) operate under commercial law, and (iii) are not dependent agencies of the Recipient or Sub-Recipient.

Time for Bid Preparation

4. The time allowed for the preparation and submission of bids for large and/or complex packages shall not be less than thirty (30) days from the date of the invitation to bid or the date of availability of the bidding documents, whichever is later.

Standard Bidding Documents

5. The standard bidding documents acceptable to the Association shall be used.
Bid Opening and Bid Evaluation

6. Bids shall be opened in public, immediately after the deadline for submission of bids, regardless of the number of bids received.

7. Evaluation of bids shall be made in strict adherence to the criteria that shall be clearly specified in the bidding documents and quantified in monetary terms for evaluation criteria other than price; merit points shall not be used in bid evaluation. No bid shall be eliminated from detailed evaluation on the basis of minor, non-substantive deviations. The evaluation of bidder’s qualifications shall be conducted separately subsequent to the technical and commercial evaluation of the bid.

8. A contract shall be awarded, within the period of the validity of bids, to the bidder who meets the appropriate standards of capability and resources and whose bid has been determined (i) to be substantially responsive to the bidding documents and (ii) to offer the lowest evaluated cost. A bidder shall neither be required nor permitted, as a condition for award, to undertake obligations not specified in the bidding documents or otherwise to modify the bid as originally submitted.

9. No bid shall be rejected on the basis of a comparison with the employer’s estimate and budget ceiling without the Association’s prior written agreement.

Rejection of All Bids and Re-bidding

10. Rejection of all bids is justified when there is lack of effective competition, or all bids are not substantially responsive, or no bidder meets the specified qualification criteria, or the bid price of the lowest evaluated winning bid is substantially higher than the Recipient’s updated estimated cost or available budget. All bids shall not be rejected or new bids solicited without the Association’s prior written agreement.

Complaints by Bidders and Handling of Complaints

11. The Recipient shall implement an effective and independent protest mechanism, acceptable to the Association, allowing bidders to protest and have their protests handled in a timely manner.

1. "Affected Persons" means persons who, on account of implementation of the Project, have experienced or would experience direct economic and social impacts caused by: (a) the involuntary taking of land, resulting in: (i) relocation or loss of shelter; (ii) loss of assets or access to assets; or (iii) loss of income sources or means of livelihood, whether or not such persons must move to another location; or (b) the involuntary restriction of access to legally designated parks and protected areas, resulting in adverse impacts on the livelihood of such person.

2. "Annual Work Plan" means the Annual Work Plans which set for the Project's prioritized interventions and referred to Section I.E of Schedule 2 to this Agreement.

4. "Central Project Management Unit" or "CPMU" means the unit maintained within the Recipient's Ministry of Agriculture and Rural Development pursuant to Decision Number 4626/QD-BNN-TCCB dated November 9, 2015, and referred to in paragraph 2 of Section L.A of Schedule 2 to this Agreement, or any successor thereto.

6. "Dam Safety Framework" means the framework, acceptable to the Association, referred to in paragraph 5 of Section I.D of Schedule 2 to this Agreement, adopted by Ministry of Agriculture and Rural Development through its Decision 3893/QD-BNN-KHCN, dated September 30, 2015, which sets forth considerations related to dam safety, including specific requirements for large and small dams, and policies and procedures for the preparation of Dam Safety Instruments during the implementation of the Project, as said framework may be revised from time to time with the prior written agreement of the Association, and such term includes any annexes or schedules to such framework.

7. "Dam Safety Instruments" means, collectively, the instruments required under the DSF, including: (a) the dam safety reports, which present, analyse and make recommendations on: (i) all conditions that could have a bearing on the safety of the dam(s) and ancillary structures; (ii) the impact of a failure of the dam(s) or ancillary structure(s) due to extreme natural conditions, human error or structural error; and (iii) the present and the future institutional framework
that is necessary to avoid or mitigate adverse dam safety conditions; (b) the plans for construction supervision and quality assurance; (c) the instrumentation plans; (d) the operations and maintenance plans; and (e) the emergency preparedness plans; all acceptable to the Association.

8. "Dam Safety Program" means the program adopted pursuant to Prime Minister's Decision Number 1734/QD-TTg-KTN dated September 21, 2009, or any successor thereto.

9. "Environmental Codes of Practice" or "ECOPs" means, respectively, the standardized requirements and practices, referred to in paragraph 3 of Section I.D of Schedule 2 to this Agreement, included in the Environmental and Social Management Plans, and to be approved by the Provincial Peoples' Committee in each Project Province; to be followed in the implementation of Project activities to ensure compliance with certain environmental aspects of the Project, as said codes of practice may be revised from time to time with the prior written agreement of the Association, and such term includes any annexes or schedules to such codes of practice.

10. "Environmental and Social Impact Assessment" or "ESIA" means the assessment, acceptable to the Association, referred to in paragraph 3 of Section I.D of Schedule 2 to this Agreement, and approved or to be approved by the Provincial Peoples' Committee in each Project Province; which assesses the environmental and social impacts of activities under the Project.

11. "Environmental and Social Management Plans" or "ESMPs" means, respectively, the plans, acceptable to the Association, referred to in paragraph 3 of Section I.D of Schedule 2 to this Agreement, and approved or to be approved by the Provincial Peoples' Committee in each Project Province; which set forth the specific actions, measures and policies designed to maximize the benefit of the respective activities under the Project, as well as eliminate, offset or mitigate any adverse environmental and social impacts, or reduce such impacts to acceptable levels, along with administrative and monitoring arrangements to ensure the implementation of said actions, measures and policies, as said ESMP may be revised from time to time with the prior written agreement of the Association, and such term includes any annexes or schedules to such plan.

12. "Ethnic Minorities Development Plans" or "EMDPs" means the plans, acceptable to the Association, referred to in paragraph 4 of Section I.D of Schedule 2 to this Agreement, and approved or to be approved by the Provincial Peoples' Committee in each Project Province; which set forth measures designed to ensure that ethnic minority communities affected by the Project receive culturally appropriate social and economic benefits, and if any potential adverse effects on such communities are identified, measures to ensure their effects are avoided, minimized, mitigated, or compensated for, as said EMDP may be revised from time to time with the prior written agreement of the Association, and such term includes any annexes or schedules to such plan.
13. "Ethnic Minorities Policy Framework" or "EMPF" means the framework, acceptable to the Association, adopted by Ministry of Agriculture and Rural Development pursuant to its Decision Number 4657/QD-BNN-HTQT, dated November 11, 2015 and referred to in paragraph 4 of Section I.D of Schedule 2 to this Agreement, which sets forth the policies and procedures to ensure that ethnic minority communities affected by the Project receive culturally appropriate social and economic benefits, and if any potential adverse effects on such communities are identified, measures to ensure their effects are avoided, minimized, mitigated, or compensated, as well as the preparation of EMDPs during the implementation of the Project, as said EMPF may be revised from time to time with the prior written agreement of the Association, and such term includes any annexes or schedules to such framework.

14. "Gender Analysis, Gender Action and Monitoring Plan" means the instrument, developed on the basis of, and as part of the ESIA, acceptable to the Association, and referred to in paragraph 6 of Section I.D of Schedule 2 to this Agreement, and to be prepared and adopted by the Provincial Peoples' Committee in each Project Province; which sets forth the specific actions, measures and policies designed to maximize the benefit of its respective activities under the Project on a gender-informed basis.

15. "General Conditions" means the "International Development Association General Conditions for Credits and Grants", dated July 31, 2010, with the modifications set forth in Section II of this Appendix.

16. "High Level Working Group" means the High Level Working Group established by the Recipient pursuant to its Decree 38/2013/ND-CP, dated April 23, 2013, and referred to in Section I.A.1 of Schedule 2 to this Agreement, and any successor thereto.

17. "Incremental Operating Costs" means the reasonable cost of incremental eligible expenditures incurred by the Recipient and implementing agencies as well as concerned participating agencies and local beneficiaries in the implementation of the Project, which expenditures would not have been incurred absent the Project, including the costs of consumables, operation, maintenance, and/or rental of equipment, office space, and vehicles; bank charges; communication costs; information and communication campaigns, including media costs; transportation costs; and per diem for Project staff including contracted staff and other participants for purposes of Project implementation, management, and supervision; and wages of contracted staff; but in all cases excluding salaries, salary allowances, and salary supplements of the Recipient's civil servants ("công chức", "viên chức").

18. "International Panel of Experts on Dam Safety Panel" means the panel to be established by the Recipient with composition and under terms of reference acceptable to the Association consisting of international and national experts, for the purpose of reviewing and advising the Recipient on matters relative to dam safety and other critical aspects of Project activities, and the Dam Safety
Program, and referred to in paragraph 4 of Section I.A of Schedule 2 to this Agreement.
