SCHEDULE

Execution of the Project

Section I. Implementation Arrangements

A. Subsidiary Loan Agreement

1. To facilitate the carrying out of the Project, PTSMI shall enter into the Subsidiary Loan Agreement with the Borrower, pursuant to which the Borrower shall make the entire proceeds of the Loan available to PTSMI under terms and conditions acceptable to the Borrower and the Bank, which, unless otherwise agreed between the Borrower and the Bank, shall include the following:

   (a) the terms for relending the proceeds of the Loan shall be denominated in Rupiah, with a repayment period of twenty (20) years, including a grace period of at least ten (10) years, and an interest rate of the Borrower’s bonds (“SUN”) benchmark series with twenty (20) years maturity; and

   (b) the obligations of PTSMI and the Company to use the proceeds of the Subsidiary Loan Agreement and the Subordinated Debt Arrangement, respectively, for the purposes of the Project in accordance with the Project Agreement and the Operations Manual.

B. Subordinated Debt Arrangement

1. To facilitate the carrying out of the Project, PTSMI shall make the entire proceeds of the Loan available to the Company through a Subordinated Debt Arrangement between PTSMI and the Company, under terms and conditions acceptable to the Borrower and the Bank, which shall include the requirement that the Company use the proceeds of the Subordinated Debt Arrangement exclusively for the purposes of the Project in accordance with the provisions of the Project Agreement and the Operations Manual.

2. PTSMI shall exercise its rights under the Subordinated Debt Arrangement in such manner as to protect the interest of the Borrower, PTSMI and the Bank, and to accomplish the purposes of the Project. Except as the Borrower and the Bank shall otherwise agree, PTSMI shall not to assign, amend, abrogate or waive the Subordinated Debt Arrangement or any of its provisions.

C. Institutional Arrangements

1. The Company shall perform its obligations under the Project Agreement in accordance with the Operations Manual and shall not take or permit to be taken any action which would prevent or interfere with such performance.

2. Operations Manual. Without limitation to the provisions of paragraph B.2 above, the Company shall:

   (a) carry out the Project, and cause each Sub-project Enterprise to carry out the Project, in accordance with the Operations Manual, reasonably acceptable to the Borrower and the Bank, setting out: (i) Sub-project eligibility, due diligence and selection criteria, implementation requirements, and terms and conditions for Sub-Project Agreements;
(ii) the SEMS and the requirements for its implementation by the Company and by all Sub-Project Enterprises; (iii) procurement procedures consistent with those set out in Section III of this Schedule including the right of the Bank to undertake review of any contract procured using the proceeds of the Loan upon reasonable prior notice by the Bank to the Borrower; (iv) financial management procedures consistent with those set out in Section II of this Schedule; (v) monitoring and evaluation criteria and performance indicators consistent with those referred to in Section II of this Schedule, including reporting consistent with that which would be undertaken by a listed company in Indonesia; and (vi) Integrity Due Diligence Procedures and the requirements for their implementation by the Company and by all Sub-Project Enterprises; and

(b) provide to each of the Borrower and the Bank for its prior concurrence any revision proposed to be introduced into the Operations Manual with respect to environmental safeguards matters, social safeguards matters, procurement and financial management arrangements or anti-corruption issues (provided that the Company shall seek the Borrower’s and the Bank’s prior concurrence for all other material revisions of the Operations Manual that adversely affect the Borrower’s or the Company’s obligations in this Agreement or the Loan Agreement), and thereafter approve only such revisions to the Operations Manual as shall have been agreed with the Bank and the Borrower.

3. Social and Environmental Management System. The Company shall ensure that, and PTSMI shall use commercially reasonable efforts (through the exercise of its rights under the Shareholders Agreement and the Subordinated Debt Arrangement) to ensure that:

(a) the SEMS shall at all times include the following provisions:

   (i) a description of the categories of Sub-projects, including: (A) Sub-projects in the early stages of preparation for sites that have not been selected and design options are still open; (B) Sub-projects that have been fully prepared (where construction bids have been invited); (C) Sub-projects that have already been implemented or for which construction is completed; and (D) fee-based advisory services;

   (ii) (A) environmental screening criteria, environmental assessment, environmental management plan and consultation and disclosure requirements for each type of Sub-project, including analyses of natural habitats, cultural property, forests and safety of dams, as applicable, consistent with the regulations of the Borrower and the policies of the Bank; (B) land acquisition and resettlement plan and compensation criteria, and consultation and disclosure requirements for each type of Sub-project; and (C) screening criteria and actions designed to facilitate a process of free, prior and informed consultation leading to broad community support involving Indigenous Peoples including Indigenous Peoples plans, where required, and consultation and disclosure requirements for each type of Sub-project; in each case consistent with the regulations of the Borrower and the policies of the Bank and acceptable to the Borrower, PTSMI, the Bank and the Company;
(iii) implementation arrangements, including staffing responsibilities for screening Sub-projects, designing safeguards instruments, arranging for consultations and disclosure, monitoring and evaluation and reporting arrangements and remedial measures; and

(iv) institutional capacity planning and strengthening for the Company.

(b) the Company shall implement the SEMS and cause each Sub-project Enterprise to implement the SEMS in carrying out its respective Sub-project.

(c) the Company shall implement the Action Plan in a manner satisfactory to the Bank.

(d) the Company shall revise the SEMS to reflect the applicable actions under the Action Plan as soon as practicable.

4. Sub-Project Agreements. Without limitation to the provisions of paragraph B.3 above, the Company shall finance each Sub-project in accordance with the Operations Manual through a Sub-project Agreement on terms and conditions which shall include:

(a) that the Company shall obtain rights adequate to protect its interests and those of the Borrower and the Bank, including the right of the Company to suspend or terminate the right of the Sub-project Enterprise to use the proceeds of the Sub-project Agreement and the obligation of the Sub-project Enterprise to refund all or any part of the amount of the financing provided to the Sub-project Enterprise upon such Sub-project Enterprise’s failure to perform any of its obligations under its Sub-project Agreement with the Company or under the Operations Manual;

(b) the requirement that each Sub-project Enterprise:

(i) carry out its Sub-project in accordance with the Operations Manual, including the: (A) the procedures set out in the SEMS; and (B) the Integrity Due Diligence Procedures;

(ii) procure the goods, works and services to be financed out of the proceeds of the Sub-project Agreement in accordance with the provisions of this Agreement;

(iii) (A) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards adequate to reflect its operations, resources and expenditures in respect of the Sub-project; and (B) at the Bank’s or the Borrower’s request, have such financial statements audited (annual audit) by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank, and promptly furnish the statements as so audited to the Borrower and the Bank;

(iv) permit the Borrower and the Bank to inspect the Sub-project, its operation and any relevant accounts, contracts, records and other documents relating to the Sub-project; and
(v) prepare and furnish to the Borrower and the Bank all such information as the Borrower or the Bank shall reasonably request relating to the foregoing; and

(c) that the Company shall exercise its rights under each Sub-project Agreement in such manner as to ensure that the Sub-project is carried out in accordance with the Operations Manual and to protect the interests of the Borrower, PTSMI, and the Bank and to accomplish the purposes of the Project.

5. **Shareholders Agreement.** PTSMI shall exercise its voting powers in relation to the Company and all powers of control available in relation to its nominee to the Board of Commissioners and Board of Directors of the Company (if any) in favor of the Company applying the proceeds of the Loan for the purposes of the Project in accordance with the Operations Manual.

6. Each of PTSMI and the Company shall furnish, as applicable, to the Bank, all such reports and information as the Bank may reasonably request concerning: (a) the Loan and the use of the proceeds thereof; (b) the operations of PTSMI (with respect to Loan disbursement) and the Company; and (c) any other matters relating to the purpose of the Loan.

7. **Financial Covenant.** (a) Except as the Bank shall otherwise agree, the Company shall not incur any subordinated debt, if after the incurrence of such subordinated debt the ratio of subordinated debt to equity shall be greater than 5 to 1.

(b) For purposes of this paragraph:

(i) The term “subordinated debt” means any indebtedness of the Company under: (A) the Subordinated Loan Agreement; (B) the contract, agreement or other instrument between the Company and PTSMI pursuant to which the proceeds of the Co-financing Agreement are made available to the Company; and (C) any other contract, agreement or other instrument under which the repayment obligations of the Company to the lender are subordinated to those of certain senior lenders with regard to claims on the Company’s assets or earnings.

(ii) Subordinated debt shall be deemed to be incurred under the loan contract or agreement or other instrument providing for such subordinated debt or for the modification of its terms of payment, on the date, and to the extent that, the amount of such subordinated debt has become outstanding pursuant to such contract, agreement or instrument.

(iii) The term “equity” means the sum of the total unimpaired paid-up capital, retained earnings and reserves of the Company not allocated to cover specific liabilities.

(iv) Whenever for the purposes of this Section it shall be necessary to value, in terms of Rupiah, subordinated debt payable in another currency, such valuation shall be made on the basis of the prevailing Bank Indonesia middle rate of exchange at which such other currency is, at the time of such valuation, obtainable for the purposes of servicing such subordinated debt, or, in the absence of such rate, on the basis of a rate of exchange acceptable to the Borrower and the Bank.
D. Anti-Corruption

The Company shall ensure that, and PTSMI shall use commercially reasonable efforts (through the exercise of its rights under the Shareholders Agreement and the Subordinated Debt Arrangement) to ensure that the Project is carried out in accordance with the Anti-Corruption Guidelines, and that the relevant provisions of such guidelines are included in the Sub-project Agreement and the procurement documents for each respective Sub-project, in each case in a manner satisfactory to the Borrower and the Bank.

E. Safeguards

1. Without limitation on the provisions of paragraph 4(b)(i) of Section I.C of this Schedule, the Company shall:

   (a) implement the SEMS, and cause Sub-project Enterprises to implement the SEMS in carrying their respective Subprojects, all in a manner satisfactory to the Bank and the Borrower;

   (b) implement the Action Plan, in a manner satisfactory to the Bank;

   (c) as may be required pursuant to the provisions of the SEMS, cause Sub-project Enterprises to prepare and implement environmental management plans, resettlement action plans and/or Indigenous Peoples action plans, in a manner satisfactory to the Company, the Bank and the Borrower; and

   (c) maintain policies and procedures adequate to enable it to monitor and evaluate, in accordance with guidelines acceptable to the Bank and the Borrower, the implementation of the SEMS as well as the Action Plan, and all related environmental management plans, resettlement action plans and Indigenous Peoples action plans, as may be the case, and the achievement of their respective objectives.

Section II. Project Monitoring, Reporting and Evaluation.

A. Project Reports

1. The Company shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 5.08(b) of the General Conditions and on the basis of indicators agreed with the Bank. Each such Project Report shall cover the period of one (1) calendar semester, and shall be furnished by the Company to PTSMI not later than forty (40) days after the end of the period covered by such report, for forwarding by PTSMI to the Borrower and the Bank not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. Each of PTSMI and the Company shall maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Bank, the Borrower and PTSMI, both in a manner adequate to reflect the operations and financial condition of PTSMI and the Company, respectively, including the operations, resources and expenditures related to the Project. Each such financial management system shall
be an integrated financial management system, including internal control systems and internal audit function with terms of reference satisfactory to the Bank, PTSMI (with respect to the financial management system of the Company) and the Borrower.

2. Each Project Report referred to in Section II.A paragraph 1 above shall include interim unaudited financial reports of PTSMI and the Company for the Project covering the quarter, in form and substance satisfactory to the Bank, the Borrower and PTSMI.

3. Each of PTSMI and the Company shall have its financial statements referred to above audited by independent auditors acceptable to the Bank and the Borrower, in accordance with consistently applied auditing standards and terms of reference acceptable to the Bank, the Borrower and PTSMI. Each audit of these financial statements shall cover the period of one fiscal year of PTSMI and the Company, respectively. The audited financial statements for each period shall be furnished to the Borrower and the Bank not later than six months after the end of the period.

C. Annual Social and Environmental Performance Report

1. Without limitation on the provisions of Part A of this Section, the Borrower shall cause PTSMI to cause the Company to prepare and furnish to the Bank, not later than six (6) months after the end of each calendar year, an annual social and environmental performance report in accordance with the requirements in the SEMS.

Section III. Procurement

All goods, works and services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the provisions of Section III of Schedule 2 to the Loan Agreement.
