MONTHLY OPERATIONAL SUMMARY

OF BANK AND IDA PROPOSED PROJECTS

(As of November 30, 1975)

FROM: The Secretary

Sec75-878
December 22, 1975

CONTENTS

Section		Pages
I.	- Eastern Africa	1 - 12
II.	- Western Africa	13 - 23
III.	- East Asia and Pacific	24 - 33
IV.	- South Asia	34 - 42
V.	- Europe, Middle East and North Africa	43 - 54
VI.	- Latin America and Caribbean	55 - 71
VII.	- New Projects	72 - 74

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
I. EASTERN AFRICA				
BOTSWANA				
Ministry of Works and Communications	5.8 (Bank)	(R)	Roads III - Construction of the Gaberone-Molepolole Road; engineering for Mahalapye-Seruli Road; maintenance study and pilot program; weighbridge, loadmeters procurement.	Loan signed November 21, 1975.
Ministry of Education	About 12.0 (Bank)		Education I - Improvement of rural and secondary education and teacher training.	Appraisal underway.
Ministry of Agriculture	About 7.0 (Bank)		Livestock II - Development of new and existing cattle ranches and improvement of animal breeds, health services and marketing.	Project preparation underway.
Ministry of Works and Communications	About 10.0 (Bank)		Roads IV - Construction of Mahalapye-Seruli portion (150 km) of North/South Road.	Project preparation underway.
Botswana Development Corporation (BDC)	About 4.0 (Bank)		Development Finance Company II - To assist promotion of medium and small scale industrial enterprises.	Awaiting utilization of funds in first loan.

1/ If the Government is the borrower, the name of the department, ministry or agency which is to implement the project is given. If the Government is to relend the proceeds to another entity, the name of that entity is given. If the Government is not the borrower, the borrower's name is given in capital letters in parentheses.
2/ The amount is in millions of U.S. dollars and is approximate and tentative.
3/ The letter (N) before the project means that the project is a new listing in the Summary; the letter (R) means that the information about the project has been revised since the last issue of the Summary. Section VII of the Summary contains a recapitulation of the new projects listed in this issue.
4/ This column contains available information, if any, about action with respect to the procurement of goods and services expected to be financed by the Bank or IDA.

Distribution:

Executive Directors and Alternates
President
Senior Vice President, Operations
Executive Vice President and Vice President, IFC
President's Council
Directors and Department Heads, Bank and IFC.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
BURUNDI				
Office des Cultures Industrielles du Burundi	5.2 (IDA)	(R)	Second Coffee Improvement (Extension of first project financed by IDA (Cr. 147)). Project to include construction of 4 coffee washing stations, rehabilitation of about 150 hand pulping centers, strengthening of extension services, research to improve coffee production; Pilot Rural Development Activities; and improvement of food crop production. Infrastructure and water supply, technical assistance. Total costs estimated at $7.5 million.	Approved by Executive Directors on November 18.
Bureau Technique d'Etudes (BTE)	1.5 (IDA)	(R)	Financing of technical assistance required for development planning and consultant services for project preparation.	Negotiations tentatively scheduled for January 1976.
Ministry of Agriculture and Livestock	About 8.0 (IDA)		Fish Processing - Improvement of traditional lake fishing and fish processing; establishment of processing factories along Burundi side of Lake Tanganyika; improved marketing; social infrastructure and technical assistance. Total cost estimated at $9 million.	Appraisal report being prepared. (Co-financing being explored.)
Ministry of National Education	About 10.0 (IDA)	(R)	Rural education project to support primary education reform. Project to provide about 80 Centres de Formation Polyvalente, technical and financial assistance for training in practical subjects of about 150 teachers, manpower survey and a planning study for secondary and technical education, technical assistance.	UNESCO preparation mission currently in field.
EAST AFRICAN COMMUNITY 5/				
(EAST AFRICAN DEVELOPMENT BANK)	15.0 (Bank)	(R)	Development Finance Company II.	Negotiations substantially completed.
(EAST AFRICAN POSTS AND TELECOM. CORP.)	30.0 (Bank)	(R)	Telecommunications IV.	Appraisal report being prepared.
(EAST AFRICAN HARBORS CORP.)	To be determined (Bank)		Harbors IV.	Project under preparation.
(EAST AFRICAN RAILWAYS CORP.)	35.0 (Bank)		Railways IV.	Project under preparation.

See p. 1 for footnotes.

5/ Comprising Kenya, Tanzania and Uganda.

mber Country, and rrower or plementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
THIOPIA				
Livestock and eat Board (LMB)	27.0 (IDA)	(R)	Rangelands Development (Livestock III) - Development of market oriented beef, sheep and cattle production within framework of pastoral society. Will include three areas Southern Rangelands, Jijiga, and Northeast Rangelands.	Presentation to Executive Directors scheduled for December 23. (African Development Bank will provide parallel financing up to $5.5 million for certain items in southern rangelands area.)
inistry of griculture	25.0 (IDA)		Grain Storage and Marketing - Construction of marketing centers, including storage facilities and procurement of cleaning, drying, weighing equipment, plus construction of large scale central storage facilities, also technical assistance.	Appraisal report being prepared.
offee Board	11.5 (IDA)	(R)	Coffee Improvement, Disease Control, rehabilitation and replanting with resistant varieties. Technical assistance and extension services.	Appraisal report being prepared. Co-financing being sought.
inistry of griculture	35.0 (IDA)		Agricultural Minimum Package Project II (MPP) - Provision of a package of inputs (fertilizer, seed, credit and extension services) to small farmers. This will be a follow up to MPP I.	Project preparation underway.
thiopia Highway uthority (EHA)	40.0 (IDA)		Roads VII - First Sector credit for highways.	Identification and preparatory work initiated.
tional Water esources mmission WRC)	12.0 (IDA)		Rural Water Supply I - Development of community water systems in small towns and rural areas.	External financing institutions being approached by Government for assistance in strengthening of central and regional institutions concerned with water supply; evaluation of existing rural water supply facilities; and financing a few pilot water supply systems. Preliminary project preparation underway.
ddis Ababa ater and Sewerage uthority (AWSA)	16.5 (IDA)		Water Supply - Addis Ababa II - improvement and expansion of treatment facilities, construction of additional distribution and metering.	Project preparation underway.
gricultural and dustrial Development nk (AIDB)	10.0 (IDA)		Development Finance Company IV - Support to AIDB's Agricultural and possibly industrial lending programs.	Processing delayed pending clarification of AIDB's future role.
inistry of griculture	25.0 (IDA)		Agriculture Settlement - (a) Integrated rural development project in Highlands based on land reorganization and (b) resettlement of landless peasants on unused Government land in the Western provinces.	Preliminary project preparation underway.
inistry of griculture	To be determined		Livestock IV - A sector credit for livestock development.	Identification work initiated.

e p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
KENYA				
Ministry of Education	10.0 (Bank)	(R)	Education III - To support qualitative improvements to primary school education, including technical assistance. Total project cost $17 million.	Presentation to Executive Directors scheduled for December 16.
Ministry of Works	5.0 (IDA)	(R)	Rural Access Roads - To assist labor intensive construction and implementation of rural access roads programs with emphasis on training and evaluation.	Appraisal report under preparation. (Several aid agenc may finance the construction roads.)
Ministry of Agriculture	To be determined (Bank/IDA)		Integrated Agricultural Development - smallholder mixed farming, based primarily on cotton, sunflower, maize and pulses production in Western and Eastern provinces.	Appraisal report under prepa
Ministry of Agriculture	To be determined (IDA)		Integrated Agricultural Development II - expansion of IADP I to support smallholder including subsistence farmer production.	Preparation underway.
Ministry of Tourism	15.0 (Bank)	(R)	Parks and Tourism - Assistance for parks and reserves development including road construction, viewing facilities, wildlife management and research and planning.	Appraisal report under prepa tion.
Ministry of Tourism	To be determined (Bank)		Tourism - Development of Diani Beach resort complex, part of Government program for development of additional facilities at the coast.	Feasibility Study underway.
Ministry of Agriculture	To be determined (Bank)		Irrigation in lower Tana River Basin for cotton, maize, sugar, and ground nut production. Project would offer employment for several thousand families.	Appraisal mission in field.
Ministry of Agriculture	To be determined (Bank)	(R)	Assistance for sugar development in Kenya.	Preparation underway.
Ministry of Agriculture	To be determined (Bank)	(R)	Agricultural credit - to support medium scale farms for wheat, maize, horticulture, pyrethrum and dairy production.	Preparation underway.
Ministry of Water Development	To be determined (IDA/Bank)		Rural Water Supply - Provision of potable water for villages and rural areas.	Evaluation of existing program and identification of new project underway.
(CITY COUNCIL OF NAIROBI)	To be determined (Bank)		Water Supply III - Extension of Nairobi water supply system.	Feasibility Report under preparation.
Ministry of Commerce and Industry	To be determined (Bank)	(N)	Promotion of small and medium scale industries and enterprises.	Preparation underway.

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
LESOTHO				
Ministry of Works	About 5.0 (IDA)		Highways II - Construction of a mountain road from St. Michaels to Thaba Tseka and provision for technical assistance to the Ministry of Works. Project includes $0.5 million to assist development of a program for labor intensive construction.	Appraisal report being considered. (Co-financing with several agencies being explored.)
Ministry of Agriculture	About 5.0 (IDA)		Rural Development II - Extension of package program developed in Thaba Bosiu project first to adjacent areas, then to all good arable areas; continued research on new crops and cropping system, including livestock and on land conservation.	Project preparation underway. (Co-financing with several agencies being explored.)
MALAGASY REPUBLIC				
Ministry of Public Works	About 20.0 (IDA)		Highways IV - Construction of Arivonimamo-Analavory primary road (71 km) and Tsiroanomandioy-Maintirano feeder road (370 km); technical assistance and training of Ministry of Public Works' personnel. Total cost estimated at $33 million.	Appraisal report being prepared. (Co-financing with ABEDIA has been agreed.)
Ministry of Education	About 10.0 (IDA)	(R)	Education II - Improvement of education system and facilities in light of Government's education plan.	Appraisal mission in field.
Directorate of Mines and Power	About 10.0 (IDA)	(R)	Hydroelectric power plant (80-100 MW) on Vohitra River at Rogez, about 130 km east of Tananarive. Total project costs currently estimated at $80 million.	Feasibility study being reviewed. (Co-financing being explored.)
BNM (Malagasy Development Bank)	About 5.0 (IDA)		Development Finance Company.	Timing contingent upon BNM evidencing need for external financing.
Ministry of Rural Development	To be determined (Bank/IDA)		Irrigation/Rural Development - Content of project to be defined in light of clarification of Government strategy in agricultural sector.	Timing of project processing contingent upon review by Government of strategy in agricultural sector.
MALAWI				
Ministry of Education	11.6 (IDA)	(R)	Education II - Improvement of educational system and facilities in support of education plan.	Credit signed November 24, 1975.

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
MALAWI (Cont'd)				
Ministry of Agriculture	About 13.5 (Bank)	(R)	Karonga Rural Development Program II - Extension of first project financed by Credit 282-MAI. Provision of agricultural inputs, extension services, marketing facilities, credit, the introduction of improved farming methods and new crops and development of infrastructure.	Appraisal report being prepared.
Electricity Supply Commission of Malawi (ESCOM)	10.0 (Bank)	(R)	New generating facilities at Nkula Falls and related transmission lines. Total cost tentatively estimated at $60 million (of which $42 million foreign exchange).	Appraisal mission just returned. (Co-financing being explored.)
Viphya Pulp and Paper (VIPCOR)	To be determined (Bank)	(R)	Woodpulp Mill and Infrastructure - Construction of 150,000 TPA long fiber pulpmill to exploit existing Viphya forest resources. Mill will be located at Chinteche, in the northern region. Infrastructure, particularly roads and ports facilities, will also be required. Total project costs currently estimated at $330 million.	Government and VIPCOR attempting to secure financi participation.
MAURITIUS				
Development Bank of Mauritius	About 10.0 (Bank)	(R)	Fourth line of credit for Development Bank of Mauritius (DBM), combined with Second Industrial Estate Project executed by DBM.	Timing contingent upon DBM's need for additional external financing.
Central Electricity Board	About 10.0 (Bank)		Power II - expansion of power generation capacity.	Identification mission scheduled for January 1976.
RWANDA				
Ministry of Agriculture	About 7.0 (IDA)		Commercial Crops - Project to include additional extension staff for improvement of existing coffee production; construction of 150 additional manual pulping centers; planting of cinchona trees; land rehabilitation for improved foodcrop production; construction and improvement of lake landing points; technical assistance. Total cost estimated at about $8 million.	Negotiations tentatively scheduled for end of January 1976, pending agreement with Government on project components.

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
RWANDA (Cont'd)				
Ministry of Agriculture	About 15.0 (IDA)	(R)	Agricultural Development (livestock) - Rural development based on livestock and foodcrop production including roads, water supply, community and health centers and schools; lake fishing; extension services; eradication of tse-tse fly infestation. Total cost estimated at about $15 million.	Appraisal report being prepared. (Co-financing being explored.)
Rwandese Development Bank	2.0-4.0 (IDA)	(R)	Development Finance Company to assist the promotion of medium and small scale industries through Rwandese Development Bank.	Appraisal report being prepared.
SOMALIA				
Ministry of Agriculture	4.0 (IDA)	(R)	Northwest Region Agricultural Development - including land conservation, extension services, small-scale irrigation, water supply and pre-investment studies.	Appraisal report under review. (Co-financing to be firmed up.)
Drought Rehabilitation Commission	8.0 (IDA)	(R)	Drought Rehabilitation. Resettlement of nomads along Juba & Shebelli Rivers and rehabilitation of Rangelands. Total estimated cost about $55 million, including parallel financing as follows: for settlement sub-project, Arab Fund will contribute $20 million and African Development Fund $5.5 million; Kuwait Fund will solely finance Rangelands sub-project ($20 million).	Appraisal report for Rangelands sub-project handed over to Kuwait Fund. Final report on settlement being prepared.
To be determined	2.0 (IDA)	(R)	Technical Assistance - Assistance in project preparation.	Project processing suspended due to technical assistance now being received from other sources.
Ministry of Public Works	6.0 (IDA)		Roads III - Improvement of the Hargeisa-Borama highway (about 144 kms) with a spur to Tug Wajale (about 20 kms).	Consultants preparing engineering study. (Co-financing will be required.)
Ministry of Education	8.0 (IDA)	(R)	Education III - Expansion of basic education.	Project preparation to commence shortly in cooperation with UNESCO.
SUDAN				
Industrial Bank of Sudan	7.0 (IDA)	(R)	Second credit to Industrial Bank of Sudan.	Credit Agreement signed November 11.

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
SUDAN (Cont'd)				
Civil Aviation Department	20.0 (IDA)		Domestic Aviation - Improvement of airports and facilities in southern provincial capitals and at Port Sudan. Total project cost estimated at $66.5 million.	Appraisal report under prepa-ration. (Co-financing being sought.)
National Planning Commission	4.0 (IDA)	(R)	Credit to finance an expanded level of project preparation work.	Report under review.
Ministry of Agriculture	15.0 (IDA)		Livestock I - improvement to livestock marketing, delivery facilities and export trade.	Preparation report sent to Government. Further work on irrigation component require
Roads and Bridges Corporation	15.0 (IDA)	(R)	Highways II - Further development of roads on lines indicated by pre-paratory work under existing road project. Total project cost about $90.0 million.	Feasibility studies nearing completion. Detailed engine ing being arranged.
Ministry of Agriculture and Animal Production Corporation	6.0 (IDA)	(R)	Fisheries - Development of inland fisheries on the Nile.	Identification report prepar by FAO and sent to Governmen Preparation work scheduled t commence January 1976.
Agricultural Production Corporation and Ministry of Irrigation	15.0 (IDA)		Pump Scheme Rehabilitation - Rehabi-litation of existing pump schemes on the Blue and White Nile Rivers.	Review of preliminary data underway.
Sudan Railways Corporation	15.0 (IDA)		Railways IV - Further development of railway system.	Investment proposals under p aration by Sudan Railways Co poration and the Government.
To be determined	5.0 (IDA)		Research and Extension - Agricultural Research.	Will be prepared in cooperat with Ford Foundation.
Mechanized Farming Corporation	10.0 (IDA)		Third credit to the Mechanized Farming Corporation.	Project under preparation by consultants.
To be determined	10.0 (IDA)	(N)	Savannah Development Project compo-nents still to be identified.	Review of consultants' pro-posals underway.
SWAZILAND				
National Industrial Development Corporation	About 5.0 (Bank)	(R)	Development Finance Company - Assist-ance for promotion of medium-size industrial enterprise.	Project preparation underway
Ministry of Agriculture	About 7.0 (Bank)		Agriculture I - Extension of Govern-ment's rural development areas program to develop crop and livestock production in selected high potential areas. Activities would include improved extension; provision of crop production inputs; establishing multipurpose cooperatives; small-scale irrigation; and simple land conservation, and land reallocation.	Project preparation underway

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
SWAZILAND (Cont'd)				
Ministry of Education	About 7.0 (Bank)	(R)	Education II - Details to be identified.	Project identification scheduled for mid-1976.
TANZANIA				
Tanzania Investment Bank (TIB)	15.0 (Bank)	(R)	Second Bank Group operation for TIB.	Loan Agreement signed on November 12.
Tanzania Investment Bank	6.0 (IDA)	(R)	Technical Assistance - Assistance in project preparation, especially for the industrial sector.	Approved by Executive Directors on November 25.
Ministry of Agriculture and Cooperatives	18.0 (IDA)	(R)	Maize Development Project - To assist in expanding production of maize, the major staple of Tanzania.	Negotiations substantially completed. Presentation to Executive Directors scheduled for December 23. Procurement: Retroactive financing to be recommended for certain inputs for 1975 planting season and for technical assistance.
Ministry of Education	11.0 (IDA)	(R)	Education V. Training of management technicians and secondary school curriculum diversification.	Negotiations substantially completed. Presentation to Executive Directors scheduled for December. Procurement: Retroactive financing to be recommended for several training components of the project.
Ministry of Natural Resources and Tourism	9.0 (IDA)		Fisheries - Development of inland and coastal fishing.	Appraisal report under preparation.
Tanzania Electric Supply Company (TANESCO)	30.0 (Bank)	(R)	Power III - Second stage of Kidatu hydroelectric project.	Negotiations scheduled for January. (Co-financing with SIDA and KfW expected.) Procurement: Retroactive financing to be recommended for engineering services.
Ministry of Natural Resources and Tourism	8.0 (IDA)		Forestry I - Development of the forestry resources.	Appraisal report under preparation.
Ministry of Finance	To be determined (Bank/IDA)	(R)	Second Program Loan.	Appraisal report being prepared.

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
TANZANIA (Cont'd)				
Ministry of Commerce and Industries National Development Corporation (NDC)	23.0 (Bank)	(R)	Industry II - Development of an industrial estate at Morogoro.	Appraisal report being prepar
Office of Prime Minister	17.0 (IDA)		Rural Development II (Tabora) - Integrated rural development project and tobacco processing facilities.	Appraisal mission in field.
Ministry of Water and Power	10.0 (IDA)	(R)	Water Supply I - Water supply and sewerage development in secondary urban centers.	Appraisal mission in the field.
Ministry of Commerce and Industries, National Development Corporation (NDC)	35.0 (Bank)		Pulp and paper - Development of pulping plant and paper mill at Mifindi.	Project being prepared by NDC and consultant.
Office of Prime Minister	15.0 (IDA)		Rural Development - (Mwanza and Shinyanga)	Project being prepared by Government with the help of technical assistance being supported under the Kigoma Rural Development Project. (Cr. 508TA)
ZAIRE				
Department of Agriculture	8.0 (IDA)	(R)	Rehabilitation of cotton marketing for smallholders in Equateur region. Total project cost is about $14 million.	Appraisal report being prepared. FAC and ABEDIA are considering co-financing.
Water Authority (REGIDESO)	17.0 (IDA)	(R)	Water supply in six regional urban centers. Total project cost is $70 million.	Negotiations substantially completed. (Co-financing with ADB, UNDP and ABEDIA). Procurement: Contracts for detailed engineering of water systems for six Regional Cent have been awarded to IGIP of Federal Republic of Germany a IEU-DUMONS of France.
Department of Education	About 21.0 (IDA)	(R)	Education II - Technical education, focusing especially on agricultural education and rural teacher training. Total project cost for re-equipment or construction of 12 institutions is about $50 million.	Negotiations scheduled to sta about December 10. Procurement: Consultants for project design have been sele
Office National de L'Elevage	About 8.0 (IDA)		Livestock II - Livestock development in traditional herding sector and on small commercial and state ranches. Total project cost about $14 million.	Appraisal report being prepar
Bureau of National Transportation (ONATRA)	To be determined (IDA)		Rehabilitation and expansion of Matadi and Kinshasa ports.	Project being prepared by consultants.

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
ZAIRE (Cont'd)				
Department of Agriculture	To be determined (IDA)	(R)	Rehabilitation and extension of existing oil palm plantations.	Bank consultants have advised on the orientation of studies for project preparation and the Bureau pour le Development de la Production Agricole has started project preparation work.
SOFIDE	About 5.0 (IDA)	(R)	Credit for agro-industries and general agriculture.	UNDP/FAO assisting SOFIDE in establishing agricultural lending operations. Project pre-appraisal mission to be scheduled.
Department of Agriculture	To be determined (IDA)		Extension of market gardening in the environs of Kinshasa including land clearing, provision of equipment, farm inputs, credit and improvement of marketing facilities.	Pilot project financed by FAC is underway and studies for expansion being prepared by consultants.
ZAMBIA				
Development Bank of Zambia	15.0 (Bank)	(R)	DFC I - Financial assistance to newly formed development finance company for the financing of medium and large scale industrial and agricultural projects.	Negotiations essentially completed awaiting final agreement on documents by borrower.
Ministry of Finance	25.0 (Bank)	(R)	Program Loan II - to provide essential imports of capital goods and equipment.	Awaiting Government action on policy measures after which further appraisal will be required.
Ministry of Rural Development; Ministry of Education	About 15.0 (Bank)	(R)	Education IV - Improvement of farm training institution and agricultural extension services; establishment of 4 rural adult education centers and expansion of business and commerce training facilities.	Appraisal report being prepared.
Zambia Electricity Supply Corporation	About 40.0 (Bank)		Kafue hydroelectric project (Stage III) - Construction of diversion dam and 450 MW power station. Other alternatives being considered.	Project preparation underway.
Forest Department	15.0 (Bank)		Industrial Forestry II - Forest planting and wood processing.	Awaiting project preparation.
Ministry of Local Government and Housing	About 25.0 (Bank)	(R)	Urbanization II - provision of basic urban package including site and services and squatter upgrading to three copper-belt cities and four smaller rural centers.	Project preparation underway.

See p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
ZAMBIA (Cont'd)				
Ministry of Power, Transport and Works	To be determined (Bank)	(R)	Roads III - Road Maintenance and possibly a construction component.	Project identification unde way.
Ministry of Rural Development	To be determined (Bank)		Rural Water Supply - Provision and extension of water supply in small towns and rural areas.	Project identification underway.

ember Country, and orrower or nplementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
			II. WESTERN AFRICA	
ENIN				
inistere du Developpe-ent Rural et de 'Action Cooperative	6.0 (IDA)		Rural development - Agricultural diversification in the Atakora, Borgou and Zou districts with emphasis on maize, sorghum and rice production. Cotton program financed by Zou-Borgou project (Cr. 307) will also be expanded.	Preliminary draft appraisal report prepared. An IDA mission is likely to visit Benin early in 1976 to complete this project's field appraisal provided Government completes action on matters consequent to August/September discussions in Washington.
inistere des ravaux Publics, ransports, Postes et ommunications	8.0 (IDA)	(R)	Cotonou port expansion including construction of 1 or 2 additional berths.	Government has approved futher studies proposed by pre-appraisal mission, and these should commence by January 1976. Terms of reference now under active consideration. (Co-financing being considered).
inistere des Travaux ublics, Transports, ostes et ommunications	8.0 (IDA)	(R)	Highways III - strengthening and resurfacing and partial rehabilitation of Godomey-Bohicon road; maintenance program on paved roads; technical assistance.	Consultants have finalized report on maintenance program. Government and consultants to prepare engineering for resufacing and rehabilitation work.
AMEROON				
inistere e l'Equipement	15.0 (IDA)	(R)	Supplemental Loan - Second Highway Project. Participation together with Government in expected cost overrun tentatively estimated at about $70 million.	Government approval of revised project scope and financing plan awaited.
ffice National es Ports	25.0 (Bank)	(R)	Ports II - Dredging of channel, relocation and/or improvement of fishing port, construction of new log handling facilities and additional berths at Douala. Total cost estimated at $120 million.	Appraisal underway. Prequalification of contractors has been completed; bids called on December 1, 1975. (Co-financing probably with FED, FAC, Caisse Centrale, AfDB, ABEDIA and French, Canadian and German Governments.) Procurement: Retroactive financing of up to $1 million envisaged.
inistere des Mines e l'Energie	10.0 (Bank)		Water II & Sewerage I - Extension of water supply in urban centers; sewerage in Yaounde and Douala; storm drainage in Douala.	Identification and preparation mission scheduled for December 1975.
inistere de 'Education Nationale et inistere de 'Agriculture	17.0 (Bank)	(R)	Education III - Creation or extension of rural, agricultural, and technical education and training facilities. Total cost may be about $25 million.	Appraisal report being prepared. Procurement: Retroactive financing under consideration.

ee p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
CAMEROON (Con't)				
Societe Nationale d'Electricite du Cameroun (SONEL)	15.0 (Bank)	(R)	Hydroplant - Transmission and distribution lines.	Awaiting feasibility studies alternative hydro-plants.
Ministere de l'Agriculture	8.0 (Bank)	(R)	SEMRY II project following irrigated rice development.	Mission to Cameroon in Novemb reviewed with Government and lenders status of proposed pr ject and possible additional preparation work required.
Ministere de l'Equipement	20.0 (Bank)		Roads III - Highway maintenance.	Government's decision taken o consultant's technical propos Maintenance study scheduled t commence in January 1976, but may be changed due to delay i contract awarding.
Ministere de l'Agriculture	15.0 (IDA)	(R)	Rural development of Plaine des M'bos.	Final version of feasibility study, based on Bank comments the preliminary report being reviewed. Appraisal tentativ scheduled for February 1976.
Ministere de l'Agriculture	10.0 (Bank)	(N)	SOCAPALM II - Development of 5,000 ha of estate oil palm and 500 ha of small holder plantations.	Completion of preparation by Government tentatively scheduled for March 1976.
Ministere de l'Agriculture	10.0 (Bank)	(N)	CAMDEV II - Development of 6,000 ha rubber at Kompina and 3,000 ha estate plus 1,000 ha small holder oil palm plantations at Idenau.	Completion of preparation by Government tentatively schedu September 1976.
Regifercam	2.0 (Bank)	(N)	Railway Engineering Loan - detailed engineering of new Douala Station and marshalling yard.	Appraisal report being prepar (Possible co-financing with t Federal Republic of Germany a AfDB) Procurement: some retroactiv financing under consideration
CENTRAL AFRICAN REPUBLIC				
Ministere des Travaux Publics et des Transports	8.0 (IDA)	(R)	Bangui-Bossembele Road - Improvement of 156 km of road.	Detailed engineering complete Identification mission report being prepared.
To be determined	8.0 (IDA)	(R)	Agricultural development.	Identification mission in the field.
CHAD				
Ministere des Travaux Publics et de l'Amenagement du Territoire	15.0 (IDA)	(R)	Third highway project - Construction to all-weather standards of about 120 km of selected roads used for transporting fibre cotton from ginneries to export outlets; road maintenance (second phase); ferry-boat rehabilitation program; pre-investment studies for future project.	Preinvestment studies which will commence shortly are being financed under the second highway project.

see p. 1 for footnotes.

Member Country, and Borrower or Implementing Agency 1/	Amount and Probable Lender 2/		Project 3/	Stage of Processing and Action on Procurement 4/
CHAD (con't)				
Ministere des Travaux Publics et de l'Amenagement du Territoire	5.0 (IDA)	(R)	Polders - Irrigated development of 1,200 ha of very fertile soils located in north eastern part of Lake Chad, for production of cotton and wheat. Projectt cost estimated at $13 million and foreign exchange component at $10.4 million.	Credit approved by Executive Directors on November 11.
To be determined	8.0 (IDA)	(R)	Rural Project Fund - Financing through a revolving fund 50 small pump irrigation schemes; pilot livestock project in Kanem-Lake Chad region; construction and rehabilitation of livestock wells and preparatory work on new projects.	Preappraisal mission is in the field.
To be determined	6.0 (IDA)	(R)	Rural Education.	Mission scheduled for December to verify findings of UNESCO identification mission.
CONGO, PEOPLE'S REPUBLIC OF THE
