SCHEDULE 1

Project Description

The objective of the Project is to strengthen the Recipient’s capacity to plan, execute and report on its budget and to improve the transparency and accountability of the budgetary systems and processes.

The Project consists of the following parts, subject to such modifications thereof as the Recipient and the Association may agree upon from time to time to achieve such objectives:

PART A: Strengthen Treasury and Budget Management

Establish TABMIS to support budgeting, control, monitoring and accounting at central, provincial and local government levels, consisting of:

1. (a) Procurement, development, and deployment of TABMIS, and rolling-out of TABMIS deployment to all treasury and financial offices at central, provincial, and district levels and the MPI, including hardware, software, and services; (b) development and implementation of a plan for change management and training to enable the adoption and operationalization of said system; and (c) strengthening of institutional capacity for TABMIS implementation and operation.

2. (a) Implementation of budget allocation module at treasury offices and financial agencies from the central level to the district level, as well as ministries and government agencies; and (b) rolling out of budget allocation module to selected major supervising agencies at the central budget level.

3. Undertaking of further financial management rationalization and reform, including: (a) preparation for an effective cash management system including cash forecasting and operationalization of a treasury single account; and (b) preparation for establishment of state accounting general function.

4. Undertaking of preparation work towards a government financial management information system, including: (a) development of model, roadmap, technical requirements and bidding document for a portal providing access to TABMIS by spending units and planning and investment agencies at all levels; and (b) development of a model and roadmap for a government financial management information system.
PART B: Strengthen State Budget and Investment Planning

Carrying out a program to strengthen budget and investment planning capacity, consisting of:

1. (a) Development of a MTFF by MOF and MPI, to link national development goals and expenditures planning processes and to integrate planning of recurrent and capital expenditures; and (b) strengthening of their capacity to oversee the development of MTEFs at the sectoral and provincial levels.

2. Preparation of MTFFs and MTEFs in selected sectors and selected provinces to link spending at the sectoral or provincial level with national policy strategies.

3. Introduction of medium-term budget planning approach to relevant senior National Assembly deputies and government officials; and dissemination of the lessons of the pilot MTFFs and MTEFs to facilitate the roll-out of medium-term budget planning.

4. Preparation of guidelines for nationwide implementation of MTEF and MTFF.

5. Carrying out of feasibility study and development of technical requirements for a budget preparation system in line with the conclusion of the feasibility study.

PART C: Strengthen the Management of Public Debt and other Fiscal Risks

Carrying out a program to manage public debts and fiscal risks, consisting of:

1. Strengthening of the institutional capacity and instruments for public debt management and recording, and risk management, through the clarification of roles and reporting relationships among the relevant agencies; the development of a public debt strategy, including development of debt management objectives; adoption of a risk management framework; and the provision of debt recording, consolidation and management systems, and development of a strategy to develop future debt and risk management systems.

2. Strengthening of monitoring of the fiscal risks arising from liabilities of state-owned enterprises, through formulation of necessary legal framework and monitoring indicators; and enhancement of institutional capacity.

PART D: Project Implementation Support

Strengthen the Recipient’s Project implementation capacity, including audit of Project accounts and activities, preparation of follow-on activities, and strengthening of the procurement and financial management capacity of the PMU.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. 2. The Steering Committee shall be responsible for providing overall guidance and direction in the implementation of the Project and to ensure the Project activities are coordinated with other national initiatives for public administration reform.

3. The Recipient shall maintain at all times during the implementation of the Project, a PMU within MOF for overall Project management and administration; coordination among relevant departments within the MOF, and with other relevant agencies and line ministries; monitoring and evaluation of Project activities; said Unit to be under the direction of experienced managers, provided with sufficient resources, and staffed with competent personnel in adequate numbers, including without limitation, a Project director, a finance officer supported by an accountant, a cashier and assistant; procurement specialists and IT specialists; all under terms of reference acceptable to the Association.

4. The Recipient shall:

   (a) maintain a financial management manual satisfactory to the Association, to serve as reference and training manual to Project staff; said manual shall set forth, *inter alia*, the organizational structure and responsibilities in regard to financial management, fund flow arrangements, staffing and training requirements, financial accounting systems, internal control mechanisms, financial reporting requirements and procedures, auditing arrangements, and samples and forms; and

   (b) provide training to the PMU staff in financial management and disbursement in a manner satisfactory to the Association.
5. The Recipient shall:

(a) by no later than May 31 and November 30 of each year, furnish to the Association for its review and comments, a semi-annual work program; and

(b) thereafter implement said work program in a manner satisfactory to the Association, taking into consideration the Association’s view thereon.

6. The Recipient shall:

(a) by no later than November 30 of each year, furnish to the Association for its prior concurrence, an annual plan for the maintenance and, if necessary, upgrade of the hardware and software, and the connectivity of said system, said annual plan to include the estimated costs therefor; and

(b) thereafter, carry out such plan in a manner satisfactory to the Association.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each calendar semester, interim unaudited financial reports for the Project covering the semester, in form and substance satisfactory to the Association.
3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods. All goods required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

Section II. Modifications to the Anti-Corruption Guidelines

The modifications to the Anti-Corruption Guidelines are as follows:

1. Section 5 is re-numbered as Section 5(a) and a new Section 5(b) is added to read as follows:

   “… (b) These Guidelines also provide for the sanctions and related actions to be imposed by the Bank on Borrowers (other than the Member Country) and all other individuals or entities who are recipients of Loan proceeds, in the event that the Borrower or the individual or entity has been debarred by another financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

2. Section 11(a) is modified to read as follows:

   “… (a) sanction in accordance with prevailing Bank’s sanctions policies and procedures (fn13) a Borrower (other than a Member Country) (fn14) or an
individual or entity, including (but not limited to) declaring such Borrower, individual or entity ineligible publicly, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract; (ii) to benefit from a Bank-financed contract, financially or otherwise, for example as a sub-contractor; and (iii) to otherwise participate in the preparation or implementation of the project or any other project financed, in whole or in part, by the Bank, if at any time the Bank determines (fn15) that such Borrower, individual or entity has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in connection with the use of loan proceeds, or if another financier with which the Bank has entered into an agreement for the mutual enforcement of debarment decisions has declared such person or entity ineligible to receive proceeds of financings made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

Footnotes:

“13. An individual or entity may be declared ineligible to be awarded a Bank financed contract upon completion of sanctions proceedings pursuant to the Bank’s sanctions policies and procedures, or under the procedures of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceeding, or following a sanction by another financier with whom the Bank has entered into a cross debarment agreement, as a result of a determination by such financier that the firm or individual has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

“14. Member Country includes officials and employees of the national government or of any of its political or administrative subdivisions, and government owned enterprises and agencies that are not eligible to bid under paragraph 1.8(b) of the Procurement Guidelines or participate under paragraph 1.11(c) of the Consultant Guidelines.”

“15. The Bank has established a Sanctions Board, and related procedures, for the purpose of making such determinations. The procedures of the Sanctions Board sets forth the full set of sanctions available to the Bank. In addition, the Bank has adopted an internal protocol outlining the process to be followed in implementing debarments by other financiers, and explaining how cross-debarments will be posted on the Bank’s website and otherwise be made known to staff and other stakeholders.”
