SCHEDULE

Execution of the Project Implementing Entity’s Respective Part of the Project

Section I. Institutional Arrangements

1. The Project Implementing Entity shall liaise as necessary during Project implementation with the other Key Project Implementing Entities and the Participating Agencies.

2. The Project Implementing Entity shall ensure that it has representation on the Project Task Force throughout Project implementation to ensure the provision of technical sectoral inputs required for its Respective Part of the Project.

3. The Project Implementing Entity shall ensure that competent staff are assigned to work on its Respective Part of the Project throughout Project implementation. The designated staff shall include persons competent in procurement and financial management who shall be responsible for undertaking these tasks with respect to the Project Implementing Entity’s Respective Part of the Project.

4. The Project Implementing Entity shall work closely with the PMU, and provide all such information as the PMU shall require with respect to its Respective Part of the Project to enable the PMU to carry out its role as coordinator of the Project in a satisfactory manner.

Section II. Implementation Arrangements

1. Project Implementation Plan

The Project Implementing Entity shall carry out its Respective Part of the Project in accordance with the PIP, provided, however, that in case of any conflict between the PIP and the provisions of this Agreement, the provisions of this Agreement shall prevail. Except as the Association shall otherwise agree, the Project Implementing Entity shall not amend, abrogate or waive any provision of the PIP, if such amendment, abrogation or waiver may, in the opinion of the Association, materially or adversely affect the implementation of its Respective Part of the Project.

2. Environmental and Social Safeguards

(a) The Project Implementing Entity shall carry out its Respective Part of the Project in accordance with the Environmental and Social Management Framework and the Resettlement Policy Framework and, wherever applicable, prepare and implement Resettlement Action Plans and Environmental Management Plans.

(b) The Project Implementing Entity shall not amend or waive, or permit to be amended or waived, the ESMF, RPF, EMP and RAP, or any provision thereof, in a manner which, in the opinion of the Association, may materially and adversely affect the implementation of its Respective Part of the Project.
(c) The Project Implementing Entity shall ensure that: (i) all measures for carrying out the recommendations of the ESMF, RPF, EMP and RAP are taken in a timely manner; and (ii) the Project Reports referred to in Part A of Section III of this Schedule include adequate information on monitoring the measures defined in the said ESMF, RPF, EMP and RAP.

(d) The Project Implementing Entity shall liaise, as necessary, with the Environmental Affairs Department of the Ministry of Mines, Natural Resources and Environment for such assistance as may be required in the course of implementation of its Respective Part of the Project.

3. Subproject Implementation

The Project Implementing Entity shall ensure that the ICT Guidelines are prepared by March 1, 2008. Without limitation on the provisions of paragraph 1 of this Section, the Project Implementing Entity shall implement its Respective Part of the Project in accordance with the said Guidelines. The said Guidelines shall inter alia set out: (a) the eligibility criteria for the selection of potential participants; (b) financial management and procurement arrangements; (c) monitoring and evaluation procedures; and (d) a requirement that the Project Implementing Entity must enter into a written agreement that is satisfactory to the Association with each participant with terms and conditions that shall include the following:

(i) financing shall be on a grant basis;

(ii) the participant shall carry out the Subproject with due diligence and efficiency, using sound technical, financial, environmental and managerial standards, and in accordance with the PIP;

(iv) the participant shall maintain adequate records reflecting the operations, resources and expenditures incurred under the Subproject in accordance with sound accounting practices acceptable to the Association;

(v) the participant shall procure goods, works and services financed from the grant in accordance with the provisions of Schedule 2 to the Financing Agreement, and use them exclusively in the implementation of the Subproject;

(vi) the right of the Project Implementing Entity to inspect by itself, or jointly with the Recipient and the Association, if the Association shall so request, the goods, works and operations thereof, and any relevant records or documents;

(vii) the right to receive from the participant bi-annual progress reports; and

(viii) the right to suspend or terminate the right of the participant to the use of the proceeds of the grant upon failure of the participant to perform any of its obligations under the said agreement.
Section III. **Project Monitoring, Reporting, and Evaluation**

A. **Project Reports**

1. (a) The Project Implementing Entity shall monitor and evaluate the progress of its Respective Part of the Project and prepare Project Reports for its Respective Part of the Project in accordance with the provisions of Section 4.08(b) of the General Conditions and on the basis of the indicators set forth below in subparagraph (b) of this paragraph. Each such Project Report shall cover the period of six months, commencing from the Effective Date, and shall be furnished to the Recipient not later than two weeks after the end of the period covered by such report for incorporation and forwarding by the Recipient to the Association of the overall Project Report.

   (b) The performance indicators referred to above in sub-paragraph (a), which shall be measured within the Project Area, consist of the following:

   (i) Number of new telephones, new public telephone kiosks, new Internet connections, and multi-purpose community telecenters within the Project Area; and

   (ii) Improved institutional capacity of MACRA to run ICT universal access programs and implementation of improved regulatory framework for rural access to ICT.

   (c) Without limitation to the generality of sub-paragraph (a) above, the Project Implementing Entity shall carry out jointly with the Recipient and the Association on or about November 1, 2008, a comprehensive mid-term review to assess the status of Project implementation, including but not limited to the Project’s institutional arrangements, Category Grant allocations, and environmental and social safeguards management. The Project Implementing Entity shall provide to the Recipient, not later than two months before such review, a report on its Respective Part of the Project for incorporation and forwarding by the Recipient to the Association for purposes of such review.

2. The Project Implementing Entity shall provide to the Recipient, not later than three months after the Closing Date, for incorporation in the report referred to in Section 4.08(c) of the General Conditions, all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.

B. **Financial Management; Financial Reports; Audits**

The Project Implementing Entity shall provide all such information as may be necessary to the Recipient for its Respective Part of the Project to facilitate the preparation of financial statements and the carrying out of audits of such statements pursuant to the provisions of Section 4.09 of the General Conditions.
Section IV.  **Procurement**

All goods, works and services required for the Project Implementing Entity’s Respective Part of the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the provisions of Schedule 2 to the Financing Agreement.
