SCHEDULE 1

Project Description

The objective of the Project is to provide access and better transport services to the Recipient’s rural and urban communities through improvement of essential rural infrastructure and important Bamako transport infrastructure.

The Project constitutes part of the Program, and consists of the following parts:

1. Rural Access

   (a) Earth Road Rehabilitation

      (i) Approximately 210-kilometer section of Kita-Toukoto-Bafoulabé road, in Kayes region.

      (ii) Approximately 140-kilometer section of Bandiagara-Douantza-Togo Tongo ramp, in Mopti region.

   (b) Rural Road Maintenance

      (i) Approximately 600-kilometer section in Malian Textile Development Company zone, and approximately 400-kilometer section in Upper Niger Valley Agency zone.

      (ii) Approximately 400 kilometers specifically addressing priority needs of rural communities.

      (iii) Approximately 400 kilometers, including approximately 127 kilometers of Fana-Dioïla-Massigui-Koualé road and approximately 70 kilometers of Dioïla-Sorokoro-Fana road, on basis of long-term performance-based contracts.

   (c) Socioeconomic Infrastructure and Equipment

      Financing of small-scale socio-economic community infrastructure, along roads rehabilitated under Part 1 (b) of the Project, such as:

      (i) School rehabilitation;

      (ii) Construction of cooperative management and training centers and community shops;

      (iii) Equipping of rural markets;
(iv) establishment of multifunctional agricultural production platforms, small ferry, and access ramp on Niger River;

(v) drilling of wells, and provision of related pump equipment; and

(vi) provision of solar energy equipment.

(d) Wharf Rehabilitation and Reconstruction

Rehabilitation or reconstruction of four (4) wharves along Niger River – Diafarabé, Dioro, Konna, and Ténenkou – for purposes of improving fluvial transport and contributing to opening up of isolated rural areas.

2. Bamako Transport System

(a) Works

(i) Rehabilitation of Boulevard du Peuple (People’s Boulevard), including:

(A) rebuilding of approximately 1.3-kilometer section of road to comprise four (4) lanes, two (2) for high-capacity buses, and two (2) for other road users, and marked sidewalks; and

(B) construction of two (2) footbridges.

(ii) Building of minibus ring road:

(A) construction of approximately 4.8-kilometer closed circular minibus thoroughfare (Anneau Société de Transport du Mali (Mali Transport Company Ring)), including passenger embarkation and disembarkation notches and shelters, around town center; and

(B) rehabilitation or transformation of certain junctions, reorientation of streets in impact zone of construction activity, development of pedestrian links and bridges, clearly marked and protected pedestrian crossings, conversion of certain two-way roads into one-way, and installation of public lighting, and traffic lights at certain junctions.

(iii) Transformation of approximately 1.7 kilometers of downtown streets, including restriction of minibus access, relocation of
small business stalls, and building of sidewalks, for purposes of improving pedestrian conditions.

(b) Institutional Support

Capacity building of Traffic and Urban Transport Regulation Directorate, through provision of technical assistance, carrying out of training, and acquisition of equipment and materials, with respect to:

(i) parking and traffic management and regulation;

(ii) urban public transportation organization;

(iii) air pollution; and

(iv) collection, processing, and utilization of road-accident statistics and remedial action with regard to accidents.

3. Institutional Strengthening and Project Management

(a) Provision of support to Recipient entities, such as National Roads Directorate, National Land, Maritime, and Fluvial Transport Directorate, National Sanitation and Pollution Inspection Directorate, National Hydraulics Directorate, Road Authority, and Traffic and Urban Transport Regulation Directorate, in implementation of financial and institutional mechanisms aimed at sustainable road maintenance.

(b) Implementation of Environmental and Social Management Framework Environmental and Social Management Plans, Resettlement Framework, and Resettlement Plans and monitoring of mitigation measures relating to potential adverse environmental and social impacts associated with Project activities.

(c) Specific monitoring of transport-sector related HIV / AIDS prevention and sensitization campaigns under Multi-Sectoral HIV / AIDS Project.

(d) Development and implementation of medium-term transport sector strategy, including capacity building activities for various Project implementation entities and carrying out of rural road access index study.

(e) Project management, including carrying out of financial and technical audits and financing of operating costs.

(f) Project monitoring and evaluation.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. Ministry at the time Responsible for Roads

The ministry at the time responsible for roads shall be responsible for coordination, management, and oversight of Project implementation.

2. Steering Committee

(a) The Recipient shall maintain, throughout Project implementation, the Steering Committee referred to in Section 5.01 (b) of this Agreement, in form and substance and with functions and resources satisfactory to the Association, including composition as set out in said provision.

(b) Without limitation upon the provisions of subparagraph (a) of this Section, the Steering Committee shall be responsible for the application of defined policy orientations with respect to Project and Program implementation, and overall Project and Program oversight, and ensuring communication and collaboration amongst stakeholders, including road users, and shall meet at least twice a year for this purpose.

3. National Coordination Unit

(a) The Recipient shall maintain, throughout Project implementation, the National Coordination Unit, in form and substance and with functions and resources satisfactory to the Association, including staff with qualifications, experience, and terms of reference satisfactory to the Association, including that referred to in Section 5.01 (c) of this Agreement.

(b) Without limitation upon the provisions of subparagraph (a) of this Section, the National Coordination Unit shall be responsible for overall Project coordination and implementation, including financial management, procurement, environmental and social monitoring and mitigation, and monitoring and evaluation. As such, it shall: (i) consolidate the annual work plans and budgets referred to in Section V.A of this Schedule; (ii) monitor implementation; (iii) produce
periodic implementation reports; (iv) maintain records and accounts in relation to its transactions; (v) prepare the financial reports referred to in Part II.B.2 of this Schedule; (vi) ensure procurement operations quality; (vii) implement, and manage Financing proceeds under, Part 3 of the Project; and (viii) carry out monitoring and evaluation.

4. **Technical Committee**

   (a) The Recipient shall maintain, throughout Project implementation, the Technical Committee referred to in Section 5.01 (d) of this Agreement, in form and substance and with functions and resources satisfactory to the Association, including composition as set out in said provision.

   (b) Without limitation upon the provisions of subparagraph (a) of this Section, the Technical Committee shall be responsible for implementation monitoring and ensuring effective communication between Project implementing entities, and shall meet at least monthly for this purpose.

5. **Other Project Entities**

   (a) The Recipient shall maintain, throughout Project implementation, the National Roads Directorate, the National Land, Maritime, and Fluvial Transport Directorate, the Technical District Commune Support Unit, and the Traffic and Urban Transport Regulation Directorate, all in form and substance and with functions and resources satisfactory to the Association, including staff with qualifications, experience, and terms of reference satisfactory to the Association.

   (b) Without limitation upon the provisions of subparagraph (a) of this Section, said entities shall be responsible for implementation of various parts of the Project as follows:

   (i) **National Roads Directorate**: Part 1 (a)-(c) of the Project in accordance with the provisions of the delegated works management contracts referred to in Section 5.01 (e) of this Agreement, as concluded with the Road Works Execution Agency for Part 1 (a) and (b) (iii) of the Project, and the Infrastructure and Rural Equipment Works Execution Agency for Part 1 (b) (i) and (ii) and (c) of the Project, respectively.

   (ii) **National Land, Maritime, and Fluvial Transport Directorate**: Part 1 (d) of the Project in accordance with the provisions of the delegated works management contract referred to in
Section 5.01 (e) of this Agreement, as concluded with the Infrastructure and Rural Equipment Works Execution Agency.

(iii) **Technical District Commune Support Committee**: Part 2 (a) of the Project in accordance with the provisions of the delegated works management contract referred to in Section 5.01 (e) of this Agreement, as concluded with the Road Works Execution Agency.

(iv) **Traffic and Urban Transport Regulation Directorate**: Part 2 (b) of the Project.

B. **Manuals**

Except as the Association shall otherwise agree, the Recipient shall: (i) carry out the Project in accordance with the Project Implementation Manual; and (ii) except as the Association shall otherwise agree, not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof, in a manner which, in the opinion of the Association, may materially or adversely affect Project implementation or achievement of the objective thereof.

C. **Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. **Safeguards**

1. The Recipient shall ensure that the Project is implemented in accordance with the provisions of the Environmental and Social Management Framework, Environment and Social Management Plans, Resettlement Framework, and Resettlement Plan, and, except as the Association shall otherwise agree, the Recipient shall not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, any provision of the aforementioned if such amendment, abrogation, or waiver may, in the opinion of the Association, materially or adversely affect Project implementation or achievement of the objective thereof.

**Section II. Project Monitoring, Reporting and Evaluation**

A. **Project Reports**

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators
set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one (1) calendar year, and shall be furnished to the Association not later than 45 days after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than 45 days after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advances was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods and Works**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made for payments made prior to the date of this Agreement, except that withdrawals for Eligible Expenditures up to an aggregate amount not to exceed $500,000 equivalent under Category (1), and $500,000 equivalent under Category (4), may be made for payments made prior to this date but on or after February 1, 2007.

2. The Closing Date is December 31, 2011.

Section V. Other Undertakings

A. Annual Work Plans and Budgets

The Recipient shall furnish to the Association as soon as available, but in any case no later than September 1 of each year, an annual work plan and budget for the Project for the following year, in form and substance satisfactory to the Association and of such scope and detail as the Association shall have reasonably requested, except for the annual work plan and budget due no later than September 1, 2007, which shall be furnished no later than October 1, 2007 or thirty (30) days after the Effective Date, whichever is sooner.

B. Midterm Review

The Recipient shall:

1. (a) carry out jointly with the Association, no later than twenty-four (24) months after the Effective Date, a midterm review to assess the status of Project implementation, as measured against the performance indicators referred to in Section II.A.1 (a) of this Schedule. Such review shall include an assessment of the following: (i) overall progress in Project implementation, (ii) implementation of annual work plans and budgets, (iii) progress on procurement and disbursement, and (iv) results of monitoring and evaluation activities; and

(b) make adjustments to the Project and reallocate funds to improve performance, if needed;

2. Prepare and furnish to the Association, three (3) months before such review, a report, in form and substance and scope and detail satisfactory to the Association, needed to undertake the review, integrating the results of the monitoring and evaluation activities performed pursuant to paragraph 1 (a) of this Section on the progress achieved in the carrying out of the Project during the period preceding
the date of said report and setting out the measures recommended to ensure the
efficient carrying out of the Project and the achievement of the objective thereof
during the period following such date; and

3. Review, jointly with the Association, the report referred to in paragraph 2 of this
Section and thereafter take all measures required to ensure the efficient
completion of the Project and the achievement of the objective thereof, based on
the conclusions and recommendations of said report and the Association’s views
on the matter.

C. Other

1. The Recipient shall recruit, no later than one (1) month after the Effective Date
and in accordance with the provisions of Section III of this Schedule, an external
auditor, with qualifications, experience, and terms of reference satisfactory to the
Association, for purposes of the audit referred to in Section II.B.3 of this
Schedule.

2. The Recipient shall ensure that, no later than September 30, 2007, funds
allocated to road maintenance as reflected in its draft 2008 Finance Law are at a
minimum FCFA 14,500,000,000, and that, no later than September 30, 2008,
2009, and 2010, respectively, said funds as reflected in its draft 2009, 2010, and
2011 Finance Law, respectively, shall be those agreed with the Association.

3. The Recipient shall, no later than December 31, 2008, ensure that at least
40 percent of its dedicated yearly road maintenance funds are generated by road
user fees, and, no later than December 31, 2011, ensure that this is the case for at
least 70 percent of said funds.
