SCHEDULE 1

Project Description

The objective of the Project is to help develop the Recipients’ land and property markets and to improve tenure security.

The Project consists of the following parts:

Part A: Municipal Land Administration

1. Improvement of client services in Eligible MCOs, including building renovations, changes in office layouts and the introduction of new standardized procedures, and data migration from IPRR to KCLIS.

2. Support for selected MCOs in: (a) collecting complete documentation for the registration of buildings, apartments and other properties that meet the requirements for registration in accordance with the Recipient’s legal and regulatory framework; (b) collection of data for cadastre reconstruction in selected cadastre zones; and (c) quality control of previously collected data.

Part B: Institutional Framework of Kosovo Cadastre Agency

1. Reform of the framework for operation of the Kosovo Cadastre Agency in line with the Kosovo Cadastre Development Strategy, the Business Plan and the Implementation Plan, including: (a) upgrading the legal and regulatory framework, as well as guidelines and manuals for office operation, building cadastre construction, cadastre reconstruction and quality control; and (b) compiling and disseminating a compilation and assessment of laws on property rights.

2. Establishment and maintenance of a Continuous Operating Reference Network and an information hotline at KCA.

Part C: Project Management, Training and Public Outreach

1. Strengthening of implementation capacity of the Project Coordination Office, through the provision of consultants’ services.

2. Design and implementation of a comprehensive training program for KCA and Project Coordination Office managers and staff, private surveyors and other key stakeholders on management, legal, technical and administrative subjects.

3. Design and implementation of public awareness campaigns, social assessments and client surveys on land and property registration.
SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall ensure that the Project Coordination Office within the Kosovo Cadastre Agency: (a) is adequately staffed, with terms of reference acceptable to the Association, funded and operational; (b) approves on a timely basis annual plans, budget plans, and updates the Procurement Plan in a manner satisfactory to the Association; (c) provides secretariat services to the Inter-Ministerial Land Administration Committee; (d) provides overall Project coordination, monitoring and evaluation; (e) carries out the Project’s fiduciary aspects, including procurement, financial management, reporting and auditing; (f) prepares and manages public awareness and training programs and related activities; (g) prepares technical specifications and terms of reference for Project activities; (h) prepares social assessments acceptable to the Association; (j) coordinates Project activities with the municipalities and other government institutions; (k) prepare the reports for reviews and midterm review of the Project; and (l) oversees the Eligible MCOs’ and MCOs’ contributions to the implementation of activities under Part A of the Project.

2. The Recipient shall ensure that the Inter-Ministerial Land Administration Committee: (a) is established no later than March 31, 2010, and, thereafter maintained with adequate resources and in a manner acceptable to the Association; and, thereafter, (b) provides strategic guidance and decisions on policy issues relevant to overall Project implementation and implements policy reforms; (c) coordinates and builds consensus among stakeholders on policies related to Project implementation; and (d) receives and approves annual work plans.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Implementation Covenants

1. The Recipient shall carry out the Project in accordance with the Environmental Management Plan and the Project Operations Manual, and shall not amend, suspend, abrogate, repeal or waive any provision of the Environmental Management Plan or the Project Operations Manual without prior approval of the Association.

2. The Recipient, through the Project Coordination Office, shall: (i) not later than March 1, 2010, submit to the Association an annual work plan for the remainder of
calendar year 2010, and shall agree with the Association on steps to be taken in calendar year 2010; and (ii) on December 1 of each year, starting on December 1, 2010, submit to the Association for review and approval an annual work plan for the following calendar year, and shall agree with the Association on steps to be taken in the following calendar year.

3. The Recipient shall ensure that the Eligible MCOs abide by the terms of their respective memorandum of understanding with the KCA, by which the Eligible MCOs agree to use standardized workflows and procedures for cadastre and registration, in a manner acceptable to the Association.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the first or last six (6) months of the calendar year, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than January 31, 2016.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.
Section III. Procurement

A. General

1. Goods, Works and Technical Services. All goods, works and Technical Services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Technical Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and Technical Services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods, Works and Technical Services. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and Technical Services. The Procurement Plan shall specify the circumstances under which such methods may be used:

B. **Withdrawal Conditions; Withdrawal Period**

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:
   
   a. for payments made prior to the date of this Agreement; and
   
   b. under Category (2), until the Recipient has enacted amendments to the Cadastre Law in a manner satisfactory to the Association.

2. The Closing Date is July 31, 2015.
ANNEX TO SCHEDULE 2

National Competitive Bidding: Additional Provisions

A. Generalities

Open Procedure shall be the default method of procurement. Procurement procedures, including methods and prior review processes cannot be changed without express consent from the World Bank.

B. Registration

1. Bidding shall not be restricted to pre-registered firms.

2. Where registration is required, bidders: (i) shall be allowed a reasonable time to complete the registration process; and (ii) shall not be denied registration for reasons unrelated to their capability and resources to successfully perform the contract, which shall be verified through post-qualification.

3. Bidders not from the territory of the Recipient shall not be precluded from bidding. If a registration process is required, any bidder declared the lowest evaluated bidder shall be given a reasonable opportunity to register.

C. Advertising

Invitations to bid shall be advertised in at least one widely circulated Albanian-language daily newspaper and in at least one widely circulated Serbian-language daily newspaper available over the territory of the Recipient allowing a minimum of thirty (30) days for the preparation and submission of bids.

D. Pre-qualification

When pre-qualification shall be required for large or complex works, invitations to pre-qualify for bidding shall be advertised in at least one widely circulated daily newspaper available over the territory of the Recipient a minimum of thirty (30) days prior to the deadline for the submission of pre-qualification applications. Minimum experience, and technical and financial requirements, shall be explicitly stated in the pre-qualification documents, which shall be determined on a “pass/fail” method, not through the use of a merit point system. When pre-qualification is not used, the qualifications of the bidder recommended for contract award shall be assessed by post-qualification, applying minimum experience, technical and financial requirements, which shall be explicitly stated in the bidding documents.
E. Participation by Publicly-Owned Enterprises

Publicly-owned enterprises shall be eligible to participate in bidding only if they can establish that they are legally and financially autonomous, operate under commercial law and are not a dependent agency of the contracting authority. Furthermore, they will be subject to the same bid and performance security requirements as other bidders.

F. Bidding Documents

Procuring entities shall use the appropriate standard bidding documents for the procurement of works, acceptable to the Association. Europe and Central Asia Regional Sample Bidding Documents, modified as acceptable by the Association, shall be used.

G. Bid Opening and Bid Evaluation

1. Bids shall be submitted in a single envelope containing the bidder’s qualification information, technical and price bids, which shall be opened simultaneously at the public bid opening.

2. Bids shall be opened in public, immediately after the deadline for submission of bids. The name of the bidder, the total amount of each bid and any discounts offered shall be read aloud and recorded in the minutes of the public bid opening.

3. Evaluation of bids shall be made in strict adherence to the monetarily quantifiable criteria declared in the bidding documents. No merit point system will be used.

4. Extensions of bid validity will be allowed once only for not more than thirty (30) days. No further extensions shall be requested without the prior approval of the Association.

5. Contracts shall be awarded to the qualified bidder having submitted the lowest-evaluated, substantially responsive bid and no negotiation shall take place.

H. Price Adjustment

Civil works contracts of long duration (more than 18 months) shall contain an appropriate price adjustment clause.

I. Rejection of Bids

1. All bids shall not be rejected and new bids solicited without the Association’s prior concurrence.
2. When the number of bids received is less than three, re-bidding shall not be carried out without the Association’s prior concurrence.

J. Securities

Bid security shall not exceed three percent (3%) of the estimated cost of the contract and performance security not more than ten percent (10%) of this cost. No advance payment shall be made to contractors without a suitable advance payment security. These securities shall be included in the bidding documents in a text and format acceptable to the Association.

K. Confidentiality

The process of bid evaluation shall be confidential until the publication of contract award has been issued.

L. Standards and Technical Specifications

The Recipient shall specify internationally accepted standards whenever possible. Where such international standards are unavailable or are inappropriate, national standards may be specified.

M. Right to Inspect and Audit

Each contract shall provide that the suppliers, contractors and subcontractors shall permit the Association, at its request, to inspect their accounts and records relating to the procurement and performance of the contract and to have said accounts and records audited by auditors appointed by the Association. The deliberate and material violation by the supplier, contractor or subcontractor of such provision may amount to obstructive practice.

O. Fraud and Corruption

The Association shall declare a firm or individual ineligible, either indefinitely or for a stated period, to be awarded a contract financed by the Association, if it at any time determines that the firm or individual has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for, or in executing, a contract financed by the Association.
