between

REPUBLIC OF BENIN

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated April 8, 2010
FINANCING AGREEMENT

AGREEMENT dated April 8, 2010 entered into between REPUBLIC OF BENIN (“Recipient”) and INTERNATIONAL DEVELOPMENT ASSOCIATION (“Association”). The Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a credit in an amount equivalent to forty six million and six hundred thousand Special Drawing Rights (SDR 46,600,000) (variously, “Credit” and “Financing”) to assist in financing the project described in Schedule 1 to this Agreement (“Project”).

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance shall be equal to three-fourths of one percent (3/4 of 1%) per annum.

2.05. The principal amount of the Credit shall be repaid in accordance with the repayment schedule set forth in Schedule 3 to this Agreement.

2.06. The Payment Dates are April 15 and October 15 in each year.

2.07. The Payment Currency is Euro.
ARTICLE III — PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall carry out Parts A, B and C of the Project and shall cause Part D of the Project to be carried by ALCO, all in accordance with the provisions of Article IV of the General Conditions and the Project Agreement.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE ASSOCIATION

4.01. The Additional Events of Suspension consist of the following:

(a) the ALCO Treaty is amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the ability of ALCO to perform any of its obligations under the Project Agreement;

(b) either the Ghana Financing Agreement or the Togo Financing Agreement fails to become effective by September 30, 2010 or such later date as the Association establishes by notice to the Recipient; or

(c) the right to withdraw the proceeds under either the Ghana Financing Agreement or the Togo Financing Agreement is suspended, canceled or terminated, in whole or in part, pursuant to the terms of the Ghana Financing Agreement or Togo Financing Agreement, as applicable.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Condition of Effectiveness consists of the following: the Recipient has adopted the Project Implementation Manual.

5.02. The Effectiveness Deadline is the date one hundred and twenty (120) days after the date of this Agreement.

5.03. For purposes of Section 8.05 (b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for payment obligations) shall terminate is twenty (20) years after the date of this Agreement.
ARTICLE VI — REPRESENTATIVE; ADDRESSES

SCHEDULE 1

Project Description

The objective of the Project is to reduce trade and transport barriers in the Recipient’s port and on the roads of the Corridor within the Recipient’s territory.

The Project, which comprises part of the Program, consists of the following parts:

Part A: Trade Facilitation

1. Facilitation of collection and sharing of relevant information and data among customs agencies along the Corridor through provision of required technical advisory services and rehabilitation of the relevant infrastructure.

2. Establishment of a single trade facilitation window within the Recipient’s port aimed at facilitating the handling of all transactions at such port in an efficient and speedy manner.

3. Acquisition of equipment, materials, communication tools and technical advisory services required to: (i) establish a joint border post along the Recipient’s border with the Republic of Togo (Hillacondji border post); (ii) support interconnectivity between customs’ headquarters and its field offices at the border-posts of Kraké, Hillacondji and the Port of Cotonou; (iii) improve the performance of the Kraké border post located on the Recipient’s border with the Federal Republic of Nigeria along the Corridor; and (iv) strengthen the capacity of the Recipient’s border agencies to discharge their duties and responsibilities efficiently.

4. Formulation and carrying out of training programs and activities aimed at enhancing the expertise and the abilities of relevant stakeholders involved in the implementation of the Project to discharge their responsibilities for the Project efficiently.

5. Streamlining of customs procedures, formulation of customs procedures manuals and dissemination of the same among the relevant stakeholders.

6. Establishment of an adequate internal reporting system aimed at improving management control of customs agencies’ operations.

7. Strengthening of the operational capacity of the Recipient’s National Road Transport and Transit Facilitation Committee.
Part B: Improvement of the Corridor’s Road Infrastructure

1. Carrying out of technical design and detailed engineering studies for the road improvement and rehabilitation works to be carried out under the Project.

2. (a) Improvement of about 17 km of road on the Godomey-Pahou section along the Corridor (including the improvement of such road to 2x2 lanes within the current right-of-way and pedestrian refuges in the central part thereof and related safety materials and equipment); and (b) supervision of the related civil works.

3. Implementation of social and environmental mitigation measures required in the carrying out of the activities referred to under this Part B.2 of the Project.

Part C: Project Management and Coordination

Provision of technical advisory services and logistical support (including office equipment, materials, supplies and vehicles) required to sustain management and coordination of Project implementation activities including monitoring and evaluation of progress achieved in the execution of the Project.

Part D: HIV/AIDS Programs and Corridor Performance Monitoring

1. Formulation and execution of programs of activities aimed at reducing the impact of HIV/AIDS and preventing the spread of HIV infection among communities established and/or operating along the portion of the Corridor located within the Recipient’s territory.

2. (a) Collection and treatment of data required to measure and monitor performance in the areas of trade, transport and HIV/AIDS along the portion of the Corridor located within the Recipient’s territory; and (b) wide dissemination of such data across the Recipient’s territory and beyond.
SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall adopt a project implementation manual, in form and substance satisfactory to the Association, outlining the institutional and operational arrangements for implementation of the Project, including procurement procedures, disbursement arrangements, performance indicators, environmental safeguards, monitoring and evaluation arrangements, terms of reference of staff and other administrative, financial and organizational arrangements, as shall have been agreed with the Association (“Project Implementation Manual” or “PIM”), and proceed thereafter to carry out the Project in accordance with the PIM. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate, or waive the PIM, or permit the PIM or any provision thereof to be assigned, amended, abrogated, or waived; provided, however, that in the event of any conflict between the provisions of the PIM and those of this Agreement, the latter shall prevail.

2. The Recipient shall: (a) maintain a project coordination unit (“PCU”) throughout the implementation period of the Project with functions and responsibilities acceptable to the Association and with staff in adequate numbers whose qualifications and experience shall be at all times acceptable to the Association so as to ensure prompt and efficient implementation of the Project; and (b) ensure that the PCU shall provide policy guidance and overall coordination for implementation of the Project and shall foster communication and cooperation among the relevant stakeholders concerned by the Project or involved in implementation of any Part of the Project.

3. The Recipient shall: (a) carry out Parts A and B of the Project through MOEF and MOT, respectively; under the overall coordination of the PCU; and (b) take all actions or measures required on its part to enable ALCO to carry out Part D of the Project, all in accordance with the provisions of the PIM, the ESIA and the RAP and with respect to ALCO in accordance with the provisions of the Project Agreement.

4. The PCU shall inter alia: (a) collate all relevant reports and documentation pertaining to the Project; (b) liaise with ALCO and provide promptly to ALCO all assistance required by ALCO as needed for implementation of Part D of the Project; (c) coordinate procurement processes; (d) monitor compliance with agreed activities implementation schedules; and (e) review all technical and financial reports.
B. **Annual Work Plans**

The Recipient shall prepare and furnish to the Association for its approval, not later than September 30 in each year during the implementation of the Project or such later date as the Association may agree, an annual work plan covering all activities proposed to be carried out in the following calendar year, together with a budget, including amounts of Recipient counterpart funding and other sources of financing required for the purpose. The Recipient shall afford the Association a reasonable opportunity to exchange views with it on such proposed plan and budget, and thereafter allocate the necessary counterpart funds and implement or cause to be implemented the Project during such following calendar year in accordance with such annual work plan, and on the basis of such budget, as shall have been approved by the Association.

C. **Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. **Safeguards**

The Recipient shall take all measures necessary on its part to regularly collect, compile, and submit to the Association, on a quarterly basis, reports on the status of compliance with the ESIA and the RAP, giving details of: (a) measures taken in furtherance of such ESIA and RAP; (b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such ESIA and RAP; and (c) remedial measures taken or required to be taken to address such conditions.

**Section II. Project Monitoring, Reporting and Evaluation**

A. **Project Reports**

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of six months, and shall be furnished to the Association not later than sixty (60) days after the end of the period covered by such report.

   (b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

      (i) reduction in dwell time in the Recipient’s port;

      (ii) reduction in border crossing time for trucks at the Hillacondji-Sanvee Condji border with the Republic of Togo;
(iii) reduction in border crossing time for trucks at the Kraké-Seme border with the Federal Republic of Nigeria;

(iv) establishment and operationalization of a computerized single window in the Recipient’s Port of Cotonou; and

(v) increase in the percentage of truck drivers reporting use of condoms with a casual partner during the last sexual activity.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six (6) months prior to the Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Preparation Advance was made. The audited Financial Statements for each such period, shall be furnished to the Association not later than six months after the end of such period.

4. In order to ensure the timely carrying out of the audit referred to above in Part B.3 of this Section II, the Recipient shall, not later than four months following the Effective Date, employ auditors in accordance with the provisions of Section III of this Schedule, for the purpose of carrying out such audits.
Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods and Works

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods and Works. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:
