Annex 1 IRRI Grant Agreement OPP1076488 – for informational purposes only
Dear Dr. Zeigler:

The Bill & Melinda Gates Foundation (the "Foundation") is pleased to award International Rice Research Institute ("IRRI") a grant in the amount of $12,500,000.00 for the period beginning on the date you sign this agreement (the "Start Date") to October 31, 2018 (the "Grant Period"). This agreement (the "Grant Agreement") contains the terms and conditions of this grant.

Charitable Purpose of the Grant. The charitable purpose of this grant is to significantly increase the efficiency and genetic gain in irrigated rice breeding programs by using modern breeding tools and approaches to increase food and income security of resource-poor farmers, and to ensure rice food security in Asia and Africa, as described in your proposal (the "Proposal") and budget (the "Budget") dated September 11, 2013 (together, the "Project"). The International Bank for Reconstruction and Development (the "IBRD") will administer the grant funds for the Project in accordance with the terms and conditions of a Contribution Agreement to be executed between the Foundation and the IBRD.

Tax Status. IRRI confirms that under the United States Internal Revenue Code of 1986 (the "Code") it is exempt from federal income tax under section 501(c)(3) and is not a private foundation within the meaning of section 509(a) of the Code. You agree to advise us immediately if there is any change in your organization’s tax status during the Grant Period.

Use of Grant Funds. Grant funds may only be used for the Project. Any grant funds unexpended or uncommitted at the end of the Grant Period must be promptly returned to the Foundation. Any Budget cost category change of more than 10% must be approved in writing by the Foundation in advance. You may not use the grant funds to reimburse any expenses you chose to incur prior to the Start Date. IBRD shall use an amount equivalent to 2% of the grant funds to reimburse its costs related to the administration of the funds.

Political Campaign/Lobbying Activity. Grant funds may not be used to influence the outcome of any election for public office or to carry on any voter registration drive. There is no agreement, oral or written, permitting the grant funds to be directed to or earmarked for lobbying activity or other attempts to influence local, state, federal, or foreign legislation. You confirm that the amount of funds received from the Foundation each year for this Project, including any other grant funds awarded by the Foundation for the Project, will not exceed the amount budgeted each year for nonlobbying activities. You agree to comply with lobbying, gift and ethics rules applicable to the Project under local, state, federal or foreign law.

Investment of Grant Funds. Grant funds must be invested in highly liquid investments (such as interest-bearing bank accounts) with the primary objective of preservation of principal so that they are available for the Project. The Foundation requires you to report the amount of any interest or other income generated by the grant funds, including currency conversion gains (collectively "Interest"). Any
Interest must be used for the Project. At the end of the Grant Period, any remaining Interest must be applied to another of your Foundation-funded projects (current or under consideration).

**Anti-Terrorism.** You confirm that you are familiar with the U.S. Executive Orders and laws prohibiting the provision of resources and support to individuals and organizations associated with terrorism and the terrorist related lists promulgated by the U.S. Government. You will use reasonable efforts to ensure that you do not support or promote terrorist activity or related training, or money laundering.

**Anti-Bribery.** Grantee shall not offer or provide money, gifts or any other thing of value, directly or indirectly, to anyone in order to improperly influence any act or decision relating to the Project, including by assisting any party to secure an improper advantage. Training and information on anti-bribery act compliance requirements is available here: www.learnfoundationlaw.org.

**Subgrants and Subcontracts.** You have the exclusive right to select subgrantees and subcontractors for the Project. The Foundation has not earmarked the use of the grant funds for any specific subgrantee or subcontractor. You, and not the Foundation, are responsible for ensuring that all subgrantees and subcontractors use grant funds consistent with this Grant Agreement and the Proposal. Neither you nor your subgrantees or subcontractors may make any statement or otherwise imply to donors, investors, media or the general public that the Foundation directly funds the activities of any subgrantee or subcontractor. Any agreements with subgrantees and subcontractors you engage to assist with the Project must include the following language: "Your organization has been selected to participate in this Project at our discretion. You may not make any statement or otherwise imply to donors, investors, media or the general public that you are a direct grantee of the Bill & Melinda Gates Foundation ("Foundation"). You may state that International Rice Research Institute is the Foundation's grantee and that you are a subgrantee or subcontractor of International Rice Research Institute for the Project."

**Payments and Reports.** You have directed that the Foundation pay the grant funds to the Consultative Group on International Agricultural Research Fund (MTO 069018), which is administered by the IBRD as trustee. We understand and you agree that the IBRD will make disbursements from the grant funds to you or for your benefit solely for the Project, or for Charitable Purposes, at such times and in such manner as set forth in the Contribution Agreement. This table shows the milestones and reporting deliverables for this grant. Where indicated, the Foundation's payment is contingent on satisfaction of the listed investment output, milestone, and/or reporting deliverable. The Foundation may authorize changes to the payment and reporting schedule from time to time where appropriate. The Foundation will confirm any such changes in writing.

On termination, if requested by the Foundation, you agree to promptly return to the Foundation any unspent and uncommitted grant funds (as of the date of termination) previously distributed to you by the Foundation for the Project.

You will make the results of the Project or any reports or other publications regarding the Project funded by this grant (collectively, the "Materials") available to the public: (i) on hard copy media free of charge (other than reasonable processing and shipping costs) and/or (ii) for free unlimited access and use via an Internet site, which you will use reasonable efforts to have listed with major Internet search engines.

Global Access. You will conduct and manage the Project and the resulting products, services, processes, technologies, materials, software, data and/or other innovations (collectively, “Funded Developments”) in a manner that ensures “Global Access.” Global Access requires that (a) the knowledge and information gained from the Project be promptly and broadly disseminated and (b) the Funded Developments be made available and accessible at an affordable price (i) to people most in need within developing countries or (ii) in support of the U.S. educational system and public libraries, as applicable to your proposed Project. The Foundation is making this grant in reliance on the descriptions and answers provided to the Foundation in your Proposal and during the course of any pre-award and post-award due diligence. Your Global Access obligations will survive the Grant Period.
