Amendment to the Transfer Agreement between the International Bank for Reconstruction and Development and the International Development Association and World Health Organization under the Global Medicines Regulatory Harmonization Initiative Multi-Donor Trust Fund (TF010887)

1. Reference is made to the Transfer Agreement between the International Bank for Reconstruction and Development and the International Development Association as Administrator (the “Administrator”) and the World Health Organization (“WHO”, together with the Administrator, the “Parties”) for the transfer of funds from the Global Medicines Regulatory Harmonization Initiative Multi-Donor Trust Fund (TF071682) (the “GMRH Trust Fund”) to WHO, effective as of November 25, 2011 (“Transfer Agreement”).

2. WHO and the Administrator agree to amend paragraph 14 of the Transfer Agreement to read as follows:

   “14. It is expected that all Funds will be disbursed by WHO by October 31, 2020 (the “End Date”). Any undisbursed Funds remaining with WHO after the End Date shall be returned to the Administrator for deposit in the GMRH Trust Funds.”

3. All other terms of the Transfer Agreement shall remain the same.

4. The Administrator shall disclose this amendment (“Amendment”) in accordance with the Bank’s Policy on Access to Information. By entering into this Amendment, the WHO consents to such disclosure.

5. Each of the Parties represent, by confirming its agreement below, that it is authorized to enter into this Amendment and act in accordance with these terms and conditions. The Parties are requested to sign and date this Amendment, and upon possession by the Administrator of this fully signed Amendment, this Amendment shall become effective as of the date of the last signature.
