Re: IDA Credit 5545-ET (Regional Pastoral Livelihood Resilience Project)
First Amendment to the Disbursement Letter

Excellency:

I refer to the Financing Agreement between the International Development Association (the "Association") and the Federal Democratic Republic of Ethiopia (the "Recipient") for the above referenced project, dated November 28, 2014. The Agreement provides that the association may issue additional instructions regarding the withdrawal of the proceeds of financing IDA Credit 5545-ET ("Financing"). This letter ("Disbursement Letter"), as revised from time to time, constitutes the additional instructions.

This letter is the first revision of the disbursement letter dated November 28, 2014, removing the restriction of under II (vi) Advances (sections 5 and 6) to finance expenditures under Category 2 only. With this amendment advances are now available for expenditures under all categories.

All other provisions in the original disbursement letter remain the same.

If you have any queries in relation to the above, please contact Jose Janeiro, Senior Finance Officer at LOA-AFR@worldbank.org using the above reference.

Very truly yours,

INTERNATIONAL DEVELOPMENT ASSOCIATION
