SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in improving the living conditions of residents of novostroiki in the Cities of Bishkek and Osh through the development of infrastructure of the Bishkek and Osh Municipalities pertaining to road networks, drainage systems, supply of clean and safe water and other such infrastructure as well as the rehabilitation and upgrading of said infrastructure.

The Project consists of the following parts:

Part 1: Infrastructure Development

Carrying out works and services to rehabilitate, upgrade and develop infrastructure of: (a) the Bishkek Municipality pertaining to road networks, drainage systems, and supply of clean and safe water as well as such other infrastructure, identified in accordance with criteria and procedures acceptable to the Association, of the Bishkek Municipality; and (b) the Osh Municipality pertaining to road networks, drainage systems, and supply of clean and safe water as well as such other infrastructure, identified in accordance with criteria and procedures acceptable to the Association, of the Osh Municipality.

Part 2: Community Investment Program

Carrying out small-scale investments, in accordance with criteria and procedures acceptable to the Association, in participating novostroiki: (a) in the City of Bishkek to improve the living conditions of said novostroiki; and (b) in the City of Osh to improve the living conditions of said novostroiki.

Part 3: Institutional Development

Provision of technical assistance, including such other support, to improve the institutional capacity of bodies of: (a) the Bishkek Municipality to manage municipal services in the City of Bishkek; and (b) the Osh Municipality to manage municipal services in the City of Osh.

Part 4: Project Management, Coordination, Monitoring and Evaluation

Provision of technical assistance to the Project Implementing Entity and other institutions involved in the implementation of the Project, including the financing of Operating Costs and audits, for the purpose of managing and monitoring Project activities, as well as provision of training and workshops for the purposes of improving the capacity of the Project Implementing Entity to prepare, evaluate and develop
infrastructure investments, including cooperating with participating novostroiki in implementation of the Project.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall cause the Project to be implemented by the Project Implementing Entity in accordance with the provisions of the Project Operational Manual. Except as the Association shall otherwise agree, the Recipient shall not, and shall cause the Project Implementing Entity not to, amend or waive any provision of the Project Operational Manual, if, in the opinion of the Association, such amendment or waiver may materially or adversely affect the carrying out of the Project or the achievement of the Project objectives.

2. The Recipient shall at all times ensure that the Project Implementing Entity has adequate functions, staffing and resources satisfactory to the Association.

B. Subsidiary Agreement

1. To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Financing available to the Project Implementing Entity under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

The Recipient shall: (i) cause the Project to be carried out by the Project Implementing Entity in accordance with the provisions of the Environmental Management Framework; (ii) take all action, including the preparation and submission of Environmental Management Plans acceptable to the Association, as well as ensuring the provision of funds, facilities, services, and other resources, necessary or appropriate for the carrying out of the Project; and (iii) not take or permit to be taken any action which would prevent or interfere with the carrying out of the Project.
Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall cause the Project Implementing Entity to monitor and evaluate the progress of the Project and to prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of one calendar quarter, and shall be furnished by the Project Implementing Entity to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall cause the Project Implementing Entity to maintain a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall cause the Project Implementing Entity to prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall cause the Project Implementing Entity to have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period shall be furnished by the Project Implementing Entity to the Association not later than six (6) months after the end of such period.
