ANNEX
Purposes, Terms, and Conditions of the Grant

1. Purposes and Activities

1.1. The purpose of the Grant is to assist the Recipient through its Office of Public Procurement (OPP) in the preparation of standard documents comprising: standard pre-qualification documents (SPD), standard bidding documents (SBD) and standard contract forms (SCF) to be used by public procurement entities and bidders in public procurement procedures. The activities (the Activities) for which the Grant is given are as follows:

(a) provision of technical assistance to prepare SPD, SBD and SCF (the “Standard Documents”), the guidelines for their use, and the procurement procedures;

(b) provision of technical assistance to develop recommendations on amendments to the Act on Public Procurement (APP) of the Recipient to enable the use of the Standard Documents in public procurement;

(c) provision of financing for the dissemination of the Standard Documents to procuring entities of the Recipient, which would in turn disseminate them to the bidders participating in procurement proceedings; and

(d) provision of technical assistance to conduct training to concerned entities on the use of the Standard Documents.

2. Implementation Generally

2.1. The Recipient, through its OPP, shall: (a) carry out the Activities with due diligence and efficiency; (b) promptly provide the funds, facilities, services and other resources required for that purpose; (c) furnish all information covering the Activities and the use of the proceeds of the Grant as the Bank shall reasonably request; (d) from time to time exchange views with the Bank's representatives on the progress and results of the Activities; and (e) take all necessary measures required to enable the Bank's representatives to visit the territory of the Recipient for purposes related to the Grant. Without limitation on the foregoing, the Recipient shall, if the Bank shall so request, prepare and furnish to the Bank promptly upon completion of the Activities a report, in form and substance satisfactory to the Bank, on the results and impact of the Activities.

2.2. The Recipient shall ensure that the OPP will assign a project leader (PL) to overview the Activities and set up an advisory committee (AC) comprising experts on public procurement and representing different stakeholders to review outcomes of Activities.

3. Procurement

3.1. Except as the Bank shall otherwise agree, procurement of the consultants’ services and goods required for the carrying out of the Activities and to be financed out of the proceeds of the Grant shall be governed by the provisions of Attachment I to this Annex.

3.2. The Recipient shall ensure that all imported goods to be financed out of the proceeds of the Grant shall be insured against hazards incident to the acquisition, transportation and delivery thereof to
the place of use or installation, and that any indemnity for such insurance is payable in a freely usable currency to replace or repair such goods. The Recipient shall ensure that any facilities relevant to the Activities are at all times operated and maintained in accordance with appropriate practices and that any repairs or renewals of such facilities are promptly made as needed.

4. Withdrawal of Grant Proceeds

4.1. The amount of the Grant shall be credited to an account opened by the Bank on its books in the name of the Recipient (the Grant Account), and may be withdrawn therefrom by the Recipient in accordance with the provisions of this Section 4, for expenditures in respect of the reasonable cost of goods and services required for the Activities and to be financed out of the proceeds of the Grant.

4.2. The expenditures for the following Categories of items may be financed out of the proceeds of the Grant and shall be used exclusively in the carrying out of the Activities:

<table>
<thead>
<tr>
<th>Category</th>
<th>Amount of the Grant Allocated (in U.S. dollars)</th>
<th>% of Expenditures to be Financed</th>
</tr>
</thead>
<tbody>
<tr>
<td>(1) Consultants’ services</td>
<td>96,000</td>
<td>100%</td>
</tr>
<tr>
<td>(2) Training</td>
<td>30,000</td>
<td>100%</td>
</tr>
<tr>
<td>(3) Goods</td>
<td>24,000</td>
<td>100% of foreign expenditures, 100% of local expenditures (ex-factory cost) and 85% of local expenditures for other items procured locally</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>150,000</strong></td>
<td></td>
</tr>
</tbody>
</table>

For the purposes of this paragraph, the term:

(a) “foreign expenditures” means expenditures in the currency of any country other than that of the Recipient for goods or services supplied from the territory of any country other than that of the Recipient;

(b) “local expenditures” means expenditures that are not foreign expenditures, provided, however, that if the currency of the Recipient is also that of another country from the territory of which goods or services are supplied, expenditures in such currency for such goods or services shall be deemed to be foreign expenditures; and

(c) “training” means expenditures for training to contracting authorities and bidders on the use of the new Standard Documents such as SPD, SBD and SCF for goods, works, computers and information
systems, smaller contracts (less than 30,000 Euro), services, and services following performance contracting principles.

4.3. Notwithstanding the provisions of paragraph 4.2 above:

(a) No withdrawals from the Grant Account shall be made: (i) for payments made for expenditures prior to the date of signature of this Letter Agreement by the Bank; (ii) on account of payments for any taxes levied by or in the territory of the Recipient; (iii) on account of expenditures in the territories of any country which is not a member of the Bank or for goods produced in or services supplied from such territories; or (iv) for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the Bank’s knowledge, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations;

(b) No withdrawals from the Grant Account shall be made after a date three years from the date of countersignature of this Letter Agreement by the Recipient, or such later date that the Bank shall establish by notice to the Recipient (the Closing Date). However, withdrawals may be made after the Closing Date for expenditures incurred prior to the Closing Date if the corresponding withdrawal application is received by the Bank within four months after the Closing Date, after which time any amount of the Grant remaining unwithdrawn from the Grant Account shall be canceled; and

(c) If, in the Bank’s opinion, an amount of the Grant allocated to any of the categories in the table in paragraph 4.2 above will be insufficient to finance the expenditures for such category, the Bank may, by written notice to the Recipient, reallocate to such category an amount of the Grant then allocated to another category which, in the Bank’s opinion, will not be necessary to meet other expenditures.

4.4. When the Recipient shall desire to withdraw any amount from the Grant Account, it shall deliver to the Bank a written application for withdrawal of such amount in the form specified by the Bank. Withdrawal applications shall be: (a) signed on behalf of the Recipient by the Chairman of the Office of the Public Procurement of the Recipient or such other person as he or she shall have authorized in writing; and (b) accompanied by such evidence in support of the application as the Bank shall reasonably request. Authenticated specimen signatures of the person authorized to sign withdrawal applications shall be provided with the first application bearing his or her signature. Each withdrawal application for an amount of the Grant and its supporting evidence must be sufficient in form and substance to satisfy the Bank that the Recipient is entitled to withdraw such amount from the Grant Account and that such amount is to be used in the carrying out of the Activities. The Bank shall pay the amounts withdrawn by the Recipient from the Grant Account only to or on the order of the Recipient.

4.5. To facilitate the carrying out of the Activities, the Recipient may open and maintain a special deposit account (the Special Account) in U.S. dollars in the National Bank of Poland on terms and conditions satisfactory to the Bank, including appropriate protection against set-off, seizure or attachment. Deposits into, and payments out of, the Special Account shall be made in accordance with the provisions of Attachment II to this Annex.

4.6. The Bank may require that withdrawals from the Grant Account be made on the basis of statements of expenditure for expenditures for: (a) services of consulting firms costing less than the equivalent of US$50,000 each; and (b) services of individual consultants costing less than the equivalent of US$50,000; and (c) goods, all under such terms and conditions as the Bank shall specify by notice to the Recipient.

4.7. Withdrawals of the proceeds of the grant shall be made in U.S. dollars. However, the Bank, at
the Recipient’s request and acting as an agent of the Recipient, shall purchase with U.S. dollars withdrawn from the Grant Account such currencies as shall be required to pay for expenditures to be financed out of the proceeds of the Grant. Whenever it shall be necessary, for the purposes of this Letter Agreement, to determine the value of one currency in terms of another, such value shall be as reasonably determined by the Bank.

5. **Records and Accounts**

5.1. The Recipient shall:

   (a) maintain or cause to be maintained records and accounts adequate to reflect in accordance with sound accounting practices the resources and expenditures related to the Activities, including records and accounts for all expenditures with respect to which withdrawals from the Grant Account were made on the basis of statements of expenditure.

   (b) retain, until at least one year after the date on which the last withdrawal from the Grant Account was made, all records and accounts referred to in subparagraph (a) above, including records (contracts, orders, invoices, bills, receipts and other documents) evidencing expenditures with respect to which withdrawals from the Grant Account were made on the basis of statements of expenditure.

   (c) enable the Bank’s representatives to examine such records and accounts and furnish to the Bank such other information concerning said records and accounts as the Bank shall from time to time reasonably request.

6. **Suspension and Cancellation**

6.1. The Bank may at any time, by notice to the Recipient, suspend the right of the Recipient to make further withdrawals from the Grant Account if any of the following events has occurred and is continuing: (a) funds withdrawn shall not have been used for the purpose agreed between the Recipient and the Bank; (b) the Activities shall not have been carried out in accordance with the standards or methods agreed between the Recipient and the Bank; (c) the Recipient has failed to comply with any of the obligations herein specified; or (d) the right of the Recipient, or any other entity to which the Bank has made a loan with the guarantee of the Recipient, to make withdrawals under any loan agreement with the Bank or any development credit agreement with the International Development Association shall have been suspended.

6.2. The Bank may, by notice to the Recipient, terminate the right of the Recipient to make further withdrawals from the Grant Account and shall cancel any amount of the Grant remaining unwithdrawn: (a) at any time after withdrawals from the Grant Account shall have been suspended pursuant to the provisions of paragraph 6.1 above; or (b) if the Recipient shall have failed to take action, satisfactory to the Bank, regarding the implementation of the Activities within six months of the date of this Letter-Agreement.

(ii) Prior to or at the time of each such request, the Recipient shall furnish to the Bank the documents and other evidence required pursuant to paragraph 4 of this Attachment for the payment or payments in respect of which replenishment is requested.
