SCHEDULE 1

Description of the Project

The objective of the Project is to assist the Recipient in enhancing governance, transparency and effectiveness in public sector financial management, including the oil sector.

The Project consists of the following parts:

Part 1: Petroleum Sector Governance

Strengthening the financial, legal and technical environment of the Petroleum sector through:

1. carrying out of annual audits of SNPC and quarterly certifications of transfers of oil sector revenues to the State Treasury;
2. conceptualization and installation of a database and an open information management system for the oil sector;
3. strengthening the capacity of the oil sector monitoring units in DGH and MEFB;
4. developing independent oversight mechanisms for oil sector governance and for implementation of EITI;
5. support for implementation of HIPC related oil sector audits and studies; and
6. design of a medium term strategy for development of the oil sector, including key aspects of its governance.

Part 2: Enhancement of Governance Capacity

(a) Strengthening anti-corruption structures through:

1. capacity building and institutional support to the Anti-Corruption Observatory;
2. capacity building and institutional support to the Anti-Corruption Commission;

(b) Strengthening management, organization and procedures for public financial management through:
1. strengthening budget management procedures;

2. strengthening internal organization and management systems in MEFB, and MFP inter alia by carrying out organizational audits; and

3. strengthening MEFB’s capacity through provision of training and required equipment.

(c) Computerization of public financial management, including wage bill management, through:

1. support for computerization of the budget process and networking for key ministries, including MEFB, MFP, MDS, MDE, MPATIED and other selected ministries; and

2. support for harmonization of personnel records and development of an integrated personnel data system, including advisory services and training for design and implementation of a unified register for personnel records and linkage between relevant databases for pension and social security administrations.

(d) Strengthening capacity in procurement and public investment management through:

1. support for implementation of public procurement reform, including design and installation of a procurement tracking system and advisory support and training for implementation of new procurement legislation and practices;

2. strengthening of the Recipient’s capacity to formulate and implement adequate public investment programs and provision of training to enhance expertise for design and monitoring of individual projects to be included in the public investment program.

Part 3: Project Management and Monitoring and Evaluation

Acquisition of technical advisory services and provision of equipment required to strengthen PCU’s capacity to manage and monitor the execution of the Project.
SCHEDULE 2

Project Execution

Section I. Institutional and Implementation Arrangements

A. Institutional Arrangements

The Recipient shall maintain the following institutional structure:

1. IRIC

For purposes of coordination and general oversight of the Project, the Recipient shall establish and maintain IRIC in form and with functions, staffing and resources satisfactory to the Association, until the completion of the Project. IRIC shall be chaired by the Director of Cabinet of MEFB or his substitute, and will be composed of all the General Directors and Directors of the Executing Agencies who shall report directly to the Director of Cabinet. IRIC shall, inter alia: (a) facilitate working relations amongst all the Executing Agencies and private sector agencies concerned with Project implementation; (b) review the progress made or being made towards achieving the Project’s objectives; (c) approve all decisions regarding the selection of tasks, the awarding of contracts and the selection of consultants; and (d) organize regular operational meetings.

2. PCU

(a) The Recipient shall maintain a PCU under the supervision of IRIC in a form and with functions, staffing and resources satisfactory to the Association until the completion of the Project. PCU shall consist of a number of key staff, appointed in accordance with the provisions of Section III of Schedule 2 to this Agreement, including a Project coordinator, a finance director, a procurement specialist and an accountant. PCU shall be responsible for, in particular, the implementation of Part C.3 of the Project, and in general: (i) the management of Project funds; (ii) installation and maintenance of sound financial and accounting procedures; (iii) procurement activities; (iv) reporting to the Recipient and the Association; (v) organizing quarterly reviews of the Project and reporting to IRIC; and (vi) ensuring coordination of all training activities.

(b) The Recipient shall maintain or cause to be maintained within PCU a Financial Management Section (FMS) in a form and with functions, staffing and resources satisfactory to the Association. The FMS will be headed by a Finance Director and will be responsible in accordance with the Project Administrative, Accounting and Financial Manual (PAAFM), for the financial management of the Project including the preparation and production of the annual financial
statements and ensuring that the financial management system for the Project is acceptable to the Association.

B. Implementation Arrangements

1. The Recipient shall implement the Project in accordance with the Project Administrative, Accounting and Financial Manual, and except as the Recipient and the Association shall otherwise agree, the Recipient shall not amend or waive any provision thereof, if in the opinion of the Association, such amendment or waiver may materially and adversely affect the implementation of the Project.

2. The Recipient shall: (a) open and thereafter maintain the Project Account in a commercial bank under terms and conditions acceptable to the Association; (b) deposit into the Project Account an initial amount equivalent to $2,200,000; and (c) deposit by April 1 of each calendar year during the Project implementation period an additional amount equivalent to $1,700,000.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than 45 days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report, not later than 45 days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.
3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one calendar year. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods and services other than consultants’ services. All goods and services other than consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
