Terms and Conditions of Use of Secure Identification Credentials
in connection with Use of Electronic Means
to Process Applications
and Supporting Documentation

March 1, 2013

The World Bank (Bank)\(^7\) will provide secure identification credentials (SIDC) to permit the Borrower\(^8\) to deliver applications for withdrawal and applications for special commitments under the Agreement(s) and supporting documentation (such applications and supporting documentation together referred to in these Terms and Conditions of Use as Applications) to the Bank electronically, on the terms and conditions of use specified herein.

SIDC can be either: (a) hardware-based (Physical Token), or (b) software-based (Soft Token). The Bank reserves the right to determine which type of SIDC is most appropriate.

A. Identification of Users

1. The Borrower will be required to identify in a completed Authorized Signatory Letter (ASL) duly delivered to and received by the Bank each person who will be authorized to deliver Applications. The Bank will provide SIDC to each person identified in the ASL (Signatory), as provided below. The Borrower shall also immediately notify the Bank if a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website (https://clientconnection.worldbank.org) prior to receipt of his/her SIDC. Registration on CC will require that the Signatory establish a CC password (CC Password). The Signatory shall not reveal his/her CC Password to anyone or store or record the CC Password in written or other form. Upon registration as a CC user, the Signatory will be assigned a unique identifying account name.

B. Initialization of SIDC

1. Prior to initialization of SIDC by a Signatory, the Signatory will acknowledge having read, understood and agreed to be bound by these Terms and Conditions of Use.

---

\(^{7}\) "Bank" includes IBRD and IDA.

\(^{8}\) "Borrower" includes the borrower of an IBRD loan, IDA credit, or Project Preparation Facility advance and the recipient of a grant.
2. Where a Physical Token is to be used, promptly upon receipt of the Physical Token, the
Signatory will access CC using his/her account name and CC Password and register
his/her Physical Token and set a personal identification number (PIN) to be used in
connection with the use of his/her Physical Token, after which the Physical Token will be
initialized for use by the Signatory exclusively for purposes of delivering Applications.
Where a Soft Token is to be used, the Signatory will access CC using his/her account
name and CC Password and set a personal identification number (PIN) to be used in
connection with the use of his/her Soft Token, after which the Soft Token will be
initialized for use by the Signatory exclusively for purposes of delivering Applications.
Upon initialization of the SIDC, the Signatory will be a “SIDC User”. The Bank will
maintain in its database a user account (Account) for each SIDC User for purposes of
managing the SIDC of the SIDC User. Neither the Borrower nor the SIDC User will
have any access to the Account.

3. Prior to first use of the SIDC by the SIDC User, the Borrower shall ensure that the SIDC
User has received training materials provided by the Bank in use of the SIDC.

C. Use of SIDC

1. Use of the SIDC is strictly limited to use in the delivery of Applications by the SIDC
User in the manner prescribed by the Bank in the Agreement(s) and these Terms and
Conditions. Any other use of the SIDC is prohibited.

2. The Bank assumes no responsibility or liability whatsoever for any misuse of the SIDC
by the SIDC User, other representatives of the Borrower, or third parties.

3. The Borrower undertakes to ensure, and represents and warrants to the Bank (such
representation and warranty being expressly relied upon by the Bank in granting SIDC )
that each SIDC User understands and will abide by, these Terms and Conditions of Use,
including without limitation the following:

4. Security

4.1. The SIDC User shall not reveal his/her PIN to anyone or store or record the PIN in
written or other form.

4.2. The SIDC User shall not allow anyone else to utilize his/her SIDC to deliver an
Application to the Bank.

4.3. The SIDC User shall always logout from CC when not using the system. Failure to
logout properly can create a route into the system that is unprotected.

4.4. If the SIDC User believes a third party has learned his/her PIN or has lost his/her
Physical Token he/she shall immediately notify clientconnection@worldbank.org.
4.5. The Borrower shall immediately notify the Bank at
clientconnection@worldbank.org of any lost, stolen or compromised SIDC, and take
other reasonable steps to ensure such SIDC are disabled immediately.

5. Reservation of Right to Disable SIDC

5.1. The Borrower shall reserve the right to revoke the authorization of a SIDC User to
use a SIDC for any reason.

5.2. The Bank reserves the right, in its sole discretion, to temporarily or permanently
disable a SIDC, de-activate a SIDC User’s Account or both.

6. Care of Physical Tokens

6.1. Physical Tokens will remain the property of the Bank.

6.2. The Bank will physically deliver a Physical Token to each Signatory designated to
receive one in a manner to be determined by and satisfactory to the Bank.

6.3. Physical Tokens contain delicate and sophisticated instrumentation and therefore
should be handled with due care, and should not be immersed in liquids, exposed to
extreme temperatures, crushed or bent. Also, Physical Tokens should be kept more than
five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile
phones, phone-enabled PDAs, smart phones and other similar devices. Physical Tokens
should be carried and stored separate from any EMR device. At close range (less than 5
cm), these devices can output high levels of EMR that can interfere with the proper
operation of electronic equipment, including the Physical Token.

6.4. Without derogating from these Terms and Conditions of Use, other technical
instructions on the proper use and care of Physical Tokens are available at

7. Replacement

7.1. Lost, damaged, compromised (in terms of 4.5, above) or destroyed Physical
Tokens will be replaced at the expense of the Borrower.

7.2. The Bank reserves the right, in its sole discretion, not to replace any Physical
Token in the case of misuse, or not to reactivate a SIDC User’s Account.
