Amendment to the Program Contribution Agreement between the United States of America, acting through the United States Agency for International Development ("USAID") and the International Bank for Reconstruction and Development and the International Development Association ("Recipient")
(Multi Donor Trust Fund for the Ethiopia Productive Safety Net Partnership)
Extension of Estimated Completion Date
(1F055287)

We refer to the Program Contribution Agreement (the "Agreement") between the International Bank for Reconstruction and Development and the International Development Association (the "Recipient" or "World Bank"), and the United States of America, acting through the United States Agency for International Development ("USAID"), dated March 20, 2012, for the above mentioned Multi-Donor Trust Fund ("MDTF"). We also refer to our recent discussion to extend the estimated completion date of the Agreement from October 31, 2015 to May 31, 2016.

We, therefore, propose to amend the Agreement as follows:

1. The estimated completion date provided in paragraph (V) of the Agreement is revised to read as May 31, 2016.

2. Paragraph 7.1 of Annex II to the Agreement is amended to read as follows:

   "7.1. It is expected that the Contribution funds will be fully disbursed by IDA in accordance with the provisions of this Agreement by May 31, 2016. IDA will only disburse Contribution funds for the purposes of this Agreement after such date with the written approval of the Donors."

All other provisions of the Agreement, except amended herein, will remain in effect.

Upon receipt by the Recipient the copy of this amendment countersigned, this agreement amendment will become effective as of the date of countersignature.
