
This Administration Agreement is concluded under Indirect Management in the context of the Framework Agreement, co-signed on July 30, 2014 and August 15, 2014 (the “2014 Framework Agreement” or Framework Agreement”), between the World Bank Group and the European Commission which sets the general conditions for this Administration Agreement. The Framework Agreement shall be applicable and form an integral part of this Administration Agreement for the Trust Fund.

1. The International Bank for Reconstruction and Development and the International Development Association (collectively, the “Bank”) acknowledge that the European Commission (the “Donor”, and together with the Bank, the “Parties” and each a “Party”) agrees to provide the sum of forty nine million Euros (EUR 49,000,000) (the “Contribution”) for the Ethiopia Productive Safety Net Project IV Multi-Donor Trust Fund, No. TF072448 (the “Trust Fund”) in accordance with the terms of this Administration Agreement. Other donors are also expected to contribute to the Trust Fund on the terms and conditions specified in the Annexes to this Administration Agreement.

The estimated total budget of the joint co-financing to which the funds in this Trust Fund are applied for the purposes of carrying out activities under the Ethiopia Productive Safety Net Project IV is three billion four hundred eighteen million one hundred ninety-one thousand three hundred and sixty two United States Dollars ($3,418,191,362), including an estimated $190,234,364 from the Trust Fund. The indicative budget of the joint co-financing set out in Annex 4 shall be used for monitoring purpose only and shall not be binding.

2. The Contribution shall be used to finance the activities set forth in the “Ethiopia Productive Safety Net Project IV Multi-Donor Trust Fund Description” attached hereto as Annex 1, and shall be administered by the Bank on behalf of the Donor in accordance with the terms of this Administration Agreement, including the “Standard Provisions” attached hereto as Annex 2 and the “Memorandum of Understanding Between The Federal Democratic Republic of Ethiopia and Development Partners Supporting the Productive Safety Net Programme (2015-2020)”, dated December 19, 2014.

Expected results of the joint co-financing to which the funds in this Trust Fund are applied for the purposes of carrying out activities under the Ethiopia Productive Safety Net Project IV and corresponding indicators (including baselines, result goals and sources of data) are set out in Annex 4.

The Implementation period shall start on 7th July 2015.

3. The Donor shall deposit the Contribution in accordance with the following schedule and in the currency specified in Section 1 above (“Contribution Currency”) into such bank account designated by the Bank (each amount deposited hereinafter referred to as an “Instalment”) upon submission of a payment request by the Bank:

(A) Promptly following countersignature – EUR 29,400,000
(B) EUR 14,700,000 subject to the disbursement of seventy percent (70%) of the preceding Instalment.
(C) EUR 4,900,000 subject to the disbursement of seventy percent (70%) of the preceding Instalments.
The period for payment of further instalments shall be 90 days.
The period for payment of the balance shall be 90 days.

4. When making any deposit, the Donor shall instruct its bank to include in its deposit details information (remittance advice) field of its SWIFT deposit message, information indicating: the amount deposited, that the deposit is made by the Donor for TF 072448 (Ethiopia Productive Safety Net Project IV Multi-Donor Trust Fund), the Commission internal reference number and the date of the Administration Agreement, the name of the project for which the funds are intended, the name of the Commission department responsible for the Trust Fund and the date of the deposit (the “Deposit Instructions”). 6. In the event any amounts are to be returned to the Donor under this Administration Agreement, the Bank shall transfer such amounts to the Donor unless otherwise agreed with the Bank.

7. The Interpretative Addendum and all annexes hereto and the Framework Agreement between the World Bank Group and the European Commission constitute an integral part of this Administration Agreement, whose terms taken together shall constitute the entire agreement and understanding between the Donor and the Bank. In the event of any inconsistency, the Framework Agreement prevails over the Administration Agreement and the Administration Agreement (including its Interpretative Addendum) prevails over its Annexes. Unless otherwise specified in an annex hereto, this Administration Agreement may be amended only by written amendment between the Bank and the Donor; provided, however, that any annexes to this Administration Agreement may be amended only by written amendment of all donors contributing to the Trust Fund.
8. Individual procurement and grant contracts under this Administration Agreement shall be signed by the World Bank Group entity no later than fifty-six (56) months from the date of signature of this Administration Agreement.

9. The following derogations from the Framework Agreement shall apply:

Article 2.6 of the 2014 Framework Agreement specifies that, “in duly justified cases of crisis and emergency and post-recovery situations,” derogations from the terms of the 2014 Framework Agreement may be made. Given that this Administration Agreement aims at supporting activities for the benefit of Ethiopia, and given that Ethiopia, in the opinion of the Parties, represents such a case where such derogations are justified, the Parties hereby agree to derogate from the 2014 Framework Agreement for the reasons and in the manner as follow:

Through its Article 14.1.4, the 2014 Framework Agreement sets forth a notional approach for determining compliance with cost eligibility requirements in the case of a multi-donor trust fund (MDTF), such as this TF072448. Such an approach is required because in an MDTF various donors contribute to an account in which their funds are commingled with those of the other donors, and thus compliance with each particular donor’s rules regarding the use of its funds is impossible to ascertain when the separate use of a particular donor’s contribution is not traceable within that commingled account.

However, said Article 14.1.4’s application of the notional approach solely to cost eligibility requirements is insufficient to cover issues raised by the untraceability of an individual donor’s funds when the relevant commingled account extends beyond the confines of the MDTF account. For example, commingled amounts in the PSNP IV Trust Fund are disbursed into an account managed by the Ethiopian government, wherein they are further commingled with funds contributed by Ethiopia itself and other joint cofinanciers of the PSNP IV. It is from this greater account (the Joint Cofinancing Account) that funds are then applied for purposes of carrying out activities under the PSNP IV. Because said Article 14.1.4 does not extend the notional approach to this Joint Cofinancing Account, the Parties hereby derogate from said Article’s provisions by explicitly expanding them to cover the particularities of the PSNP IV case.

Pursuant to such derogation, if an amount of funds contributed to the Trust Fund by the European Commission is alleged to have not been used in a manner consistent with the terms of this Administration Agreement (the questioned amount), the European Commission shall deem such use to have been compliant with the terms of this Administration Agreement if, as of the time of the alleged ineligibility, amounts contributed to the Joint Cofinancing Account by other PSNP IV joint cofinanciers, including other donors to the TF 072448, were equal to or greater than the questioned amount.

10. The measures taken to identify the EU as a source of financing shall be in accordance with Attachment 4 of the Framework Agreement.
11. Each of the Parties represents, by confirming its agreement below, that it is authorized to enter into this Administration Agreement and act in accordance with these terms and conditions. The Parties are requested to sign and date this Administration Agreement, and upon possession by the Bank of this fully signed Administration Agreement, this Administration Agreement shall become effective as of the date of the last signature.

Interpretative Addendum

For purposes of interpreting Art. 14.1.4 of the 2014 Framework Agreement (and not as a derogation from such Article), the "notional approach" referred to therein shall apply in the following manner in cases of both Direct and Indirect Management modalities:

a) This Trust Fund is a "Multi Donor Trust Fund" or "MDTF," defined as follows in Article 1(v) of the 2014 Framework Agreement: "a trust fund that may receive contributions from more than one donor, whose funds are pooled under a single set of agreed terms and such funds are not earmarked by individual donors for specific categories of expenditures, also known as 'joint co-financing' by the Commission." Consequently, the contributions from the Commission, as well as from other donors ("Other Contributions"), form an account of commingled funds (the "MDTF Pool") within which no particular donor's contribution can be traced.

b) In administering the MDTF Pool, the Bank applies terms that are the same for all contributions to the MDTF, in addition to the terms, derived from the 2014 Framework Agreement, that apply solely to the Commission Contribution ("Commission Terms"). Examples of Commission Terms include (i) that costs are incurred within a specified time period (2014 Framework Agreement Arts. 14.1.1(c) and 14.2.1(b)), (ii) that costs are verifiable through supporting documents retained for 7-years after the applicable End Disbursement Date (2014 Framework Agreement Arts. 14.1.1(e), 14.2.1(d) and 17.4), or (iii) that the Trust Fund pay for indirect costs only at levels not exceeding those accepted by the Commission pursuant to 2014 Framework Agreement Art. 13.4.

c) The notional approach allows the Commission to participate in MDTFs where not all expenditures would be eligible for the Commission (see point b immediately above) without earmarking its contribution to specific items or on the basis of geographical criteria. It allows so by verifying that there is enough expenditure in the MDTF eligible in accordance with the Commission Terms to justify the Commission contribution.

d) Consequently, if, in carrying out verifications or audits of the Trust Fund under 2014 Framework Agreement Art. 17.2, a sampling by a European Union competent body finds ineligible expenditures because of non-compliance solely with Commission Terms, no refunds need be made by the Bank or any Recipients, nor shall adjustments be made under 2014 Framework Agreement Art. 15.3.1, nor shall any offsets be applied under 2014 Framework Agreement Art. 16.5 or otherwise, as long as sufficient Other Contributions to cover the amount of such expenditures were made to the MDTF Pool before the End Disbursement Date. Such refunds, adjustments or offsets may only be applied (i) if, and to the extent, the ineligible expenditures are in excess of Other Contributions and (ii) if the Bank does not provide documentation to justify that an amount equal to such ineligible expenditures is covered by the Other Contributions.

The provisions of this paragraph shall be applied in conjunction and are consistent with Art. 17 of, and Attachment 3 to, the 2014 Framework Agreement, and are also consistent with the terms of Art. 42.2 of the Rules of Application (Commission Delegated Regulation (EU) No 1268/2012 of 29 October 2012).
The objective of the Trust Fund is to increase access to effective safety net and disaster risk management systems, and complementary livelihood and nutrition services for food insecure households in the Recipient’s rural areas through co-financing the Productive Safety Net Project IV.

ANNEX 2

Standard Provisions

This Annex shall be applicable to and form an integral part of all Administration Agreements between the Bank and the respective Donors.

1. **Administration of the Contributions**

   1.1 The Bank shall be responsible only for performing those functions specifically set forth in this Administration Agreement and shall not be subject to any other duties or responsibilities to the Donors, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. Nothing in this Administration Agreement shall be considered a waiver of any privileges or immunities of the Bank under its Articles of Agreement or any applicable law, all of which are expressly reserved.

   1.2 Each Donor’s Contribution (collectively, the “Contributions”) shall be administered in accordance with the Bank’s applicable policies and procedures, as the same may be amended from time to time, including its procurement, financial management, disbursement and safeguard policies, its framework to prevent and combat fraud and corruption and its screening procedures to prevent the use of Bank resources to finance terrorist activity, in line with the Bank’s obligations to give effect to the relevant decisions of the Security Council taken under Chapter VII of the Charter of the United Nations. The Donors acknowledge that this provision does not create any obligations of the Bank under the anti-terrorist financing and asset control laws, regulations, rules and executive orders of an individual member country that may apply to a Donor.

2. **Management of the Contributions**

   2.1 The funds deposited in the Trust Fund shall be accounted for as a single trust fund and shall be kept separate and apart from the funds of the Bank. The funds deposited in the Trust Fund may be commingled with other trust fund assets maintained by the Bank. The Bank, in its capacity as trustee, has legal title to the funds deposited in the Trust Fund.

   2.2 The currency in which the funds in the Trust Fund shall be held is United States Dollars (the “Holding Currency”).

   2.3 Donors agree to deposit their Contributions in the Contribution Currency stated in their respective Administration Agreements. In the case of deposits received in a Contribution Currency other than the Holding Currency, promptly upon the receipt of such amounts and the accompanying Deposit Instructions, the Bank shall convert such amounts into the Holding Currency at the exchange rate obtained by the Bank on the date of the conversion. Where deposits prove to be insufficient to complete activities as a result of exchange rate fluctuations, neither the Bank nor the Donor shall bear any responsibility for providing any additional financing.

   2.4 The funds deposited in the Trust Fund may be freely exchanged by the Bank into other currencies as may facilitate their disbursement at the exchange rate obtained by the Bank on the date of the conversion.

   2.5 The Bank shall invest and reinvest the funds deposited in the Trust Fund pending their disbursement in accordance with the Bank’s applicable policies and procedures for the investment of trust
funds administered by the Bank. The Bank shall credit all income from such investment to the Trust Fund to be used for the same purposes as the Contributions.

3. **Trust Fund Fees and Costs**

3.1 The Bank shall deduct and retain for its own account, as a deduction from each Instalment, an amount equal to one per cent (1%) per instalment as an administrative fee for the Trust Fund.

3.2 In addition, costs incurred by the Bank for other expenses, such as for program management and Trust Fund administration, that are (i) not covered by the percentage deduction specified above as an administrative fee and (ii) not included under Annex 1 of the Administration Agreements in accordance with the Bank’s applicable policies and procedures shall be charged to the Trust Fund on an actual basis up to a maximum of zero point five per cent (0.5%) of the total Contributions under all Administration Agreements.

3.3 Each Donor acknowledges and agrees that the percentage deductions for fees in this Trust Fund Fees and Costs section are estimated on the basis of anticipated Contributions. If actual Contributions significantly differ from what was originally anticipated at the time of signature of the first Administration Agreement, or if other circumstances affecting Trust Fund fees or costs change, the Bank reserves the right to request a change to the terms of this Trust Fund Fees and Costs section, which would be effectuated by amendments made to the Administration Agreements of all Donors and which would thereafter be applicable to all new Contributions that are provided either as amendments to supplement existing Administration Agreements or from new Donors under new Administration Agreements.

4. **Accounting and Financial Reporting**

4.1 The Bank shall maintain separate records and ledger accounts in respect of the funds deposited in the Trust Fund and disbursements made therefrom.

4.2 The Bank shall furnish to the Donors current financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions via the World Bank’s Trust Funds Donor Center secure website. Within six (6) months after all commitments and liabilities under the Trust Fund have been satisfied and the Trust Fund has been closed, the final financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions shall be made available to the Donors via the World Bank’s Trust Funds Donor Center secure website.

4.3 The Bank shall provide to the Donors via the World Bank’s Trust Fund Donor Center secure website, within six (6) months following the end of each Bank fiscal year, an annual single audit report, comprising (i) a management assertion together with an attestation from the Bank’s external auditors concerning the adequacy of internal control over cash-based financial reporting for all cash-based trust funds as a whole; and (ii) a combined financial statement for all cash-based trust funds together with the Bank’s external auditor’s opinion thereon. The cost of the single audit shall be borne by the Bank.

4.4 If a Donor wishes to request, on an exceptional basis, a financial statement audit by the Bank’s external auditors of the Trust Fund, the Donor and the Bank shall first consult as to whether such an external audit is necessary. The Bank and the Donor shall agree on the appropriate scope and terms of reference of such audit. Following agreement on the scope and terms of reference, the Bank shall arrange for such external audit. The costs of any such audit, including the internal costs of the Bank with respect to such audit, shall be borne by the requesting Donor.
4.5 The Bank shall make available to the Donors copies of all financial statements and auditors' reports received by the Bank from Recipients pursuant to any Grant Agreements (as defined below) in accordance with the Bank's Access to Information Policy.

5. **Progress Reporting**

5.1 The Bank shall provide the Donors with annual reports on the progress of activities financed by the Contributions. Within six (6) months of the End Disbursement Date (as defined below), the Bank shall furnish to the Donors a final report on the activities financed by the Trust Fund.

5.2 Any Donor may review or evaluate activities financed by the Trust Fund at any time up to six (6) months following the End Disbursement Date. The Donor and the Bank shall agree on the scope and conduct of such review or evaluation, and the Bank shall provide all relevant information within the limits of the Bank's applicable policies and procedures. All associated costs, including any costs incurred by the Bank, shall be borne by the Donor. It is understood that any such review or evaluation will not constitute a financial, compliance or other audit of the Trust Fund.

6. **Disbursement; Cancellation; Refund**

6.1 It is expected that the funds deposited in the Trust Fund will be fully disbursed by the Bank by December 31, 2021 (the "End Disbursement Date"). The Bank shall only disburse funds deposited in the Trust Fund for the purposes of this Administration Agreement (other than returns to Donors) after such date to the extent such date is changed in accordance with amendments made to the Administration Agreements of all the Donors. Following the End Disbursement Date, the Bank shall return any remaining balance of the Trust Fund to each Donor in the Holding Currency in the manner specified in its respective Administration Agreement on a pro rata basis with regard to the total funds deposited in the Trust Fund by such Donor relative to the total funds deposited in the Trust Fund by all Donors, all calculated as Holding Currency amounts.

6.2 Any Donor may cancel all or part of such Donor's pro rata share, and the Bank may cancel all or any Donors' pro rata shares, upon three (3) months' prior written notice, of any Contributions (paid and not yet paid) that are not committed pursuant to any agreements entered into between the Bank and any consultants and/or other third parties for the purposes of this Administration Agreement, including any Grant Agreements, prior to the receipt of such notice. In the event of a cancellation, the Bank shall return to the Donor its pro-rata share in the Holding Currency as specified in the Administration Agreement; unless otherwise agreed between the Bank and each such Donor.

7. **Disclosure; Dispute Resolution**

7.1 The Bank shall disclose the Administration Agreements and related information on this Trust Fund in accordance with the Bank's Policy on Access to Information. By entering into Administration Agreements, the Donors consent to such disclosure of their respective Administration Agreements and such related information.

7.2 The Donors and the Bank shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of or relating to the Administration Agreements.
8. **Grants to Recipients**

8.1 The Bank shall, as administrator of the Trust Fund on behalf of the Donors, enter into one or more grant agreements (the "Grant Agreements") with recipients (the "Recipients") consistent with the purposes of this Administration Agreement and on the terms and conditions set forth in the Grant Agreements. Grant Agreements may be entered into up to the maximum amount of the Contributions that all Donors have agreed to make available under the Administration Agreements between the Bank and the Donors.

8.2 The Bank shall be responsible for the supervision of the activities financed under any Grant Agreements. Subject to the consent of any relevant Recipients, representatives of the Donors may be invited by the Bank to participate in Bank supervision missions related to the Trust Fund.

8.3 The Bank shall promptly inform the Donors of any significant modification to the terms of any Grant Agreements and of any contractual remedies that are exercised by the Bank under any Grant Agreements. To the extent practicable, the Bank shall afford the Donors the opportunity to exchange views before effecting any such modification or exercising any such remedy.

This is the indicative total budget of the joint co-financing to which the funds in the Trust Fund and funds contributed by Ethiopia itself and other joint financiers are commingled and applied for the purposes of carrying out activities under the Ethiopia Productive Safety Net Project IV.

The indicative total budget will be updated from time to time upon 1) the Bank’s receipt of additional contributions from the European Commission and/or other donors to the Trust Fund pursuant to their respective Administration Agreement and/or 2) Ethiopia’s receipt of additional contributions from other joint financiers. The updated indicative total budget will be deemed to have been agreed by both parties without the need to further amend the indicative total budget amount in this Annex and in paragraph 1 of this Agreement.

The Bank may transfer amounts between categories of the indicative budget. This does not require an amendment of this Agreement if the Contribution is used to finance the activities set forth in Annex 1.
