SCHEDULE 1

Project Description

The objective of the Project is to improve the availability, quality, reliability and sustainability of water supply and sanitation services of the Recipient.

The Project consists of the following parts:

Component A: Rayon Investment

1. Rehabilitation and extension of water supply and sewerage systems, as well as facilities for water, wastewater and sludge treatment in the Selected Rayons in Azersu’s Service Areas.

2. Rehabilitation and extension of water supply and sewerage systems, as well as facilities for water, wastewater and sludge treatment in the Selected Rayons in SAWMA’s Service Areas.

Component B: Institutional Modernization

1. Capacity building and modernization of Azersu and its subsidiary companies, through: (a) the provision of training for management, financial management, customer service, procurement, preventive maintenance and other subjects pertinent to effective and efficient management of the utilities; (b) development of performance monitoring, preventive maintenance and leak detection and repair; and (c) design and technical support for construction management, including procurement support and contract supervision for the investments.

2. Capacity building and modernization of the SAWMA, through: (a) the provision of training for management, financial management, customer service, procurement, preventive maintenance and other subjects pertinent to effective and efficient management of the utilities; (b) development of performance monitoring, preventive maintenance and leak detection and repair; and (c) design and technical support for construction management, including procurement support and contract supervision for the investments.

Component C: Project Management

1. Strengthening of the management capacity of the Azersu to monitor and administer implementation of the Project, including audit.

2. Strengthening of the management capacity of the SAWMA to monitor and administer implementation of the Project.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall cause the Azersu to undertake the responsibility with regard to the financial management, financial reporting and audits for the Project.

2. The Recipient shall cause the Azersu to ensure that all goods, works and services required for the carrying out of Components A.1, B.1 and C.1 of the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the provision of Section III of Schedule 2 to the Financing Agreement.

3. The Recipient shall cause the SAWMA to ensure that all goods, works and services required for the carrying out of Components A.2, B.2 and C.2 of the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the provision of Section III of Schedule 2 to the Financing Agreement.

4. The Recipient shall ensure that the Azersu and the SAWMA shall retain, during the implementation of Components A.1 and A.2 of the Project, the services of a construction management company satisfactory to the Association until the Association’s assessment has determined that the Azersu and/or the SAWMA have the capacity to take over such a responsibility independently.

B. Azersu Subsidiary Agreement

1. To facilitate the carrying out of the Azersu’s Respective Part of the Project, the Recipient shall make part of the proceeds of the Credit available to the Azersu under a subsidiary agreement between the Recipient and the Azersu, under terms and conditions agreed by the Association (“Azersu Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Azersu Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Credit. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Azersu Subsidiary Agreement or any of its provisions.

C. SAWMA Subsidiary Agreement

1. To facilitate the carrying out of the SAWMA’s Respective Part of the Project, the Recipient shall make part of the proceeds of the Credit available to the SAWMA
under a subsidiary agreement between the Recipient and the SAWMA, under terms and conditions agreed by the Association (“SAWMA Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the SAWMA Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Credit. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the SAWMA Subsidiary Agreement or any of its provisions.

D. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

E. Safeguards

1. The Recipient shall cause the Azersu and SAWMA, for their Respective Parts of the Project, to ensure that all measures necessary for the carrying out of the EMP, FEA and RPF shall be taken in a timely manner.

2. (a) In case any activities under the Project involve any use of water from existing dams or dams under construction, the Recipient shall ensure that the Azersu and/or the SAWMA shall, for their Respective Parts of the Project, arrange for one or more independent dam specialists, acceptable to the Association, to: (i) inspect and evaluate the safety status of the existing dam or dam under construction, its appurtenances, and its performance history; (ii) review and evaluate the owner's operation and maintenance procedures; and (iii) provide a written report of findings and recommendations for any remedial work or safety-related measures necessary to upgrade the existing dam or dam under construction to an acceptable standard of safety, prior to commencing any such activities.

(b) The Recipient shall ensure that the Azersu and/or the SAWMA shall carry out their Respective Parts of the Project in accordance with the recommendations set forth in the report referred to in subparagraph (iii) above.
Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of
