(Trans-Anatolian Natural Gas Pipeline Project)

between

BORU HATLARI İLE PETROL TAŞIMA ANONİM ŞİRKETİ (BOTAŞ)

and

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT

Dated DECEMBER 26, 2016
LOAN AGREEMENT

Agreement dated DECEMBER 26, 2016, between BORU HATLARI İLE PETROL TAŞIMA ANONİM ŞİRKETİ (BOTAŞ) (“Borrower”) and INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT (“Bank”).

WHEREAS, the Bank is committed to supporting the Borrower in the development of the Trans-Anatolian Natural Gas Pipeline Project (“Project”), the objective of which includes specifically the improvement of the security of Turkey’s energy supply, as more fully described in this Agreement;

WHEREAS, the Borrower is a shareholder of the Trans-Anatolian Natural Gas Pipeline pursuant to its Shareholders’ Agreement, as defined in this Agreement;

WHEREAS, in furtherance of the development of the Trans-Anatolian Natural Gas Pipeline, the Borrower and TANAP Doğalgaz İletim Anonim Şirketi (“Project Implementing Entity”) intends to enter into a Subsidiary Agreement, as defined in this Agreement, for the implementation of the Project described in this Agreement;

WHEREAS, the Borrower has full authority to enter into and accept the commitments set forth in this Agreement; and

WHEREAS, in each instance where the Borrower is called to cause the Project to be implemented and/or to cause the Project Implementing Entity to act, each such instance is to the extent within the context of the legal powers of the Borrower to cause such implementation or action as provided by the Shareholders’ Agreement and the Subsidiary Agreement.

NOW THEREFORE, the Borrower and the Bank hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.
ARTICLE II — LOAN

2.01. The Bank agrees to lend to the Borrower, on the terms and conditions set forth or referred to in this Agreement, the amount of four hundred million (400,000,000) Dollars, as such amount may be converted from time to time through a Currency Conversion in accordance with the provisions of Section 2.08 of this Agreement ("Loan"), to assist in financing the project described in Schedule 1 to this Agreement ("Project").

2.02. The Borrower may withdraw the proceeds of the Loan in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Front-end Fee payable by the Borrower shall be equal to one quarter of one percent (0.25%) of the Loan amount.

2.04. The Commitment Charge payable by the Borrower shall be equal to one quarter of one percent (0.25%) per annum on the Unwithdrawn Loan Balance.

2.05. The interest payable by the Borrower for each Interest Period shall be at a rate equal to the Reference Rate for the Loan Currency plus the Fixed Spread; provided, that upon a Conversion of all or any portion of the principal amount of the Loan, the interest payable by the Borrower during the Conversion Period on such amount shall be determined in accordance with the relevant provisions of Article IV of the General Conditions. Notwithstanding the foregoing, if any amount of the Withdrawn Loan Balance remains unpaid when due and such non-payment continues for a period of thirty days, then the interest payable by the Borrower shall instead be calculated as provided in Section 3.02 (e) of the General Conditions.

2.06. The Payment Dates are June 1 and December 1 in each year.

2.07. The principal amount of the Loan shall be repaid in accordance with the amortization schedule set forth in Schedule 3 to this Agreement.

2.08. (a) The Borrower may at any time request any of the following Conversions of the terms of the Loan in order to facilitate prudent debt management: (i) a change of the Loan Currency of all or any portion of the principal amount of the Loan, withdrawn or unwithdrawn, to an Approved Currency; (ii) a change of the interest rate basis applicable to: (A) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate to a Fixed Rate, or vice versa; or (B) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate based on a Reference Rate and the Variable Spread to a Variable Rate based on a Fixed Reference Rate and the Variable Spread, or vice versa; or (C) all of the principal amount of the
Loan withdrawn and outstanding from a Variable Rate based on a Variable Spread to a Variable Rate based on a Fixed Spread; and (iii) the setting of limits on the Variable Rate or the Reference Rate applicable to all or any portion of the principal amount of the Loan withdrawn and outstanding by the establishment of an Interest Rate Cap or Interest Rate Collar on the Variable Rate or the Reference Rate.

(b) Any conversion requested pursuant to paragraph (a) of this Section that is accepted by the Bank shall be considered a “Conversion”, as defined in the General Conditions, and shall be effected in accordance with the provisions of Article IV of the General Conditions and of the Conversion Guidelines.

(c) Promptly following the Execution Date for an Interest Rate Cap or Interest Rate Collar for which the Borrower has requested that the premium be paid out of the proceeds of the Loan, the Bank shall, on behalf of the Borrower, withdraw from the Loan Account and pay to itself the amounts required to pay any premium payable in accordance with Section 4.05(c) of the General Conditions up to the amount allocated from time to time for the purpose in the table in Section IV of Schedule 2 to this Agreement.

ARTICLE III — PROJECT

3.01. The Borrower declares its commitment to the objective of the Project. To this end, the Borrower shall cause the Project to be carried out by the Project Implementing Entity in accordance with the provisions of Article V of the General Conditions and the Project Agreement (being for the purposes of the General Conditions, the Project Implementing Entity’s “Respective Part”).

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Borrower, the Guarantor, and the Bank shall otherwise agree, the Borrower shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE BANK

4.01. The Additional Events of Suspension consist of the following:

(a) The Project Implementing Entity’s Legislation, or any other law, governmental order, regulation, or agreement (including its Articles of Association, the Shareholders’ Agreement, the Intergovernmental Agreement, the Host Government Agreement, and the Subsidiary Agreement) that establishes the Project Implementing Entity or that impacts its ability to carry out the Project has been amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the
ability of the Project Implementing Entity to perform any of its obligations under the Project Agreement.

(b) BOTAŞ's Articles of Association, including any relevant legislation, governmental order, regulation or agreement, that establishes the Borrower or that impacts its ability to carry out its obligations under this Agreement is amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the Borrower's ability to perform any of its obligations under the Project.

(c) Any material event concerning one or more of the Associated Projects or the Southern Gas Corridor Program generally arises that would be reasonably likely to have a material adverse effect on the ability of the Project to meet the objective set forth in Schedule 1 of this Agreement.

4.02. The Additional Event of Acceleration consists of the following:

Any event specified in paragraphs (a) or (b) of Section 4.01 of this Agreement occurs and is continuing for a period of sixty (60) days after notice of the event has been given by the Bank to the Borrower.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Condition of Effectiveness consists of the following: the Subsidiary Agreement has been executed on behalf of the Borrower and the Project Implementing Entity.

5.02. The Additional Legal Matter consists of the following: the Subsidiary Agreement has been duly authorized by the Borrower and the Project Implementing Entity and is legally binding upon the Borrower and the Project Implementing Entity in accordance with its terms.

5.03. The Effectiveness Deadline is the date one hundred and twenty (120) days after the date of this Agreement.

Metering Stations: (a) a custody receiving border metering station at the entry point on the Georgian border, (b) a metering station at Eskişehir off-take point, (c) a metering station at Thrace off-take point, and (d) a custody delivery border metering station at the exit point at Edirne on the Greek border;
5. Pig launcher and receiver facilities: (a) at each compressor station, (b) at the custody receiving border metering station at the entry point, (c) at the custody receiving border metering station at the exit point, (d) at Eskişehir off-take point; (e) at each side of Dardanelle strait crossing, and (f) at three intermediate points along the pipeline route;
6. Forty-nine block valve stations along said pipeline;
7. Communication and control mechanisms: (a) a supervisory control and data acquisition system, and (b) a main control center in Ankara; and
8. Consulting services for Project related technical studies, design, engineering, procurement, construction management, supervision and monitoring.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Borrower shall cause the Project Implementing Entity, through the Subsidiary Agreement, to maintain, at all times during the execution and until Project Completion, responsibilities, structure and functions satisfactory to the Bank and with qualified staff in adequate numbers, for the purposes of carrying out its responsibilities under the Project, including those related to procurement, Loan disbursements, Project financial management, and Project monitoring, evaluation and reporting.

2. The Borrower shall maintain, either itself or through an agent or affiliate acting on its behalf, at all times during the execution and until Project Completion, a dedicated technical team to oversee the implementation of the Project and to liaise with the Project Implementing Entity to support Project implementation, including for the accounting and registering of payments.

B. Subsidiary Agreement

1. To facilitate the carrying out of the Project, the Borrower shall make part of the proceeds of the Loan available to the Project Implementing Entity in accordance with a subsidiary agreement (“Subsidiary Agreement”) between the Borrower and the Project Implementing Entity, under terms and conditions approved by the Bank, which shall include inter alia:

   (a) the Project Implementing Entity’s undertaking to comply with the safeguards, fiduciary and technical requirements applicable to the Project in accordance with the provisions of this Agreement and the Project Agreement;

   (b) the Project Implementing Entity’s undertaking to carry out the Project activities financed in whole or in part by the proceeds of the Loan in accordance with the provisions of the Anti-Corruption Guidelines, including ensuring that all contractors that will receive proceeds from the Loan have expressly agreed to comply with the provisions of the Anti-Corruption Guidelines, including the Bank’s right to inspect all accounts, records and other documents relating to the Project that are required to be maintained pursuant to the Loan Agreement and to have them audited by, or on behalf of, the Bank; and
(c) the Borrower's undertaking to make the necessary proceeds of the Loan available to the Project Implementing Entity.

2. The Borrower shall exercise its rights and carry out its obligations under the Subsidiary Agreement in such manner as to protect the interests of the Borrower, the Guarantor and the Bank and to accomplish the purposes of the Loan. Except as the Bank shall otherwise agree, the Borrower shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Borrower shall ensure, and cause the Project Implementing Entity to ensure, that the Project activities financed in whole or in part by the proceeds of the Loan are carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

1. Without limitation to the provisions of Section 5.01(b) of the General Conditions, the Borrower shall, as relevant, carry out or cause the Project Implementing Entity to carry out the Project in accordance with the provisions and recommendations of the Environmental and Social Impact Assessment ("ESIA") Package, including the Resettlement Action Plans ("RAPs").

2. The Borrower shall ensure, or cause the Project Implementing Entity to ensure, that any contractors carrying out the Project shall perform their work in accordance with the technical and environmental practices applicable to the Project, as set forth in the ESIA Package, including the RAPs.

3. The Borrower shall maintain throughout Project implementation, a dedicated TANAP Land Acquisition Directorate to carry out, in coordination with the Project Implementing Entity, any acquisition of land required under the Project, in accordance with the RAPs.

Section II. Project Monitoring Reporting and Evaluation

A. Project Reports

The Borrower shall cause the Project Implementing Entity to monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 5.08 of the General Conditions and on the basis of indicators confirmed by the Borrower and the Project Implementing Entity and acceptable to the Bank. Each Project Report shall cover the period of one month, and shall be furnished to the Bank not later than one month after the end of the period covered by such report.
B. Financial Management, Financial Reports and Audits

1. The Borrower shall maintain, and cause the Project Implementing Entity to maintain, a financial management system in accordance with the provisions of Section 5.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Borrower shall prepare and furnish to the Bank not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Bank.

3. The Borrower shall prepare its entity financial statements and the Project Financial Statements in accordance with accounting standards acceptable to the Bank. The Borrower shall have its entity financial statements, and shall cause the Project Implementing Entity to have the Project Financial Statements, audited in accordance with the provisions of Section 5.09(b)(i) of the General Conditions. Pursuant to Section 5.09(b)(ii) of the General Conditions, each audit of the Borrower’s entity financial statements and of the Project Financial Statements shall cover the period of one fiscal year of the Borrower and the Project, respectively. The audited entity financial statements and audited Project Financial Statements for each such period shall be furnished to the Bank not later than six (6) months after the end of such period.

Section III. Procurement

A. All goods, works, non-consulting services and consulting services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in the Procurement Regulations and the provisions of the Procurement Plan.

B. Contracts for goods, works, non-consulting services and consulting services: (a) that are included in the Procurement Plan, dated November 3, 2016 (as they have been determined by the Bank to be directly related to the Project, and procured by the Project Implementing Entity in accordance with Section V, paragraphs 5.1 and 5.2, **Advance Contracting and Retroactive Financing**, of the Procurement Regulations); and (b) whose related contractors, suppliers and consultants have agreed to comply with the Anti-Corruption Guidelines, as required under Section 1.B of the Schedule to the Project Agreement, are eligible for Bank financing.
Section IV. Withdrawal of Loan Proceeds

A. General

1. The Borrower may withdraw the proceeds of the Loan in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Bank shall specify by notice to the Borrower (including the "World Bank Disbursement Guidelines for Projects" dated May 2006, as revised from time to time by the Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Loan ("Category"), the allocation of the amounts of the Loan to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category.

2. If the proceeds of the Loan have not been fully withdrawn as of the first Principal Payment Date, the principal amount of the Loan repayable by the Borrower on each Principal Payment Date shall be determined as follows:

(a) To the extent that any proceeds of the Loan have been withdrawn as of the first Principal Payment Date, the Borrower shall repay the Withdrawn Loan Balance as of such date in accordance with paragraph 1 of this Schedule.

(b) Any amount withdrawn after the first Principal Payment Date shall be repaid on each Principal Payment Date falling after the date of such withdrawal in amounts determined by the Bank by multiplying the amount of each such withdrawal by a fraction, the numerator of which is the original Installment Share specified in the table in paragraph 1 of this Schedule for said Principal Payment Date ("Original Installment Share") and the denominator of which is the sum of all remaining Original Installment Shares for Principal Payment Dates falling on or after such date, such amounts repayable to be adjusted, as necessary, to deduct any
3. (a) Amounts of the Loan withdrawn within two calendar months prior to any Principal Payment Date shall, for the purposes solely of calculating the principal amounts payable on any Principal Payment Date, be treated as withdrawn and outstanding on the second Principal Payment Date following the date of withdrawal and shall be repayable on each Principal Payment Date commencing with the second Principal Payment Date following the date of withdrawal.

(b) Notwithstanding the provisions of sub-paragraph (a) of this paragraph, if at any time the Bank adopts a due date billing system under which invoices are issued on or after the respective Principal Payment Date, the provisions of such sub-paragraph shall no longer apply to any withdrawals made after the adoption of such billing system.

4. Notwithstanding the provisions of paragraphs 1 and 2 of this Schedule, upon a Currency Conversion of all or any portion of the Withdrawn Loan Balance to an Approved Currency, the amount so converted in the Approved Currency that is repayable on any Principal Payment Date occurring during the Conversion Period, shall be determined by the Bank by multiplying such amount in its currency of denomination immediately prior to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in the Approved Currency payable by the Bank under the Currency Hedge Transaction relating to the Conversion; or (ii) if the Bank so determines in accordance with the Conversion Guidelines, the exchange rate component of the Screen Rate.

5. If the Withdrawn Loan Balance is denominated in more than one Loan Currency, the provisions of this Schedule shall apply separately to the amount denominated in each Loan Currency, so as to produce a separate amortization schedule for each such amount.
