Project Preparation Advance No. P4800

Excellency:

In response to the request for financial assistance made on behalf of the Republic of Cameroon ("Recipient"), I am pleased to inform you that the International Bank for Reconstruction and Development ("World Bank") proposes to extend to the Recipient an advance out of the World Bank’s Project Preparation Facility in an amount not to exceed three million and five hundred thousand Dollars ($3,500,000) ("Advance") on the terms and conditions set forth or referred to in this letter agreement ("Agreement"), which includes the attached Annex, to assist in financing the activities described in the Annex ("Activities"). The objective of the Activities is to facilitate the preparation of a proposed project designed to improve the capacity, efficiency and stability of the Recipient’s national electricity transmission network and strengthen its capacity for the competitive development of cost-efficient hydropower projects ("Project"), for the carrying out of which the Recipient has requested the World Bank’s financial assistance.

The Recipient represents, by confirming its agreement below, that: (a) it understands that the provision of the Advance does not constitute or imply any commitment on the part of IBRD or IDA to assist in financing the Project; and (b) it is authorized to enter into this Agreement and to carry out the Activities, repay the Advance and perform its other obligations under this Agreement, all in accordance with the provisions of this Agreement.

Please confirm the Recipient’s agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Agreement, and returning it to
the World Bank. Upon receipt by the World Bank of this countersigned copy, this Agreement shall become effective as of the date of the countersignature.

Very truly yours,
