SCHEDULE 1

Project Description

The objective of the Project is to improve access to, and utilization of, a package of maternal, neonatal and child health services in selected governorates with a high concentration of districts with poor health indicators.

The Project consists of the following parts:

Part A: Improving Access to Maternal, Neonatal and Child Health Services

1. Delivering outreach services for maternal neo-natal and child health services, including expansion of a population-based program of maternal neo-natal and child health services in rural/urban and slum districts, and including the procurement of drugs;

2. Upgrading first-level referral facilities for health services, and providing community-based health services; and

3. Supporting national public health campaigns, including nutrition and immunization campaigns for measles, polio and tetanus toxoids.

Part B: Results-Based Monitoring and Evaluation and Project Administration.

Provision of goods, consultants’ services, training and Operating Costs of the PAU and the Outreach Services Team to support Project coordination, implementation, monitoring and evaluation and management, including carrying out evaluations of the upgraded maternal neo-natal and child health services to measure the results of the project interventions on access to, and utilization of, these services by women and children, and support of two rounds of national demographic health surveys.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements.

The Recipient shall carry out the Project in accordance with the following institutional and other arrangements:

1. The Steering Committee shall have overall responsibility for Project oversight and policy guidance of the Project in accordance with the requirements, criteria, organizational arrangements and operational procedures set forth in the Operational Manual.

2. The Recipient shall carry out the Project through the GDFH, with the assistance of the PAU and the Outreach Services Team, all in accordance with the requirements, criteria, organizational arrangements and operational procedures set forth in the Operational Manual and the FM Manual, and shall not assign, amend, abrogate or waive any provisions of the Operational Manual or the FM Manual without prior approval of the Association. The PAU is responsible for procurement and financial management for the Project.

3. At all times during the implementation of the Project, the Recipient shall maintain the Steering Committee, the PAU and the Outreach Services Team, all with a composition and resources satisfactory to the Association. The Recipient shall also maintain the PAU with staff whose qualifications, experience and terms of reference shall be acceptable to the Association.

4. For the purposes of proper planning and implementation of Parts A.1 and A.3. of the Project, the Recipient, through the PAU shall: (a) not later than June 30, 2011, appoint, on terms and conditions satisfactory to the Association, an Independent Technical Auditor to verify and certify that the planning and implementation of the outreach services and public health campaigns have been conducted in a manner satisfactory to the Association; and (b) not later than June 30, 2012, appoint an ITFF, on terms and conditions satisfactory to the Association for the duration of the Project implementation to verify and certify that the planning and implementation of the outreach services and public health campaigns have been conducted in a manner satisfactory to the Association.

B. Safeguards

1. The Recipient through the GDFH, and with the assistance of the PAU and the Outreach Services Team, shall carry out the Project in accordance with the requirements and procedures of the ESIA (including the health care waste
management plan and the ESMP) and shall not assign, amend, abrogate or waive any provisions of the ESIA (including the health care waste management plan and the ESMP) without prior approval of the Association.

2. Not later than June 30, 2011, the Recipient shall appoint, on terms and conditions satisfactory to the Association, an environmental consultant to assist with implementation of the ESIA and ESMP.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

2. On or about July 15, 2014, the Recipient shall carry out jointly with the Association, a midterm review of the progress made in carrying out the Project (hereinafter referred to as the Midterm Review). The Midterm Review shall cover, amongst other things:

(a) progress made in meeting the Project’s objective; and

(b) overall Project performance against Project performance indicators.

3. The Recipient shall prepare at least four (4) weeks prior to the Midterm Review, and furnish to the Association, a separate report describing the status of implementation of each component of the Project and a summary report of Project implementation generally.

4. The Recipient shall cause the Independent Technical Auditor and the ITFF, as the case may be, to prepare and furnish to the Recipient not later than forty-five (45) days after the end of each outreach round or public health campaign, independent technical and financial audit reports (ITFA Reports), covering the period of such outreach round or public health campaign, based on terms of reference satisfactory to the Association, including verifying and certifying that the planning and implementation of the outreach services and public health
campaigns under Parts A.1. and A.3. of the Project have been conducted in a manner satisfactory to the Association. The Recipient, through the PAU, shall furnish such ITFA Reports to the Association not later than sixty (60) days after the end of each such outreach round or public health campaign. The first such ITFA report by the Independent Technical Auditor and the ITFF, as the case may be, shall be due to the Association not later than sixty (60) days after the end of the first such outreach round or public health campaign following the appointment of the Independent Technical Auditor and the ITFF, respectively.

5. Not later than February 15, 2012, and annually thereafter, the Recipient shall prepare and furnish to the Association an annual report of the progress made in carrying out the Project in the preceding calendar year (hereinafter referred to as the Annual Reports). The Annual Reports shall also provide a proposed budget and work plan for implementation in the subsequent calendar year.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. The Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods. All goods required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods. The Procurement Plan shall specify the circumstances under which such methods may be used:

qualification criteria (in case pre-qualification was not carried out) and the method of evaluating the qualification of each bidder shall be stated in the bidding documents, and before contract award the bidder having submitted the lowest evaluated responsive bid shall be subject to post-qualification;

(vii) a foreign bidder shall not be required to register or to appoint an agent as a condition for submitting its bid and, if determined to be the lowest evaluated responsive bidder, shall be given reasonable opportunity to register, without let or hindrance; the registration process shall not be applicable to sub-contractors;

(viii) all bids shall be submitted in sealed envelopes and may be submitted, at the bidder’s option, in person or by courier service;

(ix) all bids shall be opened at the same time in a public bid opening which bidders shall be allowed to attend and which shall follow immediately after the deadline for submission of bids;

(x) evaluation of bids shall be carried out in strict adherence to the criteria declared in the bidding documents and contracts shall be awarded to the lowest evaluated responsive bidder, without resorting to the rejection of bids above or below a certain percentage of the pre-bid estimate (bid price bracketing);

(xi) no bidder shall be requested or permitted to modify its bid after the bid closing date shall have elapsed and bids submitted after the deadline for submission of bids shall be returned to the bidder unopened;

(xii) post-bidding negotiations with the lowest or any other bidder shall not be permitted;

(xiii) under exceptional circumstances, the procuring entity may, before the expiration of bid validity, request all bidders in writing to extend the validity of their bids, in which case bidders shall not be requested nor permitted to amend the price or any other condition of their bids; a bidder shall have the right to refuse to grant such an extension without forfeiting its bid security, but any bidder granting such extension shall be required to provide a corresponding extension of its bid security;

(xiv) price adjustment provisions may be included in contracts for works with a duration of more than eighteen (18) months;
(xv) rejection of all bids is justified when there is lack of effective competition, or bids are not substantially responsive, however, lack of competition shall not be determined solely on the basis of the number of bidders; and

(xvi) each contract financed from the proceeds of the Grant shall provide that the contractor or supplier shall permit the Association, at its request, to inspect their accounts and records relating to the performance of the contract and to have such accounts and records audited by auditors appointed by the Association

17. “Steering Committee” means the committee established on August 16, 2010, and operating in accordance with the Operational Manual.
Section II. Modifications to the Anti-Corruption Guidelines

The modifications to the Anti-Corruption Guidelines are as follows:

1. Section 5 is re-numbered as Section 5(a) and a new Section 5(b) is added to read as follows:

   “… (b) These Guidelines also provide for the sanctions and related actions to be imposed by the Bank on Borrowers (other than the Member Country) and all other individuals or entities who are recipients of Loan proceeds, in the event that the Borrower or the individual or entity has been debarred by another financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

2. Section 11(a) is modified to read as follows:

   “… (a) sanction in accordance with prevailing Bank’s sanctions policies and procedures (fn13) a Borrower (other than a Member Country) (fn 14) or an individual or entity, including (but not limited to) declaring such Borrower, individual or entity ineligible publicly, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract; (ii) to benefit from a Bank-financed contract, financially or otherwise, for example as a sub-contractor; and (iii) to otherwise participate in the preparation or implementation of the project or any other project financed, in whole or in part, by the Bank, if at any time the Bank determines (fn 15) that such Borrower, individual or entity has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in connection with the use of loan proceeds, or if another financier with which the Bank has entered into an agreement for the mutual enforcement of debarment decisions has declared such person or entity ineligible to receive proceeds of financings made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

Footnotes:

“13. An individual or entity may be declared ineligible to be awarded a Bank financed contract upon completion of sanctions proceedings pursuant to the Bank’s sanctions policies and procedures, or under the procedures of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceeding, or following a sanction by another financier with whom the Bank has entered into a cross debarment agreement, as a result of a determination by such financier that the firm or individual has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”
“14. Member Country includes officials and employees of the national government or of any of its political or administrative subdivisions, and government owned enterprises and agencies that are not eligible to bid under paragraph 1.8(b) of the Procurement Guidelines or participate under paragraph 1.11(c) of the Consultant Guidelines.”

“15. The Bank has established a Sanctions Board, and related procedures, for the purpose of making such determinations. The procedures of the Sanctions Board sets forth the full set of sanctions available to the Bank. In addition, the Bank has adopted an internal protocol outlining the process to be followed in implementing debarments by other financiers, and explaining how cross-debarments will be posted on the Bank’s website and otherwise be made known to staff and other stakeholders.”
