SCHEDULE 1

Project Description

The objective of the Project is to improve the capacity of the Communes to design and implement in a participatory manner Communal Development Plans and Annual Investment Plans in order to enhance rural livelihoods.

The Project constitutes the second phase of the Program, and consists of the following parts:

**Part A: Capacity Building**

1. Support capacity building for Targeted Communes and Communities, by:

   (a) strengthening the administrative, technical and fiscal capacity of Targeted Communes to handle their institutional mandates as stipulated in the Decentralization Law, to use decentralized and participatory procedures in planning, designing, implementing and managing their own development, through efficient partnerships with Communities, including through: (i) improved communication on decentralization mechanisms (including the fiduciary requirements linked to decentralization); (ii) sensitization to decentralization among local stakeholders, including local service providers and elected officials; and (iii) development of capacity needs assessments and capacity assessment plans; and

   (b) improving sustainable land management through: (i) the development of capacities for mainstreaming sustainable land management in the local development process; (ii) the dissemination of guidelines for sustainable land management and bio-carbon financing initiative operational procedures; and (iii) the establishment and operations of Communal Land Tenure Committees (COFOCOM).

2. Support institutional capacity of key National Institutions with a mandate on decentralization, local and Community development and environmental monitoring, including:

   (a) MI/SP/D and HCME, to clarify, update and finalize the legal texts on local governance, transfers of resources from the central to the local governments, and fiscal decentralization;
(b) MAT/DC, to develop, update, disseminate and monitor the implementation of operational tools on communal planning;

(c) MDA, to make fully operational and disseminate the strategies, policies and legal framework for a sustainable agriculture;

(d) the Executive Secretariat of the RDS to make the RDS fully operational and coordinate support from the various technical and financial partners; and

(e) ME/LCD, to: (i) supervise (A) the implementation of the sustainable land management activities, (B) the development of a sustainable land management information system and monitoring and information system, and (C) the expansion and validation of the Recipient’s strategy for sustainable land management; and (ii) identify necessary actions to expand and validate activities to address sustainable land management and climate change concerns in RDS programs.

**Part B: Local Investment Fund**

Support the provision of: (i) Matching Grants to Beneficiaries to implement Micro-projects; including (ii) Matching Grants to Beneficiaries to implement Micro-projects for sustainable land management.

**Part C: Project Coordination, Management, Monitoring and Evaluation**

Support the: (i) administrative and financial management; (ii) results-based monitoring and evaluation system of the performance and impact of the Project; and (iii) dissemination of results; including (iv) the activities under each such sub-components related to sustainable land management.
Section I. Institutional and Other Arrangements

A. Institutional Arrangements

The Recipient shall maintain the following implementation arrangements, as further described in the Project Implementation Manual, throughout the implementation of the Project:

1. The Steering Committee

(a) The Steering Committee shall be responsible for the overall strategic guidance and oversight of the Project, and shall have membership, functions, staffing and resources satisfactory to the Association.

(b) Without limitation upon the provisions of subparagraph (a), the Steering Committee shall be responsible for, \textit{inter alia}, (i) approving and carrying out annual reviews of Annual Work Programs prepared by the National Coordination Unit and ensuring their consistency with the Project’s objective; (ii) reviewing progress made towards achieving the Project’s objective; (iii) facilitating the coordination of Project activities among the entities represented on the Steering Committee and ensuring harmonization with other activities carried out for the implementation of the RDS.

(c) Without limitation upon the provisions of subparagraph (a), the Steering Committee shall be chaired by the Recipient’s general secretary of the ministry responsible for agriculture and shall include, \textit{inter alia}, representatives of the Recipient’s ministries responsible for education, health, water resources, representatives of the Communes and other key players involved in local and community development.

2. National Coordination Unit

(a) The National Coordination Unit shall be responsible for Project coordination and management, including: (i) the preparation of Annual Work Programs in form and substance satisfactory to the Association, to be submitted to the Steering Committee for approval, (ii) the development of an assessment and capacity building program, targeting all stakeholders at the local level for the
implementation of Part A (1) of the Project, in form and substance satisfactory to the Association, (iii) the facilitation of activities carried out by National Institutions under Part B (ii) of the Project, and (iv) the supervision of the overall fiduciary activities of the Project (including financial management, procurement, disbursement, monitoring and evaluation, and consolidation of reports on the use of the proceeds of the Financing).

(b) The National Coordination Unit shall have functions, staffing and resources satisfactory to the Association, including, *inter alia*, the following staff, each recruited in accordance with Section III of Schedule 2 to this Agreement, and each with qualifications, experience and terms of reference satisfactory to the Association: (i) a national coordinator; (ii) an administrative and financial specialist; (iii) a senior accountant; (iv) two accountants; (v) a procurement specialist, (vi) an internal controller; (vii) a monitoring and evaluation specialist; (viii) a communication specialist; and (ix) a local governance and decentralization specialist.

3. The Regional Coordination Units

The National Coordination Unit shall be supported by eight (8) Regional Coordination Units, each with functions, staffing and resources satisfactory to the Association, including, *inter alia*, the following staff, each recruited in accordance with Section III of Schedule 2 to this Agreement, and each with qualifications, experience and terms of reference satisfactory to the Association: (i) a regional coordinator, (ii) a monitoring, evaluation and planning specialist, and (iii) an accounting assistant.

4. Communes and Communities

(a) The Communes and Communities shall be responsible for Project implementation at the local level, including participatory planning, identification, implementation and monitoring and evaluation of their local development.

(b) The Communes and Communities will receive support from the local technical services of the Recipient’s relevant ministries, and from local service providers recruited by the Communes in accordance with Section III of Schedule 2 to this Agreement and, when they will have acquired the legal capacity to do so under the laws of the Recipient, by the Communities.
B. Implementation Arrangements

1. Project Manuals

(a) The Recipient shall ensure that, throughout the implementation of the Project, it shall be carried out in accordance with the provisions of the Project Implementation Manual, the Project Manual of Financial, Accounting and Administrative Procedures and the Project Monitoring and Evaluation Manual.

(b) Unless the Recipient and the Association shall otherwise agree in writing, the Recipient shall not amend or waive any provision of the Project Implementation Manual, the Project Manual of Financial, Accounting and Administrative Procedures or the Project Monitoring and Evaluation Manual, in a manner which, in the opinion of the Association, could have a material adverse impact on the implementation of the Project.

2. Safeguards

(a) The Recipient shall ensure that, throughout the implementation of the Project, it shall be implemented in accordance with the guidelines, procedures, timetables and other specifications set forth in the Environment and Social Management Framework and the Resettlement Policy Framework.

(b) Except as the Association shall otherwise agree in writing, the Recipient shall not abrogate, amend, repeal, suspend or waive any provisions of any of the Environment and Social Management Framework or the Resettlement Policy Framework.

3. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

4. Annual Work Programs

(a) Each year, the Recipient shall develop an Annual Work Program for the implementation of the Project, which shall include a budget and a procurement plan for its implementation, in accordance with the procedures described in the Project Implementation Manual and in the Project Monitoring and Evaluation Manual. Each such Annual Work Program shall indicate which activities shall
be financed from the proceeds of the Financing for the corresponding year, and submitted to the Association for its prior approval in writing.

(b) Each National Institution whose proposed activities under Part A (2) of the Project have been included in whole or in part in the Annual Work Program shall enter into a Performance Agreement with the Recipient (represented by the National Coordination Unit), drafted on the basis of the model agreement attached to the Project Implementation Manual, pursuant to which it will commit to carry out its activities under the Annual Work Program, and monitor and evaluate such activities, pursuant to the terms and conditions (including the performance indicators) described in the Performance Agreement.

(c) Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any provision of any Performance Agreement, which, in the opinion of the Association, may materially and adversely affect the implementation of the activities of the Project.

C. Matching Grants

1. General

The Recipient shall, through annual allocations of proceeds of the Financing to Targeted Communes in accordance with criteria specified in the Project Implementation Manual, finance Matching Grants under Part B of the Project. Each Targeted Commune shall appraise, propose for a financing under a Matching Grant, and monitor the Micro-projects, and administer the Matching Grants under Part B of the Project, in accordance with the provisions and procedures set forth in this Section I (C) and in more detail in the Project Implementation Manual.

2. Eligibility Criteria and Procedures for Micro-projects

(a) No proposed Micro-project shall be eligible for financing under a Matching Grant out of the proceeds of the Financing unless the Targeted Commune has determined, on the basis of an appraisal it has conducted in accordance with this Section and the guidelines set forth in the Project Implementation Manual, the Environmental and Social Management Framework and the Resettlement Policy Framework, that the relevant Micro-project satisfies the eligibility criteria specified in more detail in the Project Implementation Manual, which shall include, inter alia, the following:
(i) the proposed Micro-project is included in a regularly adopted Targeted Commune’s Communal Development Plan and its corresponding Annual Investment Plan which reflect the priorities expressed by the Communities;

(ii) the proposed Micro-project is compatible with the Recipient’s policies and standards on health, education, transport, environment, breeding and agriculture, as applicable, as confirmed by the results of a technical appraisal by the relevant decentralized technical services of the Recipient;

(iii) the proposed Micro-project is presented for financing under a Matching Grant by a Targeted Commune which meets the eligibility criteria specified in the Project Implementation Manual, and such Targeted Commune shall be eligible for subsequent Matching Grants if it has completed any prior Micro-project to the satisfaction of the Recipient and the Association;

(iv) the proposed Micro-project shall be for activities such as, but not limited to, the following: (A) socio-economic activities; (B) income generating activities; and (C) land and natural resource management activities as further detailed in the Project Implementation Manual;

(v) the contribution of the Matching Grant to the investment cost of each proposed Micro-project shall not exceed the amount of $30,000 equivalent, except as previously agreed with the Association;

(vi) the financing of the proposed Micro-project shall be fully covered by the sum of the Matching Grant, the additional Recipient’s contribution, if any, and the Beneficiary’s contribution; and

(vii) the proposed Micro-project shall comply with the financial, procurement, and environment guidelines and procedures set forth or referred to in the Project Implementation Manual, the Environmental and Social Management Framework, the Resettlement Policy Framework, and the Project Manual of Financial, Accounting and Administrative Procedures.

3. Terms and Conditions of the Matching Grants

(a) A Micro-project shall be carried out pursuant to a Matching Grant Agreement, to be concluded between the Recipient, through the relevant Regional Coordination Unit or the National Coordination Unit, as the case may be, and the Targeted Commune, drafted on the basis of the model agreement attached to the Project Implementation Manual, and under terms and conditions described in more detail
in the Project Implementation Manual, which shall, *inter alia*, include the following:

(i) the Targeted Communes shall cause the Beneficiary to contribute, in cash or in kind, at least 5% of the projected Micro-project investment costs for sustainable land and natural resource management related Micro-projects, a maximum of 10% of the projected Micro-project investment costs for socio-economic related Micro-projects, and a maximum of 20% of the projected Micro-project investment costs for income generating Micro-projects (unless otherwise provided in the Project Implementation Manual);

(ii) the Targeted Communes shall cause the Beneficiary to: (A) carry out the Micro-project with due diligence and efficiency and in accordance with sound environmental, social, engineering, financial and managerial practices; (B) carry out the Micro-project in accordance with the provisions of the Anti-Corruption Guidelines; and (C) maintain adequate records to reflect, in accordance with sound accounting practices, the operations, resources and expenditures related to the Micro-project;

(iii) the Targeted Communes shall cause the Beneficiary to procure the goods, works and consultants’ services to be financed from the proceeds of the Matching Grant in accordance with procedures ensuring efficiency and economy and in accordance with the provisions of Section III of Schedule 2 to this Agreement, and to be used exclusively in the carrying out of the Micro-project;

(iv) the Targeted Communes shall ensure the right of the relevant Targeted Commune, the Regional Coordination Unit or the National Coordination Unit, on behalf of the Recipient, and of the Recipient in its own right to: (A) inspect by itself or jointly with the Association, if the Association shall so request, the goods, works, sites and constructions included in the Micro-projects, the operation thereof and any relevant records and documents; (B) obtain all information as it, or the Association shall reasonably request regarding the administration, operation and financial conditions of Micro-projects; and (C) suspend or terminate the right of any Beneficiary to use the proceeds of the Matching Grant upon failure by the Beneficiary to perform any of its obligations under the Matching Grant Agreement.

(b) The Recipient, through the National Coordination Unit or the relevant Regional Coordination Unit, as the case may be, and the Targeted Commune, shall each exercise their respective rights under the Matching Grant Agreement in such manner as to protect their interests and the interests of the Association and to accomplish the purposes of the Project and, except as the Association shall
otherwise agree in writing, the Recipient and the Targeted Communes shall not assign, amend, abrogate or waive the Matching Grant Agreement or any substantial provision thereof.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

(i) At completion of the Project, the percentage of Targeted Communes in which 50% or more of the population is satisfied by the implementation of the Communal Development Plan through the Annual Investment Plan has reached 63%.

(ii) At completion of the Project, the percentage of Targeted Communes that has increased the rate of coverage of social services by more than 2% in one of the following three sectors (education, health, potable water), as each of said rates is further defined in the Project Implementation Manual, has reached 50%.

(iii) At completion of the Project, the percentage of Beneficiaries of Matching Grants for income generating activities whose income has increased by 20%, has reached 60%.

(iv) At completion of the Project, the percentage of Targeted Communes in which more than 200 additional hectares of land are protected and reclaimed has reached 60%.

(v) At completion of the Project, the percentage of Targeted Communes having set up a Communal Land Tenure Committee
(COFOCOM) which has started delivering land transaction instruments, has increased from 36% to 100%.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than October 30, 2013.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five days after the end of each calendar semester, interim un-audited financial reports for the Project covering the semester, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

**B. Particular Methods of Procurement of Goods and Works**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:
