Excellency:

I wish to refer to the Grant Agreement between the Republic of El Salvador ("Recipient") and the International Bank for Reconstruction and Development ("World Bank"), acting as Trustee of the Readiness Fund of the Forest Carbon Partnership Facility ("FCPF"), dated July 19, 2011 ("Readiness Grant Agreement"), pursuant to which the World Bank agreed to provide to the Recipient a grant in the amount not to exceed US$200,000 for formulating the Readiness Preparation Proposal ("R-PP") ("R-PP Formulation Installment").

The Participants Committee of the FCPF ("PC") has reviewed the R-PP submitted by the Recipient and acknowledged the extensive efforts made by the Recipient and the high quality of the R-PP. Accordingly, the PC, through its decision PC/13/2012/1 allocated grant funding to the Recipient in the amount of up to three million six hundred thousand Dollars (US$3,600,000) ("Second Installment"), to enable it to move ahead with preparation for readiness, subject to the terms and conditions set out in said Resolution. The funds of up to two hundred thousand Dollars (US$200,000) out of this US$3,600,000 shall be used for the purpose of strengthening the Recipient’s national feedback and grievance redress mechanism, subject to the terms and conditions set out in Resolution PC/Electronic/2012/1.

In response to the request for financial assistance made on behalf of the Recipient and the decisions of the PC referred to above, I am pleased to inform you that the World Bank agrees to extend the Second Installment in the amount of three million six hundred thousand Dollars (US$3,600,000) on the terms and conditions set forth or referred to in this letter agreement ("Agreement"), which includes the attached Annex, to assist in the financing of the Readiness Preparation Activities described in the Annex. The Second Installment in the amount of US$3,600,000 is in addition to the R-PP Formulation Installment.
This Second Installment is funded out of the abovementioned FCPF trust fund for which the World Bank receives periodic contributions from the donors to the trust fund. In accordance with Section 3.02 of the Standard Conditions (as defined in the Annex to this Agreement), the World Bank’s payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the donors under the abovementioned trust fund, and the Recipient’s right to withdraw the Second Installment proceeds is subject to the availability of such funds.

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Agreement and to carry out the Readiness Preparation Activities in accordance with the terms and conditions set forth or referred to in this Agreement.

Since the execution of the Readiness Grant Agreement, the Charter Establishing the FCPF (“Charter”) has been amended, and the terms and conditions of this Agreement are based on the Charter, as so amended. Where there are inconsistencies between the Readiness Grant Agreement and this Agreement including in the use of terms, the provisions in this Agreement shall prevail and deemed to have accordingly amended the provisions of the Readiness Grant Agreement to eliminate any such inconsistency.

Please confirm the Recipient’s agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Agreement, and returning it to the World Bank. Upon receipt by the World Bank of this countersigned copy, this Agreement for the Second Installment shall become effective as of the date of the countersignature.
