SCHEDULE 1

Project Description

The objective of the Project is to enhance the climate resilience of key transport and drainage infrastructure in the Target Area while strengthening the Recipient’s capacity to manage and prevent natural disasters.

The Project consists of the following parts:

Part A. Rehabilitation of Roads and Urban Infrastructure

Implementation of a program of activities to rehabilitate the Recipient’s deteriorated and flood-affected roads and urban infrastructure in the Target Area, including, *inter alia*:

1. Reconstruction or rehabilitation of structures on the Recipient’s NR-1 route, including, *inter alia*, installation of slope protection mechanisms, stabilization of embankments, rehabilitation of drainage systems, redirection of groundwater and rehabilitation and stabilization of related road pavements.

2. Construction or rehabilitation of urban infrastructure in the Target Area including, *inter alia*:
   (a) reinforcement of channels of approximately 7.5 km along the Recipient’s Nyabagere and Kinyankonge rivers;
   (b) construction of a channel on the Recipient’s Gasenyi river;
   (c) resizing of water outlets underneath the Recipient’s RN-9 route;
   (d) construction of a lined canal in the Recipient’s district of Carama; and
   (e) dredging of the canal, upstream of the Recipient’s Buterere waste water treatment plant to improve downstream flow and fortification of the retention walls of said treatment plant.

Part B. Capacity Strengthening in Disaster Risk Management

Implementation of a program of activities to enhance the Recipient’s capacity in natural disaster response and risk management, consisting of, *inter alia*:

1. Capacity strengthening in disaster risk management, including *inter alia*, (a) carrying out of an evaluation and mapping of natural disaster risks in the Target Area including potential impact on infrastructure; (b) establishment of a system of prevention, early warning and response in areas at risk of landslides to avoid the formation of water reservoirs and enable evacuation procedures; (c) establishment of a strategic information system to prioritize structural and non-structural risk mitigation activities; and (d) carrying out of advocacy activities, communication campaigns,
and training for Target Area residents on risk-monitoring and water and soil conservation.

2. Establishment of capacity to respond promptly and efficiently to an Eligible Crisis or Emergency, consisting of providing immediate response to an Eligible Crisis or Emergency, as needed, including mitigation, recovery and reconstruction.

Part C. Institutional Support, Project Management and Coordination

1. Provision of institutional support to relevant agencies of the Recipient in the management and maintenance of its road networks.

2. Project coordination, management and monitoring, preparation of financial and technical audits and periodic evaluations, and provision of goods, Training, Operating Costs and consultants’ services required therefor.
SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. Project Steering Committee

   (a) The Recipient shall establish and maintain, at all times during the implementation of the Project, a Project inter-ministerial technical steering committee with a mandate, composition and resources satisfactory to the Association ("Project Inter-Ministerial Technical Steering Committee").

   (b) Without limitation upon the provisions of paragraph (a) of Section I.A.1 of this Schedule 2, the Project Inter-Ministerial Technical Steering Committee shall be chaired by a representative of the MTPWE and shall be comprised of, inter alia, representatives of the Recipient’s ministries responsible for water, environment, urban and regional planning, sanitation, and public security and representatives of relevant public institutions.

   (c) The Project Inter-Ministerial Technical Steering Committee shall meet at least semi-annually and shall be responsible for Project oversight, including inter alia: (i) reviewing the proposed Annual Work Plans and Budgets for the Project; (ii) providing overall Project oversight and strategic guidance; (iii) facilitating adequate coordination with relevant stakeholders and alignment with sector strategies; and (iv) identifying necessary Project adjustments based on monitoring and evaluation reports.

2. PMU

   (a) The OdR shall be responsible for overall coordination of the Project. To facilitate the carrying out of Part A.I of the Project, the Recipient shall maintain at all times during the implementation of the Project, the PMU within OdR with composition, terms of reference and resources satisfactory to the Association.

   (b) Without limitation upon the provisions of Paragraph (a) of Section I.A.3 of this Schedule 2, the PMU shall at all times: (i) be comprised of qualified and experienced personnel in adequate numbers, and to this end, inter alia, recruit a project director, a procurement specialist, a financial management specialist, a chief accountant, an assistant accountant, an administrative assistant, and a monitoring and evaluations specialist, all in accordance with Section III of this Schedule 2, with qualifications and terms of
reference acceptable to the Association; and (ii) be responsible for the day-
to-day Project coordination and implementation of Part A.1 of the Project,
including: (A) preparing proposed Annual Work Plan and Budget for Part
A.1 of the Project, updating the Procurement Plan and preparing the
Project reports for Part A.1 of the Project for the Project Inter-Ministerial
Technical Steering Committee; (B) carrying out the relevant Project
procurement activities including developing and maintaining a
comprehensive procurement filing system for Part A.1 of the Project; and
(C) coordinating the monitoring and evaluation activities for said part of
the Project.

B. Project Management Contract

1. To facilitate the carrying out of Parts A.2 and B of the Project, the Recipient shall
execute a management contract with BAPW, under terms and conditions approved
by the Association in accordance with Section III of this Schedule 2 (“Project
Management Contract”).

2. The Recipient shall obtain, under the Project Management Contract, rights
adequate to protect the interests of the Recipient and the Association, including the
right to require BAPW to:

(a) carry out its activities under the Parts A.2 and B of the Project with due
diligence and efficiency and in accordance with sound technical,
economic, financial, managerial, environmental and social standards and
practices satisfactory to the Association, including, without limitation to
the generality of the foregoing, in accordance with the provisions of the
Anti-Corruption Guidelines applicable to recipients of Financing proceeds
other than the Recipient, the Project Implementation Manual, the
provisions of Section III of this Schedule 2, and the Safeguards
Instruments;

(b) maintain policies and procedures, adequate to enable BAPW to monitor
and evaluate, in accordance with indicators acceptable to the Association,
the progress of the activities carried out under Parts A.2 and B of the
Project and the achievement of the objectives thereof;

(c) (i) maintain a financial management system and prepare financial
statements in accordance with consistently applied accounting standards
acceptable to the Association, both in a manner adequate to reflect the
operations, resources and expenditures related to the activities carried out
under Parts A.2 and B of the Project; and (ii) at the Association’s or the
Recipient’s request, have such financial statements audited by
independent auditors acceptable to the Association, in accordance with
consistently applied auditing standards acceptable to the Association, and
furnish promptly to the Recipient and the Association the financial statements as so audited;

(d) enable the Recipient and the Association to inspect the activities carried out under Parts A.2 and B of the Project, their operation and any relevant records and documents; and prepare and furnish to the Recipient and the Association all such information as the Recipient or the Association shall reasonably request relating to the foregoing; and

(e) refund any amount of the Financing then withdrawn, upon the Recipient’s or the Association’s determination that BAPW has failed to perform any of BAPW’s obligations under the Project Management Contract.

3. The Recipient shall ensure the payment of appropriate fees to BAPW for its services under the Project Management Contract, in accordance with the provisions of the Project Implementation Manual.

4. The Recipient shall exercise its rights and carry out its obligations under the Project Management Contract in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing.

5. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate, or waive, or permit to be assigned, amended, abrogated, or waived the Project Management Contract or any provisions therein.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Project Implementation Manual

1. The Recipient shall prepare or cause to be prepared, in accordance with terms of reference acceptable to the Association, a Project implementation manual, containing detailed arrangements and procedures for: (a) institutional coordination and day-to-day execution of the Project; (b) Project budgeting, disbursement and financial management; (c) procurement; (d) monitoring and evaluation, reporting and communication; (e) environmental and safeguard management; and (f) such other administrative, financial, technical and organizational arrangements and procedures as shall be required for the Project.

2. The Recipient shall afford the Association a reasonable opportunity to review and approve such manual, and shall thereafter adopt such manual as shall have been approved by the Association (“Project Implementation Manual”).
3. The Recipient shall carry out the Project in accordance with the Project Implementation Manual and shall, not amend, abrogate, waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof, without the prior written consent of the Association.

4. In the event of any conflict between the provisions of the Project Implementation Manual and those of this Agreement, the provisions of this Agreement shall prevail.

E. Annual Work Plans and Budgets

1. Not later than November 30 in each calendar year or one month before the end of the Recipient's fiscal year (or three months after the Effective Date for the first year of Project implementation), the Recipient shall prepare or cause to be prepared for the purpose of forwarding to the Association, a draft annual work plan and budget for the Project (including Training and Operating Costs) for the subsequent calendar year of Project implementation, of such scope and detail as the Association shall have reasonably requested.

2. The Recipient shall afford the Association a reasonable opportunity to review such draft annual work plan and budget, and thereafter shall carry out (or cause to be carried out) such annual work plan and budget during such subsequent calendar year as shall have been approved by the Association ("Annual Work Plan and Budget"). Only those activities that are included in an Annual Work Plan and Budget shall be eligible for financing out of the proceeds of the Financing.

3. Any Training proposed to be included in an Annual Work Plan and Budget, shall include, inter alia: (a) particulars of the Training envisaged; (b) the criteria for selection of the personnel to be trained, and such personnel if known; (c) the selection method of the institution or individuals conducting such Training; (d) the institution conducting such Training if identified; (e) the purpose and justification for such Training; (f) the location and duration of the proposed Training; and (g) the estimate of the cost of such Training.

4. Annual Work Plans and Budgets may be revised as needed during Project implementation subject to the Association's prior written approval.

F. Safeguards

1. The Recipient shall, prior to commencing any activities under Part A of the Project:

(a) prepare, or cause to be prepared, the relevant Safeguards Instruments under terms of reference satisfactory to the Association;
(b) furnish to the Association the Safeguards Instruments mentioned in paragraph (a) above and afford the Association a reasonable opportunity to review and approve said instruments; and

(c) thereafter, adopt such Safeguards Instruments, as shall have been approved by the Association, and disclose them in country and in the association's InfoShop.

2. The Recipient shall: (a) take such measures, or cause such measures to be taken, as shall be necessary or appropriate to ensure full compliance with the requirements of such Safeguards Instruments; and (b) if any activity under the Project would involve Affected Persons, ensure that no displacement (including restriction of access to legally designated parks and protected areas) shall occur before resettlement measures under the RAP, including, in the case of displacement, full payment to Affected Persons of compensation and of other assistance required for relocation, have been taken.

3. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall (and shall cause BAPW to), for each Safeguards Instrument, regularly collect, compile and furnish to the Association reports in form and substance satisfactory to the Association, on the status of compliance with each Safeguards Instrument, as part of the Project Reports, giving details of:

(a) measures taken in furtherance of such Safeguards Instrument;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Safeguards Instrument; and

(c) remedial measures taken or required to be taken to address such conditions.

4. The Recipient shall not amend, waive or otherwise modify any provision of the Safeguards Instruments without the prior written consent of the Association (or permit them to be so amended, waived or otherwise modified).

5. In the event that any provision of the Safeguards Instruments shall conflict with any provision under this Agreement, the provisions of this Agreement shall prevail.

6. The Recipient shall ensure that all terms of reference for any technical assistance and studies to be carried out under the Project are consistent with the Association's environmental and social safeguard policies.

G. **Immediate Response Mechanism**

In order to ensure the proper implementation of Part B.2 of the Project, the Recipient shall:
1. (a) prepare and furnish to the Association for its review and approval, an operations manual which shall set forth detailed implementation arrangements for Part B.2 of the Project, including:

(i) confirmation of designation of, terms of reference for, and resources to be allocated to, the entity to be responsible for coordinating and implementing Part B.2 of the Project ("Coordinating Authority");

(ii) specific activities which may be included in Part B.2 of the Project, Eligible Expenditures required therefor ("Emergency Expenditures"), and any procedures for such inclusion;

(iii) financial management arrangements for Part B.2 of the Project;

(iv) procurement methods and procedures for Emergency Expenditures to be financed under Part B.2 of the Project;

(v) documentation required for withdrawals of Emergency Expenditures;

(vi) environmental and social safeguard management frameworks, including any Environmental and Social Screening and Assessment Framework for Part B.2 of the Project, consistent with the Association's policies on the matter; and

(vii) any other arrangements necessary to ensure proper coordination and implementation of Part B.2 of the Project;

(b) afford the Association a reasonable opportunity to review said proposed operations manual;

(c) promptly adopt such operations manual for said Part B.2 of the Project as shall have been approved by the Association ("IRM Operations Manual");

(d) ensure that Part B.2 of the Project is carried out in accordance with the IRM Operations Manual; provided, however, that in the event of any inconsistency between the provisions of the IRM Operations Manual and this Agreement, the provisions of this Agreement shall prevail; and

(e) refrain from amending, suspending, abrogating, repealing or waiving any provision of the IRM Operations Manual without prior approval by the Association.
2. The Recipient shall, throughout the implementation of Part B.2 of the Project, maintain the Coordinating Authority, with qualified staff and financial resources satisfactory to the Association.

3. The Recipient shall undertake no activities under Part B.2 of the Project (and no activities shall be included in said Part of the Project) unless and until the following conditions have been met in respect of said activities:

   (a) the Recipient has determined that an Eligible Crisis or Emergency has occurred, has furnished to the Association a request to include said activities in Part B.2 of the Project in order to respond to said Eligible Crisis or Emergency, and the Association has agreed with such determination, accepted said request and notified the Recipient thereof; and

   (b) the Recipient has prepared and disclosed all safeguards instruments required for said activities, in accordance with the IRM Operations Manual, the Association has approved all such instruments, and the Recipient has implemented any actions which are required to be taken under said instruments.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators acceptable to the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish (or cause to be prepared and furnished) to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the
Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

4. No later than three (3) months after the Effective Date, the Recipient shall recruit, in accordance with the provisions of Section III of this Schedule 2, external financial auditors, with qualifications, experience, and terms of reference satisfactory to the Association, for purposes of the audit referred to in Section II.B.3 of this Schedule.

5. In furtherance of the provisions of this Section II.B of this Schedule 2, the Recipient shall: (a) establish, within the PMU, a computerized financial and accounting system satisfactory to the Association, and successfully train relevant staff in the use thereof; and (b) no later than three (3) months after the Effective Date, train all fiduciary staff of the PMU and BAPW on the Association’s fiduciary procedures.

Section III. Procurement
