Authorized representative of the borrower (as designated in the Loan Agreement) must furnish to the Bank (a) the name(s) of the official(s) authorized to sign applications for withdrawal and applications for a special commitment (collectively, “Applications”), and (b) the authenticated specimen signature(s) of the official(s). The borrower must indicate clearly if more than one signature is required on Applications and must notify the Bank promptly of any changes in signature authority.

3.2 Applications. Applications must be provided to the Bank in such form and include such information as the Bank may reasonably request. Application forms are available online from the Client Connection Web site at http://clientconnection.worldbank.org or from the Bank upon request.

3.3 For withdrawal from the Loan Account for advances, the borrower should provide an original signed application for withdrawal. For withdrawal from the Loan Account for reimbursements and direct payments and for reporting on the use of advances, the borrower should provide an original signed application for withdrawal together with one copy of supporting documents (see section 4, “Supporting Documentation Requirements”). For a special commitment from the Loan Account, the borrower should provide an original signed application for a special commitment together with one copy of the letter of credit. The Bank reserves the right not to accept or review duplicate copies of Applications and supporting documents and may at its discretion return or destroy the duplicates.

3.4 Electronic Delivery. The Bank may authorize the borrower to use electronic means, in a manner and on terms and conditions specified by the Bank, to deliver Applications and supporting documentation to the Bank. Applications and supporting documentation delivered in accordance with this subsection will be deemed to have been provided to the Bank for the purposes of satisfying the requirements of subsections 3.2 and 3.3 of these Guidelines.
4. **Supporting Documentation Requirements**

4.1 The borrower provides supporting documentation to the Bank to show that loan proceeds have been or are being used to finance eligible expenditures.

4.2 For special commitments, the commercial bank provides its confirmation directly to the Bank that conditions for release of payments committed for withdrawal have been met.

4.3 **Types of Supporting Documentation.** The Bank requires either copies of the original documents evidencing eligible expenditures ("Records") or summary reports of expenditure ("Summary Reports") in such form and substance as the Bank may specify. Records include such documents as invoices and receipts. A Summary Report may be either (a) the interim un-audited financial report required under the Loan Agreement ("Interim Financial Report") or (b) a statement of expenditure summarizing eligible expenditures paid during a stated period ("Statement of Expenditure"). In all cases, the borrower is responsible for retaining the original documents evidencing eligible expenditures and making them available for audit or inspection.

4.4 The Bank determines the types of supporting documentation that the borrower should provide, taking into consideration the disbursement method used. The supporting documentation may be the following:

(a) **For applications for reimbursement:** (i) Interim Financial Reports, (ii) Statements of Expenditure, (iii) Records, or (iv) Records required by the Bank for specific expenditures and Statements of Expenditure for all other expenditures;

(b) **For reporting on the use of advances:** (i) Interim Financial Reports, (ii) Statements of Expenditure, (iii) Records, or (iv) Records required by the Bank for specific expenditures and Statements of Expenditure for all other expenditures;
(a) **Segregated Account:** this is an account of the borrower into which only proceeds of the loan may be deposited; or

(b) **Pooled Account:** this is an account of the borrower into which the loan proceeds and proceeds of other financing for the operation (e.g., borrower resources and/or financing by other development partners) may be deposited.

5.4 **Currency of the Designated Account.** Designated Accounts must be in a currency acceptable to the Bank. In countries that have a freely convertible currency, Designated Accounts may be held in the currency of the borrower or any freely convertible currency. The Bank may also agree to local currency Designated Accounts when, *inter alia*, the country’s currency (even if not freely convertible) is stable and the expenditures to be financed are primarily in local currency. The borrower bears all risks associated with foreign exchange fluctuations between (a) the currency of denomination of the loan and that of the borrower’s Designated Account, and (b) the currency of denomination of the borrower’s Designated Account and the currency or currencies of project expenditures.

5.5 **Financial Institution.** Designated Accounts must be opened and maintained in a financial institution acceptable to the Bank on terms and conditions acceptable to the Bank. To be acceptable to the Bank, the financial institution proposed by the borrower should generally meet all the following requirements:

(a) be financially sound;

(b) be authorized to maintain the Designated Account in the currency agreed between the Bank and the borrower;

(c) be audited regularly, and receive satisfactory audit reports;
at intervals specified by the Bank by notice to the borrower ("Reporting Period"). The borrower should ensure that all amounts deposited in the Designated Account are accounted for and their use reported prior to the Disbursement Deadline Date. After this date, the borrower must refund to the Bank any advances still unaccounted for or remaining in the Designated Account.

6.4 Withholding Advances. The Bank is not required to make any deposit into the Designated Account if:

(a) The Bank determines that payment of the deposit would result in exceeding the Ceiling (see subsection 6.2, "Applications for Advances");

(b) The Bank is not satisfied that the borrower’s planned project expenditures justify the deposit. The Bank may, by notice to the borrower, adjust the amount it deposits or withhold further deposits into the Designated Account until it is satisfied that the financial needs of the project warrant further deposits;

(c) The borrower fails to take the action required pursuant to the determinations made by the Bank under subsections 7.1 and 7.2 of these Guidelines;

(d) The borrower fails to provide any of the audited Financial Statements required in accordance with, and within the period of time specified in, the Loan Agreement;

(e) The Bank determines that all further withdrawals of loan proceeds should be made by the borrower directly from the Loan Account; or

(f) The Bank has notified the borrower of its intention to suspend in whole or in part the borrower’s right to make withdrawals from the Loan Account.

6.5 Excess Advances. If at any time the Bank determines that any amount deposited in the Designated Account will not be required to cover further payments for eligible expenditures ("Excess Amount"), it may, at its discretion, require the borrower to take one of the two actions listed below. Upon
(c) Refund an equivalent amount to the Bank; or
(d) Exceptionally, provide substitute documentation evidencing other eligible expenditures.

8. Refunds

8.1 *Borrower Decision to Refund.* The borrower may, upon notice to the Bank, refund all or any amount of the loan on deposit in the Designated Account to the Bank for credit to the Loan Account.

8.2 *Consequence of Refunds.* The Bank shall determine whether refunds made to the Bank in accordance with sections 6 and 7 and subsection 8.1 of these Disbursement Guidelines will be credited to the Loan Account for subsequent withdrawal or for cancellation. Borrowers should be aware that refunds of loan proceeds may result in swap termination fees and/or unwinding costs for amounts for which the interest rate basis or currency has been converted or hedged.

8.3 *Other Obligations Unaffected by Refunds.* Refunds of amounts of the loan do not affect any remedies of the Bank under the Loan Agreement.

Terms and Conditions of Use of Secure Identification Devices
in connection with Use of Electronic Means
to Process Applications
and Supporting Documentation

January 20, 2010

The World Bank (Bank)\textsuperscript{1} will provide secure identification devices (Tokens) to permit the Borrower\textsuperscript{2} to deliver applications for withdrawal and applications for special commitments under the Agreement(s) and supporting documentation (such applications and supporting documentation together referred to in these Terms and Conditions of Use as Applications) to the Bank electronically, on the terms and conditions of use specified herein.

A. Identification of Users.

1. The Borrower will be required to identify in a completed Authorized Signatory Letter (ASL) duly delivered to and received by the Bank each person who will be authorized to deliver Applications. The Bank will provide Tokens to each person identified in the ASL (Signatory), as provided below. The Borrower shall also immediately notify the Bank if a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website (https://clientconnection.worldbank.org) prior to delivery of Tokens. Registration on CC will require that the Signatory establish a CC password (CC Password). The Signatory shall not reveal his/her CC Password to anyone or store or record the CC Password in written or other form. Upon registration as a CC user, the Signatory will be assigned a unique identifying account name.

B. Distribution, Initialization and Return of Tokens.

1. The Bank will physically deliver a Token to each Signatory in a manner to be determined by and satisfactory to the Bank.

2. At the time of delivery of a Token to a Signatory, the Signatory will receive a copy of these Terms and Conditions of Use for purposes of initializing the Token.

3. The Bank will verify that the Token, Temporary Password and Terms and Conditions of Use have been duly delivered to and received by the CC User.

---

\textsuperscript{1}“Bank” includes IBRD and IDA.
\textsuperscript{2}“Borrower” includes the borrower of an IBRD loan, IDA credit, or Project Preparation Facility advance and the recipient of a grant.
4. Promptly upon receipt of the Token and Terms and Conditions of Use, the Signatory will access CC using his/her account name and CC Password and register his/her Token and set a personal identification number (PIN) to be used in connection with the use of his/her Token, after which the Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Upon initialization of the Token, the Signatory will be a “Token User”. The Bank will maintain in its database a user account (Account) for each Token User for purposes of managing the Token of the Token User. Neither the Borrower nor the Token User will have any access to the Account.

5. Prior to first use of the Token by the Token User for delivering Applications, the Borrower shall ensure that the Token User has received training materials provided by the Bank in use of the Token.

6. Tokens shall be promptly returned to the Bank upon request of the Bank.

C. **Management of Tokens.**

1. Tokens will remain the property of the Bank.

2. Use of the Token is strictly limited to use in the delivery of Applications by the Token User in the manner prescribed by the Bank in the Agreement(s) and these Terms and Conditions. Any other use of the Token is prohibited.

3. The Bank assumes no responsibility or liability whatsoever for any misuse of the Token by the Token User, other representatives of the Borrower, or third parties.

4. The Borrower undertakes to ensure, and represents and warrants to the Bank (such representation and warranty being expressly relied upon by the Bank in delivery of a Token to each Token User) that each Token User is provided, understands and will abide by, these Terms and Conditions of Use, including without limitation the following:

**Security**

4.1. The Token User shall not reveal his/her PIN to anyone or store or record the PIN in written or other form.

4.2. The Token User shall not allow anyone else to utilize a Token to deliver an Application to the Bank.

4.3. The Token User shall always logout from CC when not using the system. Failure to logout properly can create a route into the system that is unprotected.

4.4. If the Token User believes a third party has learned his/her PIN or has lost his/her Token he/she shall immediately notify clientconnection@worldbank.org.
4.5. The Borrower shall immediately notify the Bank at clientconnection@worldbank.org of any lost, stolen or compromised Tokens, and take other reasonable steps to ensure such Tokens are disabled immediately.

**Care of Tokens**

4.6. Tokens contain delicate and sophisticated instrumentation and therefore should be handled with due care, and should not be immersed in liquids, exposed to extreme temperatures, crushed or bent. Also, Tokens should be kept more than five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile phones, phone-enabled PDAs, smart phones and other similar devices. Tokens should be carried and stored separate from any EMR device. At close range (less than 5 cm), these devices can output high levels of EMR that can interfere with the proper operation of electronic equipment, including the Token.

4.7. Without derogating from these Terms and Conditions of Use, other technical instructions on the proper use and care Tokens are available at http://www.rsa.com.

5. **Replacement**

5.1. Lost, damaged, compromised (in terms of 4.5, above) or destroyed Tokens will be replaced at the expense of the Borrower.

5.2. The Bank reserves the right, in its sole discretion, not to replace any Token in the case of misuse, or not to reactivate a Token User’s Account.

6. **Reservation of Right to disable Token**

6.1. The Borrower shall reserve the right to revoke the authorization of a Token User to use a Token for any reason.

6.2. The Bank reserves the right, in its sole discretion, to temporarily or permanently disable a Token, de-activate a Token User’s Account or both.
