Re: IBRD Loan No. 8547-GE and IBRD Loan No. 8788-GE  
(East-West Highway Corridor Improvement Project)  
Additional Instructions: Disbursement and Financial Information Letter (DFIL)

Excellency:

I refer to the Loan Agreement ("Agreement") between the International Bank for Reconstruction and Development ("World Bank"), and Georgia (the "Borrower") for the above-referenced project dated February 10, 2016 and the scale up additional financing dated December 4, 2017. The Agreement provides that the World Bank may issue additional instructions regarding the withdrawal of the proceeds of Loan No. 8547 and Loan No. 8788 ("Loans"). This first revised letter includes both the original and scale-up projects. The General Conditions, as defined in the Loan Agreement, provide that the Borrower may from time to time request withdrawals of Loan Amounts from the Loan Account in accordance with the Disbursement and Financial Information Letter, and such additional instructions as the Bank may specify from time to time by notice to the Borrower. The General Conditions also provide that the Disbursement and Financial Information Letter may specify Project specific financial reporting requirements.

I. Disbursement Arrangements, Withdrawal and Reporting of Loan Proceeds

(i) Disbursement Arrangements

- **Instructions** (Schedule 1). The table provides the disbursement methods which may be used by the Borrower, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.

- **Disbursement Deadline Date, DDD (subsection 3.7)**. The DDD is four (4) months after the Closing Date. Any changes to this date will be notified by the Bank.
(ii) Electronic Delivery. Refer to section 10.01 (c) of the General Conditions.

The Bank may permit the Borrower to electronically deliver applications (with supporting documents) through the Bank’s web-based portal (https://clientconnection.worldbank.org) “Client Connection”. This option may be effected if the officials designated in writing by the Borrower who are authorized to sign and deliver Applications have registered as users of “Client Connection”. The designated officials may deliver Applications electronically by completing the Form 2380, which is accessible through “Client Connection”. By signing the Authorized Signatory Letter, the Borrower confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the Bank by electronic means. The Borrower may continue to exercise the option of preparing and delivering Applications in paper form. The Bank reserves the right and may, in its sole discretion, temporarily or permanently disallow the electronic delivery of Applications by the Borrower. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Borrower confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the Bank’s public website at https://worldbank.org and “Client Connection”; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits

(i) Financial Reports. The Borrower shall prepare and furnish to the Bank not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports (IFR) for the Project covering the quarter.

(ii) Audits. Each audit of the Financial Statements shall cover the period of one fiscal year of the Borrower. The audited Financial Statements for each such period shall be furnished to the Bank not later than six (6) months after the end of such period and after the closing date of the project.

III. Other Information

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Bank’s public website and “Client Connection”. The Bank recommends that you register as a user of “Client Connection”. From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Loan, and retrieve related policy, financial, and procurement information.
