SCHEDULE 1

Project Description

The objectives of the Project are: (a) to establish basic processes for efficient and transparent management of public expenditures; and (b) to develop adequate institutional capacity to support the implementation and sustained functioning of an automated financial management information system.

The Project constitutes the first phase of the Program, and consists of the following parts:

Provision of goods, works, consulting services and training to: (i) build capacity within the Ministry of Finance and public financial management institutions to manage and monitor public financial management reforms; (ii) develop a new organizational structure for the Ministry of Finance, including setting clear roles and responsibilities for public financial management at the central level; (iii) designing and implementing a skills development program for staff of the Ministry of Finance and officials engaged in the public financial management process; and (iv) support Project management, including audits.

Part 2: Streamlining Core Budget Management Procedures

Provision of goods, consulting services and training to support: (i) improvement of budget planning and budget preparation; (ii) the implementation of an unified chart of accounts and improvement of the budget classification system; (iii) improvement of budget execution procedures; (iv) upgrade of the existing information services; (v) implementation of upgraded information systems; and (vi) improvement of public financial management legislation and associated regulations.

Part 3: Preparation for Automation of Core Public Financial Management Operations

Provision of goods, works, consulting services and training to: (i) support establishment and capacity building of the IT Center, including development of an information technology modernization plan, establishment of an information and communications technology (ICT) training facility and a feasibility study on establishing a common ICT network infrastructure; (ii) modernization and upgrade of ICT infrastructure of the MoF; (iii) support change management activities; and (iv) preparation of the technical requirements for introduction of financial management information system.
Section I. Implementation Arrangements

A. Institutional Arrangements

The Recipient shall carry out the Project in accordance with the following institutional arrangements:

1. The PFM Council shall have overall responsibility for strategic decision-making on public financial management reforms, including public financial management reform priorities, oversight of the PFM Strategy, and policy decisions on the nature, sequence and format of technical assistance supporting public financial management reforms.

2. The Recipient shall carry out the Project, through the MoF, in accordance with the requirements, criteria, organizational arrangements and operational procedures set forth in the POM and the PIP and shall not assign, amend, abrogate or waive any provisions of the POM or the PIP without prior approval of the Association.

3. At all times during the implementation of the Project, the Recipient shall maintain the PGS with a composition, resources and terms of reference satisfactory to the Association.

4. The Recipient shall provide in-kind contributions sufficient to meet the recurrent costs of information and communication technology infrastructure including the country-wide information technology network, as well as supporting IT Center operations.

5. Not later than December 1 of each year, during the implementation of the Project, and starting from May 1, 2009, the Recipient shall submit to the Association, an Annual Work Plan for the following calendar year, and shall agree with the Association on activities to be undertaken under the Project in the following year and the related budget.

6. The Recipient shall submit for the Association’s prior approval, the names, qualifications, experience and justification for selection of members of tender committees. Such tender committees shall include at least one specialist with the necessary qualifications and experience, as satisfactory to the Association.

7. Not later than January 1, 2011, the Recipient shall establish and make operational the IT Center and shall appoint a director of the IT Center, on terms and conditions satisfactory to the Association. The director of the IT Center will be part of the PGS.
B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

2. On or about December 31, 2011, the Recipient shall carry out jointly with the Association a midterm review of the progress made in carrying out the Project (hereinafter referred to as the Midterm Review). The Midterm Review shall cover, amongst other things:

   (a) progress made in meeting the Project’s objective; and

   (b) overall Project performance against Project performance indicators.

3. The Recipient shall prepare at least four (4) weeks prior to the Midterm Review, and furnish to the Association, a separate report describing the status of implementation of each component of the Project and a summary report of Project implementation generally.

4. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six (6) months after the Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.
3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made for payments made prior to the date of this Agreement.

2. The Closing Date is August 31, 2014.
ANNEX
to
SCHEDULE 2

National competitive bidding procedures of the Recipient may be used for procurement of works under the Project provided that the following provisions are complied with:

1. Works, for which this Agreement allows procurement under paragraphs 3.3 and 3.4 of the Procurement Guidelines, shall be procured in accordance with the provisions of the Law of the Republic of Tajikistan “On Public Procurement of Goods, Works and Services”, dated March 3, 2006 (“the Law”). These provisions, in order to ensure economy, efficiency, transparency, and broad consistency with the provisions included in Section I of the Guidelines (as required by paragraphs. 3.3 of the Guidelines), shall be modified as set forth in the following paragraphs.

Entity responsible for carrying out the procurement

2. The procurement shall be carried out by the “procuring entity” (as defined in Art. 9 of the Law), without any involvement of the Authorized Body on Public Procurement (as referred to in Art. 3 of the Law).

Participation in bidding

3. Government-owned enterprises in Tajikistan shall be eligible to participate in bidding only if they can establish that they are legally and financially autonomous, operate under commercial law, and are not a dependent agency of the procuring entity (as defined in the Law).

4. Foreign bidders shall be eligible to participate in bidding under the same conditions as local bidders. In particular, no domestic preference over foreign shall be granted to local bidders in bid evaluation.

Advertising: time for bid preparation

5. Invitations to bid shall be advertised in at least one widely circulated national newspaper, allowing a minimum of 30 days for the preparation and submission of bids.

Standard bidding documents

6. Until a modified version of the Recipient’s standard bidding documents has been approved by the Association, the Association’s sample NCB bidding documents for the Europe and Central Asia Region shall be used.
Qualification criteria and evaluation criteria

7. Qualification criteria shall be clearly specified in the bidding documents, and criteria so specified, and only criteria so specified, shall be used to determine whether a bidder is qualified. Bids of bidders not meeting such criteria shall be rejected as non-qualified. Qualifications of a bidder found to meet the specified qualification criteria shall not be taken into account in the evaluation of such a bidder’s bid.

8. Evaluation criteria shall be clearly specified in the bidding documents, and evaluation criteria other than price shall be quantified in monetary terms. Evaluation criteria so specified, and only criteria so specified, shall be used in bid evaluation. Merit points shall not be used in bid evaluation.

Bid security

9. For the procurement of goods and works, bidders shall be required to submit a bid security in the amount and in the form specified in the bidding documents, unless otherwise agreed with the Association. A bid security in the form of an advance bank transfer shall not be allowed.

Bid submission and bid opening

10. Bids may be delivered by mail or by hand. Bids shall be opened immediately after the deadline for bid submission in the presence of the bidders who wish to attend. Said deadline and the place of bid opening shall be announced in the invitation to bid. The name of each bidder and the amount of its bid, shall be read aloud and recorded when opened in the minutes of bid opening. The minutes of bid opening shall be signed by the members of the bidding committee immediately after bid opening.

11. Bids received after the deadline for bid submissions shall be returned to the bidders unopened.

Bid evaluation and award of contracts

12. Bidders shall not be allowed to be present during bid evaluation, and no information relating to the evaluation of bids shall be disclosed to bidders until the successful bidder is notified of the award.

13. A bid containing material deviations from or reservations to the terms, conditions and specifications of the bidding documents shall be rejected as not substantially responsive. A bidder shall not be permitted to withdraw material deviations or reservations once bids have been opened.
14. Evaluation of bids shall be made in strict adherence to the criteria specified in the bidding documents, and contracts should be awarded to the qualified bidder offering the lowest evaluated and substantially responsive bid.

15. A bidder shall not be required, as a condition for award, to undertake obligations not specified in the bidding documents or otherwise to modify the bid as originally submitted.

16. There shall be no post-bidding negotiations between the purchaser and the lowest or any other bidder.
