SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in carrying out its emergency recovery and reconstruction program in the Affected Areas, following the massive destruction and devastation that occurred as a result of the Earthquake.

The Project consists of the following parts:

Part 1: Housing

Carrying out a program of housing reconstruction in the Affected Areas, including provision of Housing Grants for the construction and rehabilitation of permanent hazard-resistant housing, provision of training to construction workers, designing and implementing an information dissemination system, establishment of a grievance redress mechanism at local, divisional and district levels to handle any grievances arising as a result of the program, provision of training in land management, monitoring of social and environmental aspects, and provision of technical assistance.

Part 2: Livelihood Support

Provision of livelihood support to individuals and families in the Affected Areas, through the provision of Cash Grants, in accordance with the Acceptable Assistance Criteria.

Part 3: Critical Imports

Importation of critical goods required for the reconstruction and rehabilitation of the Affected Areas.

Part 4: Implementation Capacity Building

Provision of training, technical assistance, goods, equipment and operating costs for the implementation, monitoring and supervision of the Project.

Part 5: Other Emergency Recovery, Rehabilitation and Reconstruction Activities

Carrying out of emergency recovery and reconstruction activities in Affected Areas in additional sectors including, social protection, health, education, agriculture, and infrastructure.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

A. Overall Project Implementation and Coordination

1. (a) The Recipient shall, and shall cause ERRA to, carry out the Project in accordance with the Operations Manual and the Environmental and Social Screening and Assessments Framework.

   (b) Except as the Association shall otherwise agree, the Recipient shall not amend, vary, or waive any provision of the Operations Manual and the Environmental and Social Screening and Assessments Framework if, in the opinion of the Association, such amendment or waiver may materially and adversely affect the carrying out of the Project or the achievement of the objectives thereof.

2. (a) The Recipient shall vest responsibility for the overall management and coordination of the Project in ERRA.

   (b) The Recipient shall maintain ERRA with functions, staffing, and resources satisfactory and acceptable to the Association, for the purposes of, among other things, overall policy guidance and planning, setting of standards, formulation of regulations, coordination and monitoring of the reconstruction and rehabilitation program, and implementation of selected activities as agreed with the Association. In carrying out its functions, ERRA shall work closely with the Project Implementing Entities, and shall be responsible for the overall coordination of all activities under the Project.

3. The Project Implementing Entities shall carry out the Project in accordance with the provisions of the Schedule to the Project Agreement.

B. Environmental and Social Safeguards

1. Without prejudice to the generality of paragraph A.1 above, the Recipient shall ensure that all civil works under the Project, shall be undertaken in accordance with design standards and technical specifications satisfactory to the Association and the relevant provisions of the Environmental and Social Screening and Assessments Framework, and shall not take or permit to be taken any action which would prevent or interfere with such implementation.

2. The Recipient shall not, and shall cause ERRA not to, take any action which shall prevent or interfere with the carrying out of the recommendations of the Environmental and Social Screening and Assessments Framework.
3. The Recipient shall ensure that activities financed under the Project shall not involve any land acquisition or involuntary resettlement of the local population and/or businesses. In the event that any land is required for the Project or any resettlement is to be carried out, the Recipient shall, in consultation with the Association, ensure that such land shall be obtained and such resettlement carried out in accordance with plans agreed with the Association.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one (1) calendar quarter, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained by ERRA a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section the Recipient shall through ERRA prepare and furnish to the Association, not later than one (1) month after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have the Financial Statements of ERRA audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than four (4) months after the end of such period.
