(viii) Standard bidding documents, acceptable to the Association, shall be used. The bidding documents shall provide clear instructions on how bids should be submitted, how prices should be offered, and the place and time for submission and opening of bids. Bidders shall be allowed to submit bids by hand or by mail.

Qualification criteria and evaluation criteria

(ix) Qualification criteria shall be clearly specified in the bidding documents, and all criteria so specified, and only criteria so specified, shall be used to determine whether a bidder is qualified. The evaluation of the bidder's qualifications should be conducted separately from the technical and commercial evaluation of the bid. When post qualification is applied, the assessment of bidders' qualifications shall be carried out only after the preliminary and detailed evaluation of bids has been completed by the Purchaser/Employer and, in doing so, the qualifications of the bidder who has submitted the lowest evaluated substantially responsive bid shall be assessed first. In carrying out the post-qualification assessment, the Employer/Purchaser shall exercise reasonable judgment in requesting, in writing, from a bidder only missing factual or historical supporting information related to the bidder's qualifications and shall provide a reasonable time period (that is, a minimum of 7 days) to the bidder to provide his response.

(x) Evaluation criteria shall be clearly specified in the bidding documents, and evaluation criteria other than price shall be quantified in monetary terms. All evaluation criteria so specified, and only evaluation criteria so specified, shall be taken into account in bid evaluation. Merit points shall not be used in bid evaluation.

(xi) Bids shall be opened in public, immediately after the stipulated deadline for submission of bids. Bidders’ representatives and the project’s beneficiaries from the concerned local community who choose to attend, shall be allowed to be present. The name of the bidder and total amount of each bid, including discounts, shall be read aloud and recorded. Bids received after the deadline for bid submission shall be returned to the bidders unopened. Immediately after completion of the bid opening proceedings, a copy of the bid opening record shall be posted at a prominent location, accessible to the public, outside the office of the concerned procuring entity and shall be retained at the same location until the award of contract has been notified. A copy of the bid opening record shall be promptly provided to all bidders who submitted bids.

(xii) All bids shall not be rejected or new bids solicited without the Association’s prior concurrence.

(xiii) No bidder shall be rejected merely on the basis of a comparison with the owner’s estimate and budget ceiling without the Association’s prior concurrence.

(xiv) A bid containing material deviations from, or reservations to, the terms, conditions or specifications of the bidding documents shall be rejected as not substantially responsive. A bidder shall not be permitted to withdraw material deviations or reservations once bids have been opened. Bidders shall not be eliminated from detailed evaluation on the basis of non-material, minor deviations or reservations.

(xv) Evaluation of bids shall be made in strict adherence to the criteria specified in the bidding documents, and contracts shall be awarded to the qualified bidder offering the lowest evaluated and responsive bid.

(xvi) In the case of contracts with a duration in excess of 18 months, bidding documents shall allow for price adjustment formulae.

(xvii) Bidders who disagree with arithmetic corrections made by the evaluating committee during the evaluation stage shall not be allowed to withdraw their bids without forfeiting their bid security.

(xviii) A bidder shall not be required, as a condition for award, to undertake obligations not specified in the bidding documents, or otherwise to modify the bid as originally submitted.
(xix) There shall be no post-bidding negotiations with the lowest or any other bidder.

(xx) The Borrower shall declare a firm ineligible, either indefinitely or for a stated period, to be awarded a contract financed by the Bank and the Government, if it at any time determines that the firm has, directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for, or in executing, a Bank-financed contract.

Suppliers and Contractors

(xxi) Bidding documents and contracts under national competitive bidding procedures financed by the Association shall include a provision requiring suppliers and contractors to permit the Association to inspect their accounts and records relating to the bid submission and the performance of the supplier and/or contractor, as the case may be, and to have them audited by auditors appointed by the Association, if so required by the Association.

Publication of the Award of Contract

(xxii) The Borrower shall publish the following information on contract award on a free and open access website when it becomes operational or on another means of publication acceptable to the Association: (a) name of each bidder who submitted a bid; (b) bid prices as read out at bid opening; (c) name and evaluated price of each bid that was evaluated; (d) name of bidders whose bids were rejected and the reasons for their rejection; and (e) name of the winning bidder, price it offered as well as the duration and summary scope of the contract awarded. This publication shall be updated quarterly.

Complaints by Bidders and Handling of Complaints

(xxiii) The Borrower shall establish an effective protest mechanism, related to the procurement process and contract award, acceptable to the Association, allowing bidders to protest and the timely handling of such protests. The procedures to receive and handle complaints shall be disclosed in the bidding documents.

3. After the Association has received evidence satisfactory to it that the respective Special Account has been duly opened, withdrawals of the Authorized Allocation and subsequent withdrawals to replenish the respective Special Account shall be made as follows:

   (a) For withdrawals of the Authorized Allocation, the Borrower shall furnish to the Association a request or requests for deposit into the respective Special Account of an amount or amounts which do not exceed the aggregate amount of the Authorized Allocation.    (b) (i) For replenishment of the respective Special Account, the Borrower shall furnish to the Association requests for deposits into the respective Special Account at such intervals as the Association shall specify.

   (ii) Prior to or at the time of each such request, the Borrower shall furnish to the Association the documents and other evidence required pursuant to paragraph 4 of this Schedule for the payment or payments in respect of which replenishment is requested. On the basis of each such request, the Association shall, on behalf of the Borrower, withdraw from the Credit Account or the Grant Account and deposit into the respective Special Account such amount as the Borrower shall have requested and as shall have been shown by said documents and other evidence to have been paid out of the respective Special Account for eligible expenditures. Such further withdrawals shall be made only after and to the extent that the Association shall have been satisfied that all such amounts remaining on deposit in the respective Special Account as of the date of such notice will be utilized in making payments for eligible expenditures.
