Strategic Climate Fund
Pilot Program for Climate Resilience

Grant Agreement
(Additional Financing for Regional Disaster Vulnerability Reduction Project)

between

SAINT VINCENT AND THE GRENADINES

and

INTERNATIONAL BANK FOR RECONSTRUCTION
AND DEVELOPMENT
acting as an Implementing Entity of the Pilot Program for
Climate Resilience under the Strategic Climate Fund

Dated August 14, 2014
AGREEMENT dated August 14, 2014, entered into between SAINT VINCENT AND THE GRENADINES ("Recipient"); and INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT ("World Bank"), acting as an implementing entity of the Pilot Program for Climate Resilience ("PPCR") under the Strategic Climate Fund for the purpose of providing an additional grant for activities related to Parts A, B and D of the Original Project (as defined in the Appendix to this Agreement).

The Recipient and the World Bank hereby agree as follows:

Article I
Standard Conditions; Definitions

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions or in this Agreement.

Article II
The Project

2.01. The Recipient declares its commitment to the objective of the project described in Schedule 1 to this Agreement ("Project"). To this end, the Recipient shall carry out the Project in accordance with the provisions of Article II of the Standard Conditions.

2.02. Without limitation upon the provisions of Section 2.01 of this Agreement, and except as the Recipient and the World Bank otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.
Article III
The Grant

3.01. The World Bank agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount equal to five million United States Dollars ($ 5,000,000) ("Grant") to assist in financing the Project.

3.02. The Recipient may withdraw the proceeds of the Grant in accordance with Section IV of Schedule 2 to this Agreement.

3.03. The Grant is funded out of the abovementioned PPCR under the Strategic Climate Fund trust fund for which the World Bank receives periodic contributions from the donors to the trust fund. In accordance with Section 3.02 of the Standard Conditions, the World Bank's payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the donors under the abovementioned trust fund, and the Recipient's right to withdraw the Grant proceeds is subject to the availability of such funds.

Article IV
Effectiveness; Termination

4.01. This Agreement shall not become effective until evidence satisfactory to the World Bank has been furnished to the World Bank that the following conditions have been satisfied:

(a) The Financing Agreement has been executed and delivered and all conditions precedent to the effectiveness of said Financing Agreement or to the right of the Recipient to make withdrawals under said Financing Agreement (other than the effectiveness of this Agreement) have been fulfilled.

(b) The Recipient has updated the Project Operational Manual, in form and substance satisfactory to the World Bank.

4.02. As part of the evidence to be furnished pursuant to Section 4.01, there shall be furnished to the World Bank an opinion or opinions satisfactory to the World Bank of counsel acceptable to the World Bank or, if the World Bank so requests, a certificate satisfactory to the World Bank of a competent official of the Recipient, showing the following matter, namely, that on behalf of the Recipient, that this Agreement has been duly authorized or ratified by, and executed and delivered on its behalf and is legally binding upon it in accordance with its terms.
4.03. Except as the Recipient and the World Bank shall otherwise agree, this Agreement shall enter into effect on the date upon which the World Bank dispatches to the Recipient notice of its acceptance of the evidence required pursuant to Section 4.01 ("Effective Date"). If, before the Effective Date, any event has occurred which would have entitled the World Bank to suspend the right of the Recipient to make withdrawals from the Grant Account if this Agreement had been effective, the World Bank may postpone the dispatch of the notice referred to in this Section until such event (or events) has (or have) ceased to exist.

4.04. *Termination for Failure to Become Effective.* This Agreement and all obligations of the parties under it shall terminate if it has not entered into effect by the date ninety (90) days after the date of this Agreement (the "Effectiveness Deadline"), unless the World Bank, after consideration of the reasons for the delay, establishes a later date for the purpose of this Section. The World Bank shall promptly notify the Recipient of such later date.

4.05. Without prejudice to Section 4.04 of this Agreement, the Effectiveness Deadline shall in no case be later than eighteen (18) months after the World Bank’s approval of the Grant which expires on November 9, 2015.

SCHEDULE 1

Project Description

The objective of the Project is to measurably reduce vulnerability to natural hazards and climate change impacts in the Recipient’s territory and in the Eastern Caribbean Sub-region.

The Project consists of the following parts:

Part A: Prevention and Adaptation Investments

1. Carrying out of selected infrastructure investments and related supporting studies, including: (a) retrofitting and rehabilitation of selected public buildings and emergency shelters and construction of selected satellite warehouses; (b) rehabilitation of selected transportation infrastructure; and (c) carrying out feasibility studies, design and pre-construction activities for a new public hospital, all through the provision of works, technical advisory services, operating costs and acquisition of goods.

2. (a) Carrying out of the rehabilitation of selected bridges, slope stabilization, and related supporting studies; (b) improvement of selected roads and coastal defense infrastructure; and (c) carrying out analysis and evaluation of defense mechanism performance on expected hazards, all through the provision of works, technical advisory services, operating costs and acquisition of goods.

3. Carrying out of selected infrastructure investments to support early recovery of the Recipient’s key economic sectors from an event of Emergency, including: (a) river training and rehabilitation of damaged bridges; (b) retrofitting and rehabilitation of selected damaged public buildings, developing detailed designs for a new public hospital, and construction of additional satellite warehouses; (c) rehabilitation and risk reduction of selected transportation infrastructure, including slope stabilization and road realignments; and (d) preparation of preliminary designs of potential priority adaptation investment sub-projects, all through the provision of works, technical advisory services, operating costs and acquisition of goods.

Part B: Regional Platforms for Hazard and Risk Evaluation, and Applications for Improved Decision Making

1. Building the regional capacity for assessment of natural risks and integration of such assessment into policy and decision making process for the development of investments, disaster risk mitigation and disaster response across sectors, through the provision of technical advisory services, training and acquisition of goods.
2. Facilitating regional collaboration around integrated watershed management, through the provision of technical advisory services, training and acquisition of goods.

3. Facilitating regional collaboration, including knowledge sharing and learning process to develop coastal defenses, including the construction of coastal protection, designation and delineation of drainage channels and buffer zones, testing and monitoring the enforcement of the Recipient’s new building code, conservation of the ecosystem, reduction of downstream impacts and the assessment of climate change impacts on coastal and marine ecosystems and commercial fisheries.

4. Carrying out a geological assessment of Union Island inclusive of soil testing, ground water assessment and monitoring, including: (a) testing the application of Union Island’s integrated coastal zone management plan and the community awareness strategy; (b) implementing numerical and physical modeling techniques for Union Island on climate change adaptation; (c) implementing forestry management activities and other soil and water conservation measures; and (d) designing and delineating drainage channels and buffer zones on Union Island, all through the provision of works, technical advisory services, training and acquisition of goods.

5. Carrying out the Emergency recovery and construction of: (a) South River Bridge; (b) Green Hill Bridge; (c) Dauphine Bridge; (d) Fenton River Fords and flood mitigation measures for Amos Vale/Warrawarrow River watershed pilot area; and (e) river defense at Buccament and Carriere, (all through the provision of works, technical advisory services, training and acquisition of goods.

Part C: Natural Disaster Response Investments

1. Carrying out of Emergency Recovery and Reconstruction Subprojects under an agreed action plan of activities (Agreed Action Plan of Activities) designed as a mechanism to implement the Recipient’s rapid response to an Emergency.

Part D: Project Management and Implementation Support

1. Strengthening and developing the institutional capacity for Project management, including: (a) preparation of designs and tender documents; (b) preparation of Project reports; (c) processing of contracts and tender evaluation; (d) coordination of participating line ministries; (e) supervision of the quality of works; (f) training of staff in Project management, implementation support, and monitoring and evaluation; (g) capacity-building for accreditation to the United National Framework Convention on Climate Change (UNFCCC) Climate Adaptation Fund; and (h) related activities on Project management and
implementation, all through the provision of technical advisory services, training, operating costs and acquisition of goods.

2. Strengthening the institutional capacity for Project management, and improving the capacity for disaster risk management and climate change monitoring, including: (a) recruiting a senior quantity surveyor, and a procurement and contract management specialist; (b) recruiting a monitoring and evaluation specialist as may be necessary during Project implementation; and (c) provision of training to the Public Sector Investment Management Unit (PSIPMU) staff, and the staff of relevant key agencies in Project management, implementation support, coordination of disaster risk management and climate resilience activities under the Project, all through the provision of technical advisory services, training, operating costs and acquisition of goods.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

A. Institutional Arrangements

1. Project Steering Committee

   (a) The Recipient shall ensure that the Project Steering Committee is maintained at all times during the implementation of the Project, with a composition, mandate, and in form and substance satisfactory to the World Bank.

   (b) Without limitation to sub-paragraph (a) immediately above, the Recipient shall ensure that the Project Steering Committee will be responsible for providing policy guidance to ensure prompt and efficient implementation of the Project, including, inter alia: (i) reviewing progress made towards achieving the Project’s objective; (ii) facilitating the coordination of Project activities, and making recommendations for removal of any obstacles to the implementation of the Project; and (iii) providing comments on reports and reviews prepared by the PSIPMU under the Project.

2. Central Planning Division (CPD); Public Sector Investment Management Unit (PSIPMU)

   (a) The Recipient shall maintain, at all times during the implementation of the Project, the PSIPMU within the Central Planning Division (CPD) in the Ministry of Finance and Economic Planning, with functions, staffing and resources satisfactory to the World Bank.

   (b) Without limitation to the provisions of Section I.A.1 of this Schedule, the PSIPMU shall be responsible for day-to-day administration of overall planning, coordination, the technical, fiduciary (i.e., procurement and financial management), environmental and social safeguards compliance, coordination, monitoring, evaluation, reporting and communication of the activities under the Project, all in accordance with the provisions of this Agreement and the Project Operational Manual.
B. Project Operational Manual

1. The Recipient shall carry out the Project in accordance with the provisions of the Project Operational Manual, which shall include: inter alia: (a) the list of key agencies referred to in Part D.2(c) of the Project; and (b) detailed arrangements and procedures for: (i) institutional coordination and day-to-day execution of the Project; (ii) Project budgeting, disbursement and financial management; (iii) procurement; (iv) environmental and social safeguard guidelines; (v) monitoring, evaluation, reporting and communication; and (vi) such other administrative, financial, technical and organizational arrangements and procedures as shall be required for the Project.

2. The Recipient shall not amend, abrogate, waive or fail to enforce any provision of the Project Operational Manual without the prior written agreement of the World Bank; provided, however, that in case of any conflict between the arrangements and procedures set out in the Project Operational Manual and the provisions of this Agreement, the provisions of this Agreement shall prevail.

C. Emergency Recovery and Reconstruction Subprojects under Part C of the Project

For the purpose of carrying out Part C of the Project, the Recipient shall comply with the obligations set forth in Section I.C of Schedule 2 to the Original Financing Agreement.

D. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

E. Environmental and Social Safeguards

1. The Recipient shall carry out the Project in accordance with the Environmental Management Framework (EMF), and the Resettlement Policy Framework (RPF), respectively, including the guidelines, rules and procedures defined in said EMF and RPF. To this end, the Recipient shall, specifically, take the following actions in a manner acceptable to the World Bank:

(a) if an environmental management plan or similar safeguard instrument would be required on the basis of the EMF: (i) such environmental management plan or similar safeguard instrument shall be prepared in accordance with the requirements of the EMF, disclosed locally and furnished to the World Bank for approval; and (ii) if applicable, the rehabilitation, retrofitting or construction activity shall be carried out in
accordance with such environmental management plan or similar safeguard instrument as approved by the World Bank; and

(b) if a resettlement action plan would be required on the basis of the Resettlement Policy Framework: (i) said resettlement action plan shall be prepared in accordance with the requirements of the Resettlement Policy Framework, disclosed locally and furnished to the World Bank for approval; and (ii) no works for rehabilitation, retrofitting or construction shall commence until: (A) all measures required to be taken under said resettlement action plan have been taken in accordance with the terms of said plan and in a manner acceptable to the World Bank; and (B) the Recipient has furnished to the World Bank a report in form and substance satisfactory to the World Bank, on the status of compliance with the requirements of said resettlement action plan.

2. The Recipient shall ensure that all measures required for carrying out any environmental assessment or similar safeguard instrument, and any resettlement action plan are taken in a timely manner.

3. The Recipient shall include in the Project Reports referred to in Section II.A of this Schedule adequate information on the implementation of the EMF, the RPF, any environmental management plan or similar safeguard instrument, and any resettlement action plan, giving details of:

(a) measures taken in furtherance of the EMF, the RPF, any environmental assessment or similar safeguard instrument, and any resettlement action plan;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the EMF, the RPF, any environmental management plan or similar safeguard instrument, and any resettlement action plan; and

(c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of the EMF, the RPF, any environmental management plan or similar safeguard instrument, and any resettlement action plan.

4. **Specific Environmental Covenant for Parts A.3 (d) of the Project**

The Recipient shall ensure that the terms of reference for any consultancy in respect of any feasibility and engineering studies, and preliminary designs of potential priority adaptation investment sub-projects Part A.3 (d) of the Project, shall be satisfactory to the World Bank following its review thereof and, to that end, such terms of reference shall duly incorporate the requirements of the Bank
Safeguard Policies then in force, as applied to the advice conveyed through such technical assistance.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports; Completion Report

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of the indicators acceptable to the World Bank. Each Project Report shall cover the period of six months, and shall be furnished to the World Bank not later than forty five (45) days after the end of the period covered by such report.

2. Without limitation to Section 2.06 of the Standard Conditions, the Recipient shall: (a) on or about the date nine (9) months after the Effective Date, submit to the World Bank a mid-term report, in such detail as the World Bank shall reasonably request, documenting progress achieved in the carrying out of the Project during the period preceding the date of the mid-term report, taking into account the monitoring and evaluation activities performed pursuant to Section II.A.1 of this Schedule, and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objective thereof during the period following such date; and (b) review with the World Bank the mid-term report, on or about the date one (1) month after its submission, and thereafter take all measures required to ensure the efficient implementation of the Project and the achievement of its objectives, based on the conclusions and recommendations of the mid-term report and the World Bank’s views on the matter.

3. The Recipient shall prepare the Completion Report in accordance with the provisions of Section 2.06 of the Standard Conditions. The Completion Report shall be furnished to the World Bank not later than six months after the Closing Date.

B. Financial Management; Financial Reports; Audits

1. The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

2. The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank within forty five days after the end of each calendar quarter, in form and substance satisfactory to the World Bank.

3. The Recipient shall have its Financial Statements for the Project audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each such audit of the Financial Statements shall cover the period of one fiscal
year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the World Bank of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods, Works and Non-consulting Services. The following methods, other than International Competitive Bidding, may be used for goods, works and Non-consulting services for those contracts specified in the Procurement Plan: (a) Limited International Bidding; (b) National Competitive Bidding; (c) Shopping; and (d) Direct Contracting.

C. Particular Methods of Procurement of Consultants’ Services

1. Quality- and Cost-based Selection. Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.
2. **Other Methods of Procurement of Consultants' Services.** The following methods, other than Quality and Cost-based Selection, may be used for procurement of consultants' services for those assignments which are specified in the Procurement Plan: (a) Quality Based Selection; (b) Selection under a Fixed Budget; (c) Selection based on Consultants' Qualifications; (d) Least-Cost Selection; (e) Procedures set forth in paragraphs 5.2 and 5.3 of the Consultant Guidelines for the Selection of Individual Consultants; (f) Single Source Procedures for selection of firms; and (g) Single Source Procedures for the Selection of Individual Consultants set forth in paragraph 5.6 of the Consultant Guidelines.

D. **Review by the World Bank of Procurement Decisions**

1. The Procurement Plan shall set forth those contracts which shall be subject to the World Bank's Prior Review. All other contracts shall be subject to Post Review by the World Bank.

2. All terms of reference for consultants' services, regardless of contract value, shall be subject to the World Bank's prior review.

Section IV. **Withdrawal of Grant Proceeds**

A. **General**

1. The Recipient may withdraw the proceeds of the Grant in accordance with the provisions of: (a) Article III of the Standard Conditions; (b) this Section; and (c) such additional instructions as the World Bank may specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the World Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Grant (“Category”), the allocations of the amounts of the Grant to each Category and the percentage of expenditures to be financed for Eligible Expenditures in each Category:
