OFFICIAL DOCUMENTS

Amendment No. 2 to the Administration Agreement between Total E&P Angola and the International Development Association regarding the Trust Fund for the Municipal Health Service Strengthening Project (TF No. TF071846)

1. Reference is made to the Administration Agreement between Total E&P Angola (the “Donor”) and the International Development Association (collectively, the “Bank”) regarding the Trust Fund for the Municipal Health Service Strengthening Project Trust Fund No. TF071846 (the “Trust Fund”) effective as of March 2, 2012, as amended (the “Administration Agreement”).

2. The Donor and the Bank agree to the following amendments to the Administration Agreement:

   (a) Annex 1 to the Agreement is deleted in its entirety and is replaced with the Annex attached to this Amendment Letter.

   (b) Section 11.1 shall be deleted and replaced with the following:

       “11.1 It is expected that Contributions will be fully disbursed by the Bank by December 31, 2018. The Bank shall only disburse Contributions for the purposes of this Agreement after such date with the written approval of the Donor.”

3. All other terms of the Administration Agreement shall remain the same.

4. The Bank shall disclose this Amendment in accordance with the Bank’s Policy on Access to Information. By entering into this Amendment, the Donor consents to such disclosure.

5. Each of the Donor and the Bank represents, by confirming its agreement below, that it is authorized to enter into this Amendment and act in accordance with these terms and conditions. The Donor and the Bank are requested to sign and date this Amendment, and upon possession by the Bank of this fully signed Amendment, this Amendment shall become effective as of the date of the last signature.

Description of Activities and Expenditures
Trust Fund for the Municipal Health Service Strengthening Project
(TF071846)

This Annex shall be applicable to and form an integral part of the agreement entered into between the Bank and the Donor that Provides contributions (the aggregate of all contributions from the Donor, the “Contributions”) to be administered by the Bank for the Trust Fund.

A. DESCRIPTION OF ACTIVITIES

The objective of the Project supported by the Trust Fund is to improve the population’s utilization of maternal and child health care services (the “Project”).

The Trust Fund will finance Part 1.1, 1.3 and 2.1 of the Project.

Part 1: Improvement of Health Service Delivery

1.1 Scaling-up outreach and community-based health interventions at community level through provision of training of trainers, equipment for outreach teams, including solar and camping kits to be procured from entities other than the Co-Financier, and technical assistance.

1.2 Strengthening maternal and child health services and health care waste management through provision of goods, technical assistance and works for: (a) rehabilitation and construction of approximately 32 delivery rooms at healthcare centers and healthcare posts and construction of houses for health professionals at provincial and municipal levels where deemed necessary in Participating Provinces; and (b) rehabilitation and construction of four delivery rooms at healthcare centers and healthcare posts in Malange, one of the participating provinces.

1.3 Strengthening municipal health services at the primary level through provision of training, technical assistance, including provision of software and technical support for exchange of telemedicine communications, goods, including medicines and medical supplies, and carrying out of information campaigns on health promotion.

Part 2: Training of Health Professionals and Strengthening the Capacity of Health Training Institutions

2.1 Strengthening of primary health care service at the municipal level through the provision of training on emergency obstetric and neonatal care and integrated management of childhood illnesses, to trainers, and general nurses as well as pre-service training of nurse midwives.

2.2 Strengthening the training institutional capacity of MOH including through the carrying out of post-graduate training and refresher training courses for trainers, provision of technical assistance, goods, and carrying out of small civil works for training facilities.
Part 3: Project Management and Monitoring and Evaluation

Strengthening the capacity of the MOH at the central, provincial, and municipal levels, to manage, supervise, implement and monitor and evaluate the Project, including through the provision of works, goods, training, operating costs, and technical assistance including the carrying out audits and of a national health survey.

B. CATEGORIES OF EXPENDITURE

The Contributions may be used to finance: (a) Works, Consultant Services, Goods, and Training and Workshops.

The foregoing categories of expenditure may include financing of taxes.
