4. Carrying out of road sector studies.
5. Provision of training and of technical advisory services.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall maintain RSDT at all times during Project implementation with functions, responsibilities and adequate resources, all satisfactory to the Association and as required to implement the Project. RSDT is headed by a unit manager, who reports to the RSDT management committee that is chaired by the FMT’s Permanent Secretary. The Recipient shall ensure that RSDT is endowed at all times with staff, selected on a competitive basis, in adequate numbers and whose qualifications and experience are satisfactory to the Association.

2. RSDT shall be responsible for implementing, managing and coordinating Project activities. To this end, the Recipient shall ensure that RSDT: (a) maintains at all times adequate financial management and procurement systems and procedures; (b) carries out overall technical management and oversight of the Project, including monitoring and evaluation of output and performance-based road contracts and adequate staging of their implementation to incorporate lessons drawn from execution of the first batch of said contracts into procurement of the succeeding ones; and (c) prepares activity budgets, monthly accounts reconciliation statement, quarterly withdrawal applications, quarterly financial reports, and annual financial statements in each case, in form and substance satisfactory to the Association.

3. The Recipient shall: (a) open the Project Account not later than by April 30, 2008; (b) deposit into the Project Account, not later than by June 30, 2008, an initial amount of seven hundred and twenty million Naira (₦720,000,000); (c) replenish the Project Account by the first day of each calendar quarter with an amount of at least one hundred and twenty-million Naira (₦120,000,000); and (d) ensure that all funds deposited in the Project Account are used solely to defray the cost of expenditures related to implementation of the Project.

4. The Recipient shall undertake all measures required on its part to ensure that FRA, NRB/RF shall have been duly established and shall have commenced their respective operations by not later than January 31, 2009, in each case in a manner satisfactory to the Association; and thereafter maintain each of these entities at all
times during Project implementation with functions, responsibilities and adequate resources, all satisfactory to the Association.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines and the Road Sector Governance and Integrity Action Plan as agreed upon with the Association.

C. Safeguards

The Recipient shall carry out the Project in accordance with the Environmental and Social Management Framework and the Resettlement Policy Framework.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

   (b) The performance indicators referred to above in sub-paragraph (a) consist of the following: (i) average passenger travel times reduced by at least 20% on project roads; (ii) average vehicle operating cost for a typical car, bus and heavy truck reduced by at least 5%, 8%, and 10% respectively, on Project supported roads; (iii) number of annual traffic related fatalities decreased on Project supported roads by at least 50% by the end of the Project; (iv) FRA and NRB/RF are established and have become operational; and (v) at least 500 route kilometers of federal roads are maintained under long term output and performance based contracting scheme.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than 45 days after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.
