SCHEDULE

Execution of the Project Implementing Entity’s Respective Part of the Project

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Project Implementing Entity shall carry out its operations and conduct its affairs in accordance with sound administrative, financial and technical practices under the supervision of qualified and experienced management assisted by competent staff targeted to number not more than about ninety persons, unless otherwise indicated by the Association, including in any case a qualified environmental and social safeguards specialist.

2. Except as the Association shall otherwise agree, the Project Implementing Entity shall carry out its Respective Part of the Project in accordance with the criteria, policies, procedures and arrangements set out in the PIM and the PAFAM; provided, however, that in the event of any inconsistency between any provision of the PIM and or PAFAM and the provisions of any of the Legal Agreements, the provisions of the Legal Agreements shall prevail.

3. The Project Implementing Entity shall:

   (a) at the request of the Association, exchange views with the Association with regard to the progress of Part C of the Project, the performance of its obligations under this Agreement, the Subsidiary Agreement, the Concession Contract, the Lease Contract or the Work Contract and other matters relating to the purposes of the accomplishment of the objective of Part C of the Project; and

   (b) promptly inform the Association of any condition which interferes or threatens to interfere with the progress of Part C of the Project, the accomplishment of the purposes of the objectives of Part C of the Project, or the performance by the Project’s Implementing Entity of its obligations under this Agreement, the Subsidiary Agreement, the Concession Contract, the Lease Contract or the Work Contract.

4. The Project Implementing Entity shall, before the beginning of each Fiscal Year, furnish to the Recipient and the Association, for review and approval a proposed annual work program in respect of Part C of the Project, including a proposed budget and financing plan, for the forthcoming Fiscal Year; afford the Recipient and the Association a reasonable opportunity to exchange views with the Project Implementing Entity on such proposed program; and thereafter implement such annual work program as shall have been approved by the Recipient and the Association, with due diligence and efficiency. If any activities proposed for inclusion in the Project would, pursuant to the ESMF or RPF, require one or more ESIA, EMP or RAP, the Project Implementing Entity shall prepare and furnish, together with such proposed work plan, a draft of each such ESIA, EMP or RAP.
B. Safeguards

1. The Project Implementing Entity shall ensure that Its Respective Part of the Project is implemented in accordance with the provisions of the ESMF and the RPF.

2. The Project Implementing Entity shall: (a) before commencing the implementation of any activity under its Respective Part of the Project with respect to which the completion of an ESIA and preparation of an EMP and/or RAP is required: (i) prepare and furnish to the Association said ESIA, EMP and/or RAP specific to such activity, in form and substance satisfactory to the Association, describing: (A) the potential adverse environmental and/or social impact of such activity; (B) the measures for the offsetting, reducing, or mitigating of such impact; and (C) the institutional arrangement for monitoring and implementing such measures; and (ii) publicly disclose such ESIA, EMP and/or RAP as shall have been approved by the Association; and (b) carry out or cause to be carried out all measures required pursuant to such EMP and/or RAP to mitigate, reduce, offset and/or compensate any adverse impact, in accordance with the provisions thereof.

C. Anti-Corruption

The Project Implementing Entity shall ensure that its Respective Part of the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Project Implementing Entity shall monitor and evaluate the progress of its Respective Part of the Project and prepare Project Reports for its Respective Part of the Project in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators satisfactory to the Association set forth in the PIM. Each such Project Report shall cover the period of one calendar semester, and shall be furnished to the Recipient not later two weeks after the end of the period covered by such report for incorporation and forwarding by the Recipient to the Association of the overall Project Report.

2. The Project Implementing Entity shall provide to the Recipient not later than three months after the Closing Date, for incorporation in the report referred to in Section 4.08 (c) of the General Conditions all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.

B. Financial Management, Financial Reports and Audits

1. The Project Implementing Entity shall maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations and financial condition of the Project Implementing Entity, including the operations, resources and expenditures related to its Respective Part of the Project.
2. The Project Implementing Entity shall have its financial statements referred to above audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association. Each audit of these financial statements shall cover the period of one fiscal year of the Project Implementing Entity. The audited financial statements for each period shall be furnished to the Association not later than six months after the end of the period.

Section III.  Procurement

All goods, works and services required for the Project Implementing Entity’s Respective Part of the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the provisions of Section III of Schedule 2 to the Original Financing Agreement (as incorporated pursuant to Section I.A of Schedule 2 to the Financing Agreement).

Section IV:  Modifications to the Original Project Agreement

1. Section I.A.1 of the Schedule to the Original Project Agreement is deleted and replaced with the following text:

“The Project Implementing Entity shall carry out its operations and conduct its affairs in accordance with sound administrative, financial and technical practices under the supervision of qualified and experienced management assisted by competent staff targeted to number not more than about ninety persons, unless otherwise indicated by the Association, including in any case a qualified environmental and social safeguards specialist.”
