SCHEDULE 1

Project Description

The objective of the Project is to improve the capacity of BBS to produce quality core statistics and make them accessible in a timely manner to policy makers and the public.

The Project consists of the following parts:

**Part A: Improving the Coordination and Management of Statistical Activities**

1. **Improving the Coordination with Other Official Statistics Providers**
   (a) Creation of a national statistics coordination council to oversee the coordination and statistical activities of the NSS.
   (b) Development, revision and/or improvement of agreements among Recipient’s agencies producing statistics to ensure an efficient interaction and develop data sharing protocols.
   (c) Development of regulations and by-laws to improve inter-agency coordination.

2. **Strengthening Management Systems**

   Carrying out of a functional review of BBS and development of an implementation plan for: (a) improving BBS’ business processes and workflows; (b) improving BBS’ recruitment, procurement and financial management capacities; and (c) introducing quality management guidelines and enterprise resource planning systems.

**Part B: Developing Human Resources and Information Communication Technology (ICT) Infrastructure to Produce and Manage Data**

1. **Investing in Core Skills and Competencies**
   (a) Development of a training policy and a training program for BBS staff led by BBS’s existing training institutes.
   (b) Creation of an inventory of training needs.
   (c) Creation of an inventory of training facilities and sources, courses available and carrying out of assessments of local and regional training institutes able to partner with BBS to deliver training.
   (d) Provision of in-house training, study tours or advance programs.

2. **Investing in ICT**

   Development of an ICT plan and ICT investments to improve the efficiency of data collection and sharing of core statistics.
**Part C: Improving the Coverage and Quality of Core Statistics Required for Policy Making**

Improvement of the design, implementation and information generated by high priority, core statistical operations identified in the NSDS, through: (a) review of existing BBS’ statistical activities to reduce identified gaps and redundancies and streamline their production; (b) provision of technical assistance and implementation of pilot activities to improve core statistics functions; (c) improvement of questionnaires, classifications and sampling methodologies for core statistics; and (d) introduction of data collection methodologies (i.e. computer assisted personal interviews/computer assisted field entry methodologies) to improve surveys’ efficiency and quality.

**Part D: Promoting and Strengthening Access to, and the Use of, Official Statistics**

1. **Implementing an Effective and Clear Dissemination Policy**
   (a) Introduction of a dissemination policy for core statistics.
   (b) Preparation of a ‘release calendar’ for managing core statistical operations and reports.
   (c) Improvement of accessibility to publications and other statistical products through BBS’ website.
   (d) Improvement of user-producer dialogue.

   (a) Provision of training on metadata.
   (b) Adherence of metadata to internationally accepted formats.
   (c) Improvement of accessibility to metadata through BBS’ website, including production of printed forms for core statistics.
   (d) Improvement of accessibility to codes/syntaxes that produce core statistics.

3. **Accessing Microdata for Further Research and Analysis**
   (a) Provision of technical assistance and training on microdata anonymization.
   (b) Implementation of anonymization of microdata to ensure confidentiality following international best practices.
   (c) Development of tools for accessing to microdata, subject to policies protecting confidentiality and security and preventing misuse.
   (d) Improvement of accessibility of microdata.

**Part E: Project Management**

Provision of technical support for day-to-day Project coordination, implementation and management activities, including: (a) preparation of annual work plans and budgets;
(b) carrying out of Project financial management and procurement-related activities; (c) preparation and consolidation of periodic progress reports; and (d) carrying out of Project monitoring and evaluation activities.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. By no later than one (1) month after the Effective Date, the Recipient shall establish, and thereafter maintain throughout the course of Project implementation, a steering committee with a mandate, functions, composition and resources satisfactory to the Association. Without limitation to the immediately foregoing provision, said steering committee shall: (a) be chaired by the SID Secretary and comprise representatives from the relevant ministries/agencies involved in Project implementation; and (b) meet at least every six (6) months to: (i) provide strategic and policy direction on all Project activities; (ii) review progress in Project implementation; and (iii) address any obstacle during Project implementation.

2. By no later than one (1) month after the Effective Date, the Recipient shall establish, and thereafter maintain throughout the course of Project implementation, an implementing unit with a mandate, functions and resources satisfactory to the Association, and with staff in adequate numbers and with qualifications, experience and terms of reference satisfactory to the Association. Without limitation to the immediately foregoing provision, said implementing unit shall: (a) be headed by one (1) Project director and supported by two (2) deputy Project directors; and (b) be staffed with technical experts and specialists in, inter alia, procurement, financial management, and monitoring and evaluation and reporting; and (c) be responsible for, inter alia, preparing annual work plans and budgets.

3. The Recipient shall issue, and thereafter maintain throughout the course of Project implementation, an operations manual, in a manner satisfactory to the Association, which shall set forth the rules and procedures for implementing the Project. Except as the Association shall otherwise agree in writing, the Recipient shall not assign, amend, abrogate, or waive, or permit to be assigned, amended, abrogated, or waived said manual and/or any provision thereof. In the event of a conflict between the provisions of said manual and those of this Agreement, the terms of this Agreement shall prevail.
Section II.  Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall furnish to the Association each Project Report not later than forty-five (45) days after the end of each calendar semester, covering the calendar semester.

Section III.  Withdrawal of the Proceeds of the Financing

A. General

Without limitation upon the provisions of Article II of the General Conditions and in accordance with the Disbursement and Financial Information Letter, the Recipient may withdraw the proceeds of the Financing to finance Eligible Expenditures; in the amount allocated and, if applicable, up to the percentage set forth against each Category of the following table:
