Amendment No. 1 to the Administration Agreement between the Norwegian Ministry of Foreign Affairs and the International Bank for Reconstruction and Development and the International Development Association regarding the Pollution Management and Environmental Health Multidonor Trust Fund (No. TF072335)

1. Reference is made to the Administration Agreement between the Norwegian Ministry of Foreign Affairs (the "Donor") and the International Bank for Reconstruction and Development and the International Development Association (collectively, the "Bank" and together with the Donor, the "Parties" and each a "Party"), regarding the Pollution Management and Environmental Health Multidonor Trust Fund (No. TF072335) (the "Trust Fund") effective as of [November 21, 2014] (the "Administration Agreement").

2. The Parties agree to the following amendments to the Administration Agreement:

   (a) Section 2.1 of Annex 1 to the Administration Agreement shall be deleted and replaced with the following:

   "2.1 Bank-executed activities, for which the Bank has implementation responsibility:

   (1) Support the development of robust Air Quality Management (AQM) planning in selected countries and/or cities (among them Chinese cities initially), including through capacity building and international collaboration (in particular South-South collaboration) that will enhance improved human health conditions and reduce climate change pollution.

   (2) Support the development of robust Land Pollution Management (LPM) focusing on chemicals and toxics and their health risks, by providing advice to the recipient, for the development of Toxic Sites Identification Programs, National Toxic Action Plans, and brownfield remediation programs.

   (3) Support the development of LPM to protect marine environments, by providing advice to the recipient, focusing on development of water quality management reports in selected marine areas, Plastic Waste Management Programs, and south-south collaboration on marine pollution management.

   (4) Undertake research activities to: fill existing gaps in the understanding of the impacts of pollution on human health, economic productivity and growth in developing countries; develop innovative solutions to reduce pollution levels in developing countries and mitigate the impact of pollution on poor people; and help manage the linkages between pollution and environmental health and short-lived climate pollutants.

   (5) Disseminate knowledge, raise awareness, and promote research uptake among policy makers and planners for improved pollution management and environmental health.

   (6) Provide implementation support and supervise recipient-executed activities."

3. All other terms of the Administration Agreement shall remain the same.

4. The Bank shall disclose this Amendment in accordance with the Bank’s Policy on Access to Information. By entering into this Amendment, the Donor consents to such disclosure.

5. Each of the Parties represents, by confirming its agreement below, that it is authorized to enter into this Amendment and act in accordance with these terms and conditions. The Parties are requested to
sign and date this Amendment, and upon possession by the Bank of this fully signed Amendment, this Amendment shall become effective as of the date of the last signature.
