The objective of the Project is to support the Strategy for Rebuilding the Education System through the implementation of sustainable programs to improve: (a) access, particularly of under-served populations, to Primary Education; (b) quality of Primary Education; and (c) the institutional capacity in the Recipient's education sector.

The Project constitutes the second phase of the Program, and consists of the following parts:

Part 1: Improving Access to Quality Primary Education

1.1. Improving the quality of the Tuition Waiver Program through, *inter alia:* (a) the establishment and strengthening of School Management Committees; and (b) the provision of Student Enrollment Grants for the carrying out of Student Enrollment Subprojects by School Management Committees.

1.2. Improving basic educational services in Selected Rural Communities through, *inter alia:* (a) the construction and rehabilitation of school buildings; (b) the financing of community based teacher salaries; (c) the acquisition of school supplies, materials equipments and operating costs; and (d) the provision of training in school management to Selected Community Representatives.

1.3. Strengthening the Recipient's School Health and Nutrition Program through, *inter alia,* the provision of: (a) daily morning snacks and hot meals in schools to be selected in accordance with criteria acceptable to the Association; and (b) deworming medication and micro-nutrients to participating schools twice a year.

Part 2: Support to Teaching and Learning

2.1. Expanding the number of certified teachers, including preschool teachers, through the carrying out of pre-service teacher training.

2.2. Improving primary school performance through, *inter alia:* (a) developing a teacher's guide including lesson plans for each day of class; (b) introducing preschool education in communities supported by the Project to be selected in accordance with criteria acceptable to the Association; and (c) developing distance education policies.
Part 3: Institutional Strengthening and Governance

3.1. Building the institutional capacity of MENFP to improve service delivery and overall educational governance through, inter alia, the strengthening of: (a) the MENFP’s directorate for administrative matters, the directorate of assistance to private teaching, the directorate of basic education, the directorate of training and professional development and the directorate of school of engineering; and (b) its departmental education directorates at the departmental level.

3.2. Strengthening of public-private partnerships through, inter alia: (a) the provision of technical assistance to ONAPE to operate its administrative and technical departments; (b) the acquisition of equipment and the renting of office space to house ONAPE; and (c) the enhancement of demand side accountability by designing and implementing community scorecards and community reading assessments.

Part 4: Project Management, Monitoring and Evaluation

Strengthening MENFP’s monitoring and evaluation capacity through: (a) the improvement of MENFP’s monitoring and evaluations systems; (b) the carrying out of an impact evaluation of the Project; and (c) the provision of technical assistance to oversee the implementation of Project activities under Parts 1, 2 and 3 of the Project.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall:

   (a) establish within MENFP and maintain at all times thereafter during the implementation of the Project, a Project management team (the PMT) appointed in accordance with the provisions of Section III of this Schedule and comprising of: (i) a technical unit, including a program coordinator; and (ii) an administrative unit with staff responsible for the Project’s financial and procurement matters, all established within MENFP’s existing structures;

   (b) (i) provide specific policy guidelines and address identified issues and constraints in respect of Project implementation; and (ii) no later than December 1, 2011, establish and thereafter operate and maintain throughout Project implementation, a committee (the National Strategic Committee) with a structure and functions and responsibilities acceptable to the Association, as set forth in detail in the Operational Manual;

   (c) ensure that the technical and administrative units of PMT operate in accordance with the policy directives established by the National Strategic Committee; and
