(Land Administration and Management Project)

between

ALBANIA

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated March 21, 2007
FINANCING AGREEMENT

AGREEMENT dated March 21, 2007, between ALBANIA ("Recipient") and INTERNATIONAL DEVELOPMENT ASSOCIATION ("Association"). The Recipient and the Association hereby agree as follows:

WHEREAS the Recipient has also requested the Bank to provide additional assistance towards the financing of the Project and by an agreement of even date herewith between the Recipient and the Bank (the Loan Agreement), the Bank is agreeing to provide such assistance in an aggregate principal amount equal to fifteen million two hundred thousand Euro (€15,200,000) (the Loan).

ARTICLE I - GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in the Financing Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II - FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a credit in an amount equivalent to ten million Special Drawing Rights (SDR 10,000,000) ("Credit") to assist in financing the project described in Schedule 1 to this Agreement ("Project").

2.02. The Recipient may withdraw the proceeds of the Credit in accordance with Section V of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the unwithdrawn Credit Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance shall be equal to three-fourths of one percent (3/4 of 1%) per annum.

2.05. The Payment Dates are May 15 and November 15 in each year.

2.06. The principal amount of the Credit shall be repaid in accordance with the repayment schedule set forth in Schedule 3 to this Agreement.
2.07. The Payment Currency is Euro.

ARTICLE III - PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient, through the IPRO, the Ministry of Public Works, Transport and Telecommunications, and the Ministry of Interior, shall carry out the Project in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV - REMEDIES OF THE ASSOCIATION

4.01. The Additional Event of Suspension consist of the following:

(i) Subject to subparagraph (ii) of this paragraph, the right of the Recipient to withdraw the proceeds of the Swedish Co-financing Grant or the Japanese Co-financing Grant respectively shall have been suspended, cancelled or terminated in whole or in part, pursuant to the terms of the Swedish Co-financing Grant Agreement or the Japanese Co-financing Grant Agreement.

(ii) Subparagraph (i) of this paragraph shall not apply if the Recipient establishes to the satisfaction of the Association that:

(A) such suspension, cancellation or termination is not caused by the failure of the Recipient to perform any of its obligations under the Swedish Co-financing Grant Agreement or the Japanese Co-financing Grant Agreement, respectively; and

(B) adequate funds for the Project are available to the Recipient from other sources on terms and conditions consistent with the obligations of the Recipient under the Swedish Co-financing Grant Agreement or the Japanese Co-financing Grant Agreement, respectively.
ARTICLE V - EFFECTIVENESS; TERMINATION

5.01. The Additional Conditions of Effectiveness consist of the following:

(a) the Loan Agreement has been executed and delivered and all conditions precedent to its effectiveness have been fulfilled other than those related to the effectiveness of this Agreement;

(b) the Swedish Co-financing Grant Agreement and the Japanese Co-financing Grant Agreement have been executed and delivered and all conditions precedent to their respective effectiveness or to the right of the Recipient to make withdrawals under the Swedish Co-financing Grant Agreement and the Japanese Co-financing Grant Agreement (other than the effectiveness of the Financing Agreement and the Loan Agreement) have been fulfilled; and

(c) the Project Operational Manual and the Financial Management Manual have been adopted by the Recipient.

5.02. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

Project Description

The objective of the Project is to improve the efficiency and effectiveness of land administration and urban management, through enhancing tenure security, improving urban planning, land management and development control, improving property valuation and taxation, and investments in urban infrastructure and services.

The Project consists of the following parts, subject to such modifications thereof as the Recipient and the Association may agree upon from time to time to achieve such objective:

Part A. Security of Tenure and Registration of Immovable Property Rights

1. Improvement of service delivery by the IPRO for land registration and property transactions, through the provision of equipment and furniture, consultants’ services, technical services, information technology, training and capacity building services.

2. Operational support for completion of first registration of urban, per-urban and rural immovable property, including, inter alia, public awareness and outreach campaigns, mapping and adjudication services, support for quality control, through the provision of goods, technical services and consultants’ services.

3. Development and revision of laws and regulations necessary to support the completion of registration of immovable property, improve IPRO services and enhance the security of tenure, through the provision of consultants’ services.

4. Development of a training needs assessment, provision of training to IPRO staff, and establishment of a training center in the IPRO’s central office, through the provision of consultants’ services, training, goods and works.

5. Strengthening of IPRO’s administrative, general management and Project management capacities, through the provision of Incremental Operating Costs, equipment and consultants’ services.

Part B. Urban Land Management

1. Capacity building in Participating Municipalities, including, inter alia, the development of regulatory plans, the establishment of computerized valuation systems, and the implementation of address systems, through the provision of consultants’ services, technical services and goods.

3. Development of urban land management laws and regulations, through the provision of consultants’ services.

4. Provision of training to municipal staff in land use planning and development control.

5. Strengthening of the Urban Planning Department’s administrative and management capacity, through the provision of Incremental Operating Costs, goods and consultants’ services.

**Part C. Municipal Infrastructure**

1. Provision of Small Grants to Participating Municipalities for improvement of municipal infrastructure and services.

2. Implementation of address systems in Participating Municipalities, through the provision of goods and consultants’ services.

3. Provision of training to Participating Municipalities in the areas of procurement and financial management.

4. Project management and capacity building support for the Ministry of Interior, through the provision of Incremental Operating Costs, goods and consultants’ services.
SCHEDULE 2

Project Execution

Section I. Institutional Arrangements

The Recipient shall carry out the Project in accordance with the following coordination mechanisms:

1. The IPRO shall be responsible for carrying out Part A of the Project. As such, the IPRO shall, *inter alia*, be in charge of procurement, financial management, planning, coordination and monitoring and evaluation for the activities under Part A of the Project. The Chief Registrar of the IPRO shall be the director for Part A of the Project.

2. The Urban Planning Department within the MPWTT shall be responsible for carrying out Part B of the Project. As such, the MPWTT shall, *inter alia*, be in charge of procurement, financial management, as well as monitoring and reporting for Part B of the Project. The head of the Urban Planning Department within the MPWTT shall be the director for Part B of the Project.

3. The Department of Local Government Finance within the MoI shall be responsible for carrying out Part C of the Project. As such, the MoI shall *inter alia*, be responsible for procurement, financial management, planning, coordination, monitoring and evaluation, and environmental and social issues for the activities under Part C of the Project. The Participating Municipalities shall be in charge of carrying out the day-to-day activities under Part C.1 of the Project. The head of the Department of Local Government Finance within the MoI shall be the director for Part C of the Project. The MoI shall carry out operational reviews of the Small Grants provided to Participating Municipalities under Part C.1 of the Project, in accordance with the provisions in the Project Operational Manual.

4. The Project Steering Committee shall be responsible for the coordination between the Parts A, B and C of the Project. It shall be chaired by the Minister of Justice or his designee and shall include members of the Ministry of Finance, the MPWTT, the MoI, the IPRO and the Executive Director of the Albanian Association of Municipalities.

5. The Recipient shall ensure that, during the entire life of the Project, the IPRO, the MPWTT and the MoI shall dedicate and employ adequate staff, including procurement and financial management specialists, and resources for the implementation of the Project.

Section II. Implementation Covenants

1. The Recipient shall carry out the Project in accordance with the Environmental Policy Framework, the Resettlement Policy Framework, the Project Operational Manual
and the Financial Management Manual, and shall not amend, suspend, abrogate, repeal or
waive any provision of the Environmental Policy Framework, the Resettlement Policy
Framework, the Project Operational Manual or the Financial Management Manual
without prior approval of the Association.

2. The Recipient shall:

   (a) take all steps necessary for the submission to Parliament: (i) by September 30, 2007, of a revised law on urban management; and (ii) by May 15, 2008, of a draft law on property evaluation, both satisfactory to the Association;

   (b) not later than January 1, 2009, reorganize the IPRO as an autonomous and self financing office, headed by a chief registrar who shall report to a board of directors composed of representatives of the Recipient’s government and user groups; and

   (c) not later than December 31, 2008, develop a policy and take proper regulatory and other actions for the protection of registered property rights, in a manner acceptable to the Association.

3. The Recipient, through the MoI, shall carry out two operational reviews and audits of the activities under Part C.1 of the Project for review by the Association, in accordance with the terms of reference in the Project Operational Manual.

Section III. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one (1) calendar semester and shall be submitted by September 30 and March 31 respectively, starting March 31, 2007.

2. Without limitation on the provisions in paragraph 1 of this Sub-section, the Recipient shall:

   (a) prepare, under terms of reference satisfactory to the Association, and furnish to the Association, on or about March 31, 2009, a report integrating the results of the monitoring and evaluation activities performed pursuant to paragraph (1) of this Sub-section, on the progress achieved in the carrying out of the Project during the period preceding the date of said report and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objectives thereof during the period following such date; and
(b) review with the Association, by April 30, 2009, or such later date as the Association shall determine, the report referred to in paragraph (a) of this Sub-section, and, thereafter, take all measures required to ensure the efficient completion of the Project and the achievement of the objectives thereof, based on the conclusions and recommendations of the said report and the Association’s views on the matter.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section IV. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Schedule.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Schedule.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
B. Particular Methods of Procurement of Goods and Works

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods and Works. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:
