SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in building the foundation for a more transparent, well governed, well-regulated, and competitive financial sector that allocates resources to the private sector more effectively and efficiently, and ensures better finance for all.

The Project consists of the following parts:

Part 1: NBE Institutional Capacity Building

Strengthening the role of the NBE in the regulation and supervision of financial intermediaries, economic research and the formulation and implementation of monetary policy, through provision of technical assistance, consultants’ services, staff training and equipment in the following areas:

(a) Regulation and supervision of the banking system, including: (i) upgrading prudential regulation and market conduct rules, and their monitoring and enforcement by supervision staff, through better on-site inspection and off-site surveillance; (ii) developing a framework, policies and implementation skills for problem bank resolution and the treatment of depositors; (iii) assisting the move from compliance-based to risk-based supervision, and strengthening the skills of supervisors to undertake risk-based supervision; (iv) upgrading IT capability of the Banking Supervision Department; and (v) strengthening the corporate governance of financial sector institutions.

(b) Regulation and supervision of the insurance system, including: (i) upgrading prudential regulation and market conduct rules, and their monitoring and enforcement by supervision staff through better on-site and off-site surveillance; (ii) assisting the move from compliance-based to risk-based supervision; (iii) developing a technical library for insurance supervision; and (iv) upgrading IT capability in the Insurance Supervision Department.

(c) Economic research, policy formulation and implementation focusing, *inter alia*, on: (i) monetary policy and liquidity forecasting; (ii) financial market development; (iii) macroeconomic modeling and analysis; (iv) balance of payments analysis; and (v) reserve management, foreign exchange operations, and balance of payments and foreign trade statistics.
(d) Strengthening internal audit focusing, inter alia, on: (i) management audit; and (ii) systems audit.

(e) Human resource management focusing, inter alia, on human resource planning, recruitment, promotion and performance evaluation and manager development.

(f) Bank modernization, including performance measurement and management to enhance sustainability of the capacity built through the project; strategic planning; and improving the public relations of NBE.

(g) Strengthening the capacity of the legal, information systems, finance and currency management departments of the NBE in the areas of human resource management and bank modernization.

Part 2: **Financial Sector Infrastructure Capacity Building**

Supporting the Recipient through the provision of technical advisory services, training, workshops and equipment in the following areas:

(a) Modernization of the payment system including: (i) creation of a national payments framework and non-electronic payment systems; (ii) developing skills in payments risk analysis and oversight; and (iii) upgrading or establishment of clearing houses.

(b) Upgrading and automating the credit information center including: (i) the expansion of the existing database; (ii) enhancing the skills of NBE staff in the effective use of the database; (iii) enhancing the skills of commercial banks’ staff and other parties in the provision of credit information; and (iv) designing and implementing a public awareness campaign on the importance of credit reporting systems.

(c) Developing the capital market infrastructure including: (i) preparing and establishing a centralized depository and clearance, and electronic settlement mechanism for Government debt and corporate bonds; (ii) supporting the establishment of a stock exchange and developing a framework for stock market regulation; and (iii) preparing a strategy and action plan for the development of government and corporate bond markets.

(d) Creating an asset Registry to facilitate secured transactions.
Part 3: New Financial Products

Supporting the Recipient, through a program of technical assistance, training, workshops and provision of equipment, in the development and introduction of new financial products, such as credit cards, and including, *inter alia*, products for: (i) housing finance; (ii) leasing finance; (iii) small and medium enterprise financing; (iv) agricultural risk management; and (iv) other products that the Project may develop.

Part 4: Professional Skills in the Financial Sector

Supporting the Recipient, through provision of technical assistance, training, workshops and acquisition of equipment, in enhancing professional skills in the financial sector through: (i) improving the curriculum of the EIBI; (ii) developing certification programs for finance professionals; (iii) upgrading the information technology capacity of the EIBI; and (iv) developing the research capacity of professional associations.

Part 5: Implementation, Monitoring and Evaluation of Project

Provision of technical assistance consisting of consultants’ services and training to support the NBE in strengthening and mainstreaming of Project related implementation and monitoring and evaluation activities.
SCHEDULE 2

Project Execution

Section I. Subsidiary Financing; Institutional and Other Arrangements

A. Subsidiary Agreement

1. To facilitate the carrying out of the Project by the Project Implementing Entity, the Recipient shall make the proceeds of the Financing available to the Project Implementing Entity under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions acceptable to the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement of any of its provisions if in the opinion of the Association, such amendment or waiver shall materially and adversely affect the carrying out of the Project or the achievement of the objective thereof.

B. Institutional Arrangements

1. Project Implementation Plan. The Recipient shall cause the Project Implementing Entity to implement the Project in accordance with the Project Implementation Plan and, except as the Recipient and the Association shall otherwise agree, the Recipient shall not amend or waive any provision of the Project Implementation Plan, if in the opinion of the Association, such amendment or waiver shall materially and adversely affect the carrying out of the Project or the achievement of the objective thereof.

2. The Recipient shall establish and maintain, or cause the Project Implementing Entity to establish and maintain, until completion of the project:

   (a) The Steering Committee (SC), with the responsibility for Project oversight and ensuring effective coordination among the beneficiaries of the Project. To this end, the SC shall be comprised of representatives of key institutions benefiting from the Project, including the NBE, MoFED, Agency for the Monitoring of Public Financial Institutions, Ministry of Trade and Industry, and the financial industry associations. The SC shall
meet quarterly during the first year of Project implementation and thereafter twice a year.

(b) The Project Coordinating Committee (PCC) comprised of senior representatives from relevant units within the NBE, with responsibility for co-ordination of the implementation of the Project. To this end, the PCC shall meet on a regular basis as needs arise.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association, as part of the Project Report, not later than forty-five (45) days after the end of each calendar quarter interim un-audited financial reports for the Project, covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.
Section III. Procurement
